## **PROXY STATEMENT FOR 2015 ANNUAL MEETING OF SHAREHOLDERS**

**TO BE HELD ON MAY 20, 2015**

### **INTRODUCTION**

The enclosed proxy card (the "Proxy") is solicited by the Board of Directors (the "Board of Directors") of Salisbury Bancorp, Inc. ("Salisbury"), for use at the 2015 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Wednesday, May 20, 2015, at 4:00 p.m. EDT, at The Hotchkiss School, (Griswold Science Building located off Route 41), 11 Interlaken Road, Lakeville, Connecticut 06039, and at any and all adjournment(s) thereof. Any Proxy given may be revoked at any time before it is actually voted on any matter in accordance with the procedures set forth on the Notice of Annual Meeting. This Proxy Statement and the enclosed form of Proxy are being mailed to shareholders (the "Shareholders") beginning on or about April 13, 2015. The cost of preparing, assembling and mailing this Proxy Statement and the material enclosed herewith is being borne by Salisbury. In addition, proxies may be solicited by directors, officers and employees of Salisbury and Salisbury Bank and Trust Company (the "Bank") personally by telephone or other means. Salisbury will reimburse banks, brokers, and other custodians, nominees, and fiduciaries for their reasonable and actual costs in sending the proxy materials to the beneficial owners of Salisbury's common stock (the "Common Stock").

If your shares are in a brokerage or fiduciary account, your broker or bank will send you a voting instruction form instead of a Proxy. Please follow the instructions on such form to instruct your broker, bank or other holder of record how to vote your shares. If you wish to attend the meeting and vote your shares in person, you must follow the instructions on the voting instruction form to obtain a legal proxy from your broker, bank or other holder of record. Alternatively, you may vote by telephone or over the internet as instructed by your broker or bank, if applicable.

### **VOTING, QUORUM AND VOTES REQUIRED**

The Board of Directors has fixed the close of business on March 27, 2015 as the record date (the "Record Date") for the determination of Shareholders entitled to notice of and to vote at the Annual Meeting. As of the Record Date, 2,728,516 shares of Salisbury's Common Stock (par value \$.10 per share) were outstanding and entitled to vote and held by approximately 2,129 Shareholders of Record. Each share of Common Stock is entitled to one vote on all matters to be presented at the Annual Meeting. Votes withheld, abstentions and broker non-votes are not treated as having voted on any proposal and are counted only for purposes of determining whether a quorum is present at the Annual Meeting.

If the enclosed form of Proxy is properly executed and received by Salisbury in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Executed but unmarked proxies will be voted "**FOR**" all the Nominees in Proposal 1, "**FOR**" Proposals 2 and 3 and in accordance with the determination of a majority of the Board of Directors as to other matters discussed in this Proxy Statement. As of the date of this Proxy Statement, the Board of Directors and Management do not know of any matters other than

those described in the Notice of Annual Meeting that are to come before the Annual Meeting.

If you participate in the Salisbury Bank and Trust Company Employee Stock Ownership Plan (the “ESOP”), you will receive a proxy card for the plan that reflects all shares of Salisbury Bancorp, Inc. allocated to your account that you may direct the trustee of the ESOP to vote on your behalf. Under the terms of the ESOP, the ESOP trustee votes all shares held by the ESOP, but each ESOP participant may direct the trustee how to vote the shares of Salisbury Bancorp, Inc. common stock allocated to his or her account. The ESOP trustee, subject to the exercise of its fiduciary responsibilities, will vote all allocated shares for which it has received voting instructions in accordance with such instructions and will vote all shares for which a participant has marked the voting form to “ABSTAIN” and all allocated shares for which no voting instructions are received in the same proportion as shares for which it has received timely voting instructions. Salisbury does not maintain a policy for directors' attendance at Salisbury's Annual Meetings of Shareholders, but encourages all directors to attend. All directors of Salisbury attended Salisbury's Annual Meeting of Shareholders on May 14, 2014.

#### *Executive Committee*

The Executive Committee has general supervision over the affairs of Salisbury between meetings of the Board of Directors. The members of the Executive Committee are Louis E. Allyn, II, Charles M. The Nominating and Governance Committee is responsible for assisting the Board of Directors in identifying and evaluating potential nominees for director and recommending qualified nominees to the Board for consideration. The Nominating and Governance Committee selects the director nominees to stand for election at Salisbury's annual meetings of shareholders. The Nominating and Governance Committee's process for identifying and evaluating nominees for director, including nominees recommended by shareholders, has historically operated informally and without any differences in the manner in which nominees recommended by shareholders are evaluated.

The Nominating and Governance Committee and the Board of Directors consider factors such as those summarized below in evaluating director candidates, including any nominee submitted by shareholders, and believe that Salisbury's Bylaws, Nominating and Governance Committee Charter and the qualifications and considerations such as those enumerated below provide adequate guidance and flexibility in evaluating candidates. The Nominating and Governance Committee does not have a policy with regard to the consideration of diversity in identifying director nominees.

• Sound business judgment and financial sophistication in order to understand Salisbury's financial and operating performance and to provide strategic guidance to management.

- Business management experience.

- Integrity, commitment, honesty and objectivity.

A general familiarity with (i) prudent banking principles; (ii) bank operations/technology; (iii) pertinent laws, policies and regulations; (iv) markets and trends affecting the financial services industry; and (v) local economic and business opportunities.

- Strong communication skills in order to function effectively with Salisbury's constituencies.

• A financial interest in Salisbury as a shareholder. Generally, candidates should not have relationships with Salisbury or the Bank which would disqualify the candidate from being considered independent.

- Generally, candidates should be involved in philanthropic, education, business or civic leadership positions.

- Generally, candidates should be familiar with the geographic areas served by Salisbury.

• Candidates should evidence a willingness and commitment to devote sufficient time and energy to prepare for and attend Board of Director and committee meetings and to diligently perform the duties and responsibilities of service

as a director.

- Candidates should not have interests which conflict with those of Salisbury or the Bank.

Salisbury has not paid a fee to any third party or parties to identify or assist in identifying or evaluating potential nominees. The Board of Directors and Nominating and Governance Committee do not discriminate on the basis of sex, race, color, gender, national origin, religion or disability in the evaluation of candidates.

### ***Audit Committee***

Salisbury has a separately-designated standing Audit Committee established by the Board of Directors in accordance with Section 3(a)(58)(A) of the Exchange Act for the purpose of overseeing the accounting and financial reporting process of Salisbury and audits of the financial statements of Salisbury. Subject to the Audit Committee Charter, the Audit Committee provides assistance to the Board of Directors in fulfilling its responsibility to the shareholders, potential shareholders and investment community relating to corporate accounting, reporting practices of Salisbury, and the quality and integrity of the financial reports of Salisbury. In so doing, it is the responsibility of the Audit Committee to appoint the independent auditors for Salisbury and to maintain free and open means of communication between the directors, the independent auditors, the internal auditors and the financial management of Salisbury.

The responsibilities of the Audit Committee are governed by Salisbury's Audit Committee Charter which was adopted by Salisbury's Board of Directors. Its members are Louis E. Allyn, II, George E. Banta, Arthur J. Bassin, David B. Farrell, Polly Diane Hoe, Nancy F. Humphreys, Holly J. Nelson (Chair), and Michael A. Varet. The Audit Committee met five (5) times during 2014. Each of the members of the Audit Committee is an "independent director" in accordance with the independence standards of the NASDAQ. The Board of Directors has determined that David B. Farrell qualifies as an "audit committee financial expert" as such term is defined by federal securities laws and regulations. Additionally, the Board of Directors believes the members of the Audit Committee bring diverse educational, business and professional experience that is beneficial to the Audit Committee function of Salisbury and the Bank and enables the Audit Committee to fulfill its responsibility.

A copy of Salisbury's Audit Committee Charter is available on Salisbury's website at [salisburybank.com](http://salisburybank.com) under "Shareholder Relations", "Governance Documents".

### ***Board Leadership Structure***

Mr. Varet has served as Chairman of the Board of Salisbury and the Bank since April 30, 2010, before which he served as Presiding Director of Salisbury and the Bank, performing the functions of Chair, since June 2007.

The Board of Directors regularly reviews and assesses the effectiveness of its leadership structure and will implement any changes as it deems appropriate. The current leadership structure is comprised of a fifteen-member board of directors consisting of: a Chairman, who is independent; the Chief Executive Officer, who also serves as President; the former Chief Executive Officer, who is independent; and twelve (12) other independent directors. Salisbury has established responsibilities for the Chair and, if warranted, a Presiding Director, to ensure that the Board of Directors is adequately informed about the affairs of Salisbury and the Bank. Salisbury believes that this leadership structure ensures appropriate and effective governance of Salisbury and the Bank.

Salisbury's Bylaws provide that the Board shall elect from among its members a Chair of the Board, who shall preside at all Board meetings. If the Chair is an officer of Salisbury or the Bank, the Board shall elect an independent Presiding Director and shall by resolution set forth the duties and responsibilities of the Presiding Director. The Board will elect a Chair, and, if warranted, a Presiding Director, at Salisbury's Organizational Meeting following the Annual Meeting of Shareholders.

12

Consistent with applicable corporate governance guidelines, the primary responsibilities of the Chair are to be responsible for the leadership of the board meetings, prepare the agenda and preside over meetings.

To assess effective independent oversight, the Board of Directors has adopted several governance practices, including regular executive sessions of independent directors and annual performance evaluations of the directors and the Chief Executive Officer by the independent directors.

Salisbury recognizes that no single leadership model is appropriate for all companies at all times. The Board of Directors recognizes that, depending upon the circumstances, other leadership models might be appropriate at some point, and the Board of Directors periodically reviews its leadership structure in this regard.

### ***Riverside Division Advisory Board***

Following the merger with Riverside Bank, Salisbury established an advisory board whose members will develop familiarity with the products and services that we offer and provide their insights and introductions to enable Salisbury to better serve new customers' needs in our expanded service area. O'Shea, David E. Petrovits, Steven R. Turk, and Carl S. Wolfson.

### ***Board Role in Risk Oversight***

The Board oversees the risk management of Salisbury through its committees, management committees and the Chief Executive Officer. The Audit Committee monitors: (1) the effectiveness of Salisbury's internal controls; (2) the integrity of its Consolidated Financial Statements; and (3) compliance with legal and regulatory requirements. In addition, the Audit Committee coordinates with the internal audit function and the independent registered public accountant.

At the monthly meetings, the Board receives the minutes from each committee meeting as well as various reports from key members of senior management. The Board reviews and discusses these reports with senior managers. The Board also reviews the policies and practices of Salisbury and the Bank on a regular basis. In addition, the Board reviews corporate strategies and objectives and evaluates business performance. Two separate individuals serve in the positions of Chief Executive Officer and Chairman of the Board.

### **Code of Ethics**

Salisbury has adopted a Code of Ethics and Conflicts of Interest Policy that applies to Salisbury's directors, officers and employees, including Salisbury's Principal Executive Officer and Principal Financial Officer. A copy of such Code of Ethics is available upon request, without charge, by writing to Shelly L. Humeston, Secretary, Salisbury Bancorp, Inc., 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039-1868.

### **Board of Directors' Communications with Shareholders**

Salisbury's Board of Directors does not have a formal process for Shareholders to send communications to the Board of Directors. However, the volume of such communications has historically been de minimus. Accordingly, the Board of Directors considers Salisbury's informal process to be adequate to address Salisbury's needs. Historically, such informal process has functioned as follows: any shareholder communication is forwarded to the President and Chief Executive Officer for appropriate discussion by the Board of Directors and the formulation of an appropriate response. Shareholders may forward written communications to the Board of Directors by addressing such comments to the Board of Directors of Salisbury Bancorp, Inc., 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039-1868.

**Audit Committee Report**

The Audit Committee has reviewed and discussed Salisbury's audited financial statements for the fiscal year ended December 31, 2014 with management and has discussed the matters that are required to be discussed by SAS 61, as amended and as adopted by the Public Company Accounting Oversight Board in Rule 3200T, with Shatswell, MacLeod & Company, P.C. ("Shatswell"), Salisbury's independent auditors.

13

The Audit Committee has received the written disclosures and the letter from Shatswell required by applicable requirements of the Public Company Accounting Oversight Board for independent auditor communications with Audit Committees concerning independence, and has discussed Shatswell's independence with respect to Salisbury with Shatswell.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in Salisbury's Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for filing with the Securities and Exchange Commission ("SEC").

The foregoing Report of Salisbury's Audit Committee is provided in accordance with the rules and regulations of the SEC. Pursuant to such rules and regulations, this Report shall not be deemed "soliciting material," filed with the SEC, subject to Regulation 14A and 14C of the SEC or subject to the liabilities of Section 18 of the Exchange Act.

### **Compensation Committee Report**

The Human Resources and Compensation Committee (the "Compensation Committee") has reviewed and discussed with management the section below entitled "Compensation Discussion and Analysis." Based on this discussion, the Compensation Committee recommended that the Board of Directors include the Compensation Discussion and Analysis in our Proxy Statement. The members of the Compensation Committee are Louis E. Allyn, II, Arthur J. Bassin (Chair), David B. Farrell, Michael D. Gordon, Polly Diane Hoe, Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet.

### **COMPENSATION DISCUSSION AND ANALYSIS**

#### **Compensation Objectives**

The compensation objectives of the Board of Directors begin with the premise that our success depends, in large part, on the dedication and commitment of the people we place in key management positions and on the incentives we provide such persons to successfully implement our business strategy and other corporate objectives. The overall objective of our compensation program is to maximize shareholder value through the recruitment, retention and motivation of talented employees and officers (including Named Executive Officers as identified in the section titled Executive Officer Compensation and the Summary Compensation Table below) of Salisbury. We recognize that the Bank operates in a competitive environment for talent. Therefore, our approach to compensation considers a full range of compensation tools that enable us to compare favorably with our peers as we seek to attract and retain key personnel. We assess our program annually from a risk perspective and seek to use the best practices in the industry.

Salisbury's executive compensation program is designed to attract, retain and motivate highly qualified executives and to reward actions and results that the Compensation Committee and the Board of Directors believe will increase tangible book value and earnings per share and maximize shareholder return. The Compensation Committee pays particular attention to designing compensation plans that do not encourage Salisbury's Named Executive Officers and other executive officers to take inappropriate or excessive risks. The compensation program closely aligns total compensation with achievement of strategic and financial goals. As the result of our adoption of the 2011 Long Term Incentive Plan that provides for the award of restricted stock and stock options as well as other equity related awards, it is anticipated that in future years a meaningful portion of total compensation will be tied to shareholder return, thereby encouraging and rewarding Named Executive Officers and other executives for pursuing strategies that increase tangible book value and earnings per share over time.

During 2014, the Compensation Committee reviewed all elements of compensation for Named Executive Officers and other executives and believes the current compensation structure is consistent with the objectives outlined above. The Compensation Committee intends for total compensation to be commensurate with that of like institutions with similar

performance.

14

## **Role of the Compensation Committee and Certain Executive Officers**

The Compensation Committee is composed of eight (8) members of the Board, all of whom are independent in accordance with the independence standards of the NASDAQ. The Compensation Committee is responsible for reviewing Salisbury's general compensation strategy, establishing salaries and reviewing benefit programs, including pensions and incentive compensation plans; and advising the Board of Directors and making recommendations with respect to such plans. In particular, the Compensation Committee reviews and approves Salisbury's compensation strategies and objectives, reviews and approves executive officers' compensation, administers incentive plans and reviews and makes recommendations to the Board regarding general employee pension benefit plans and other benefit plans on an as needed basis. Salisbury strives for pay packages that are fair. In determining whether compensation of executive officers is fair, the Compensation Committee considers each component of compensation including salary and bonus, stock compensation, amounts to be received from any deferred compensation, severance, perquisites and benefits. In establishing levels of compensation, the Compensation Committee endeavors to take into consideration an individual's performance, level of expertise, responsibilities, length of service, comparable levels of compensation paid to executives of other companies of comparable size and development within the industry, as well as the financial condition and performance of the Bank. No individual executive officer may participate in the review, discussion or decision of the Compensation Committee regarding his or her compensation, but executive officers may participate in the review, discussion or decision of the Compensation Committee regarding other employee compensation, director compensation, benefit plans and promotions. The Compensation Committee also has the responsibility to review and recommend to the Board any changes in director compensation, including board fees, committee fees, and additional compensation, including awards of stock options and restricted stock.

In addition, certain members of the Bank's executive team provide input to the Compensation Committee regarding compensation matters. In particular, officers who serve as a resource to the Compensation Committee are the President and Chief Executive Officer, the Chief Financial Officer, the Director of Human Resources, and the Corporate Secretary. As requested by the Compensation Committee from time to time, these officers provide input regarding employee compensation programs for employees other than themselves, present data and analysis to formulate recommendations regarding employee compensation, benefit plans, related insurance matters, and promotions. The Director of Human Resources provides the Compensation Committee with data for its consideration in setting the base salary for the Named Executive Officers. The Compensation Committee believes that this input from management is critical to ensuring that the Compensation Committee and its advisers have the data needed to make informed decisions with respect to Salisbury's compensation programs and each Named Executive Officer's individual compensation. The Compensation Committee met eight (8) times during 2014.

A copy of Salisbury's Human Resources and Compensation Committee Charter, which the Compensation Committee and the Board of Directors review and assess at least annually, is available on Salisbury's website at [salisburybank.com](http://salisburybank.com) under "Shareholder Relations", "Governance Documents".

## **Role of Compensation Consultants**

In carrying out its duties, the Compensation Committee has the authority to retain, at Salisbury's expense, and to terminate, a compensation consultant. The Compensation Committee also has the authority to retain independent counsel and other advisors at Salisbury's expense as needed. The consultants provide expertise and information about competitive trends in the industry. The consultants also provide survey data and assist in assembling relevant comparison groups for various purposes and establishing benchmarks for base salary and cash incentives based on a number of factors.

During 2014, the Compensation Committee engaged the services of Arthur Warren Associates, an independent compensation advisory firm specializing in community bank compensation plans. Arthur Warren Associates assisted the Compensation Committee in the review of Salisbury's short term incentive program and Salisbury's long term

equity incentive plan. Arthur Warren Associates also assisted the Compensation Committee in the review of equity incentive plan design trends, particularly among Salisbury's peer group (as identified below), as determined through industry surveys and published proxy statements. The Compensation Committee also relied on other survey sources including Pearl Meyer & Partners 2014 New York Bankers Association Banking Compensation Survey, Pearl Meyer & Partners 2014 Northeast Bankers Survey, and ERI Economic Research Institute Survey.

## Peer Group

On November 24, 2014, the Compensation Committee approved a peer group of publically traded banks to assist the Compensation Committee in helping to assess competitive compensation as well as relative performance comparison for short and long-term incentive opportunities. The peer group may be amended from time to time, subject to the review and approval of the Compensation Committee. The Compensation Committee believes that using compensation data from the peer group, augmented by survey sources, was appropriate in establishing a comprehensive total compensation strategy.

The peer group includes the following banks:

The First, N.A.	Community National Bank
Bar Harbor Bank & Trust	Union Bank
Westfield Bank	Elmira Savings Bank
Lake Sunapee Bank	Putnam Bank
Savings Institute Bank & Trust Co.	Jeff Bank
Evans Bank, Nat'l Association	The Simsbury Bank & Trust Co.
The Berkshire Bank	Hingham Institution for Savings
Hampden Bank	Bankwell Bank
The Bank of Greene County	Pathfinder Bank
Chicopee Savings Bank	Wellesley Bank

## Elements of Compensation

Salisbury's compensation program with respect to its Named Executive Officers primarily consists of the following:

- Base salary, which is designed to provide a reasonable level of predictable income commensurate with the market standards for each executive position;
- Annual non-equity incentive compensation which is based on specified goals and benchmarks as recommended by senior management and approved by the Compensation Committee;
- An equity incentive plan which aligns the interests of key employees with those of the shareholders through the grant of restricted shares and stock options;
- Severance benefits payable pursuant to severance agreements between certain executive officers and Salisbury;
- Retirement benefits payable pursuant to our tax-qualified and non-qualified plans; and
- Other broad-based benefits.

### *Base Salaries*

Base salary is designed to provide a reasonable level of predictable income commensurate with market standards for the position held, adjusted for specific responsibilities, individual experience and demonstrated performance. Base salaries are reviewed annually and adjusted from time to time to realign base salaries with market levels after taking into account various considerations including:

- Market data for peer institutions and direct competitors located in New York, Connecticut and the Northeast region;
- Internal review of the Named Executive Officer's compensation, both individually and relative to other officers of the Bank;
- Qualification and experience of the executive;
- Achievement of company-wide objectives; and
- Financial condition and results of operations, including tax and accounting impact on the Bank of the base salaries.

Details regarding base salary are included in the section below entitled Executive Compensation and the Summary Compensation Table in that section.

16

### ***Short Term Cash Incentive Compensation Plan***

Salisbury maintains a discretionary short term incentive compensation plan (“STIP”) intended to reward performance of officers and other employees of the Bank, including the Named Executive Officers. The STIP is designed to motivate employees to attain desired objectives and to encourage teamwork and collaboration while aligning compensation with overall Bank performance. This STIP is a key element of the total compensation benefits provided to our Named Executive Officers and allows Salisbury to remain competitive with the market by providing the opportunity to receive meaningful cash incentives. The design of the STIP is intended to ensure that no benefits are paid to executives and other employees unless Bank performance goals are attained. If Salisbury’s performance goals are attained, the Compensation Committee then considers, with management’s input, each employee’s individual performance in determining whether to make awards under the STIP. The Compensation Committee has established specific individual performance measures to determine each employee’s payout amount based upon recommendations made by management and reviewed by the Compensation Committee. The Compensation Committee believes that establishing specific performance measures for each participant will enhance the ability of the STIP to encourage performance in those targeted areas.

### ***Long Term Equity Incentive Plan***

The Board of Directors adopted the 2011 Long Term Incentive Plan (“LTIP”) on March 25, 2011, which the Shareholders approved at the 2011 Annual Meeting. The purpose of the LTIP is to assist Salisbury and the Bank in attracting, motivating, retaining and rewarding employees, officers and directors by enabling such persons to acquire or increase a proprietary interest in Salisbury in order to strengthen the mutuality of interests between such persons and our shareholders, and providing such persons with stock-based long-term performance incentives to expend their maximum efforts in the creation of shareholder value. The Compensation Committee believes that officer stock ownership provides a significant incentive in building shareholder value and further aligning management’s interests with our shareholders. The LTIP provides for the grant of directors stock retainer awards, stock options, stock appreciation rights, restricted stock, restricted stock units, performance awards, deferred stock, dividend equivalents, and stock or other stock-based awards that may be settled in shares of common stock, cash, or other property (collectively, “Awards”).

Under the Plan, the total number of shares of Common Stock reserved and available for issuance in the next ten years in connection with Awards under the Plan is 84,000 shares of Common Stock, which represents less than 5% of Salisbury’s outstanding shares of Common Stock. Effective January 18, 2013, the 2011 Long Term Incentive Plan was amended to increase the maximum number of shares that may be issued pursuant to Awards granted in any one calendar year from 20,000 to 30,000; and to increase the number of shares granted annually to each Director as the Director’s Annual Stock Retainer from 120 shares to 240 shares.

### ***Severance Agreement***

On February 11, 2013, the Bank entered into a Severance Agreement with the Chief Executive Officer, effective as of January 1, 2013. The Compensation Committee and the Board of Directors believe it is in the best interest of Salisbury and the Bank to provide the Chief Executive Officer with the Severance Agreement to induce the Chief Executive Officer to remain employed with the Bank and to set forth the severance benefits that would be payable to the Chief Executive Officer in the event of the Chief Executive Officer’s termination of employment without cause or for good reason (as defined in the Severance Agreement), including such termination occurring following a Change in Control (as defined in the Severance Agreement). Payment of severance benefits under the Severance Agreement are conditioned on the Chief Executive Officer’s covenant to comply with non-compete, non-solicitation and non-disclosure provisions for a period of time following the Chief Executive Officer’s separation from service and subject to applicable laws and regulations regarding severance pay.

***Non-Qualified Deferred Compensation Plan***

On January 25, 2013, the Compensation Committee and the Board of Directors approved a Non-Qualified Deferred Compensation Plan (“NQDC Plan”) for the benefit of certain key employees, including certain Named Executive Officers, who have been selected to participate in the NQDC Plan. The Compensation Committee and the Board of Directors believe the adoption of the NQDC Plan is in the best interest of the Bank to recognize the valuable services performed by key employees, to encourage their continued employment and provide them with supplemental retirement income. The NQDC Plan was adopted effective January 1, 2013.

### ***Defined Benefit Pension Plan***

Up until October, 2014, the Bank maintained a non-contributory defined benefit pension plan (“DB Pension Plan”) for officers and other salaried employees of the Bank. Effective September 1, 2006, a “soft-freeze” was approved by the Board of Directors eliminating new participation in the DB Pension Plan for employees hired on or after that date. Eligible employees hired prior to September 1, 2006, including the Chief Executive Officer, are eligible to receive benefits as outlined in the DB Pension Plan. Effective December 31, 2012, the DB Pension Plan was amended to freeze retirement benefits at current levels and to discontinue the accrual of future benefits. In lieu of the curtailment of plan benefits, the Bank increased its 401(k) plan benefits commencing in 2013.

Pension benefits are based upon the annual average of an employee’s total compensation for the five (5) consecutive plan years of employment during which the employee’s compensation was the greatest and during which he or she was a participant. The amount of the annual benefit is 2% of average salary offset by .65% of the social security wage base per year of service (to a maximum of 25 years) plus one-half of 1% of average salary for each year of service over 25 years (to a maximum of ten years). Internal Revenue Code 401(a)(17) limits earnings used to calculate qualified plan benefits to \$255,000 for 2013 and \$260,000 for 2014.

The DB Pension Plan was terminated in October 2014 and the accrued benefits were paid to participants in December 2014.

### ***Split Dollar Life Insurance Arrangements***

During the 2014 calendar year, Messrs. Cantele, Kelly, and White, our “Named Executive Officers” for purposes of this Proxy Statement, and certain other senior executives were parties to split dollar life insurance agreements with the Bank, which upon the executive’s death, would split the death benefit payable under one or more insurance policies between the executive’s beneficiary and the Bank. The maximum payment under the death benefit is based on whether the executive is a member of executive management or senior management. The split dollar life insurance agreement provides the beneficiary of such executive with a pre-retirement death benefit of three (3) times annual base salary, not to exceed \$350,000. If the Named Executive Officer remains in the employ of Salisbury until age 65, the executive’s beneficiary is also entitled to a post-retirement death benefit under the agreement. Post-retirement death benefits for our Named Executive Officers are a reduced multiple of final annual base salary (i.e., between 1.5 times and 0.5 times, depending on the former executive’s age at the time of death), with a maximum death benefit of \$350,000.

### ***Phantom Stock Appreciation Unit and Long Term Incentive Plan***

Effective January 1, 2015, the Board of Directors adopted the 2015 Phantom Stock Appreciation Unit and Long-Term Incentive Plan (the “Plan”) to promote the long-term financial success of the Company and the Bank, by providing a means to attract, retain and reward individuals who can and do contribute to such success and further align their interests with those of the Company’s shareholders. The Plan shall be administered by the Compensation Committee of the Board of Directors (the “Committee”). The only awards that may be granted under the Plan are Phantom Stock Appreciation Units. A “Phantom Stock Appreciation Unit” represents the right to receive a cash payment on the determination date (i.e., the vesting date) equal to the positive difference between the strike price (which shall not be less than the tangible book value) on the grant date and the tangible book value of a share of the Company’s Common Stock on the determination date. The determination date will be established by the Committee on or before the grant date. The number of Phantom Stock Appreciation Units available for award under the Plan shall be Two Million Five Hundred Thousand (2,500,000). Effective January 1, 2015, the Plan was amended in order to limit the maximum number of Phantom Stock Appreciation Units that may be issued in any one Plan Year to 200,000; and to provide that grants of Phantom Stock Appreciation Units not made within a Plan Year shall not be added to or serve to increase the grant limit in any future Plan Year. The vesting of an award will generally be accelerated upon separation from service

due to death, disability, involuntary termination without cause or the occurrence of a change in control.

**Risk Management**

The Compensation Committee believes that any risks arising from Salisbury's compensation policies and practices for all of its employees, including the Named Executive Officers, are not reasonably likely to have a material adverse effect on Salisbury or the Bank. In addition, the Compensation Committee believes that the design and balance of the elements of the compensation program will encourage senior management to act in a manner that is focused on the long term valuation of Salisbury and the Bank.

The Compensation Committee regularly reviews all incentive-based plans to ensure that controls are in place so that Salisbury's employees are not presented with opportunities to take unnecessary and excessive risks that could threaten the value of Salisbury and the Bank. With respect to the STIP and LTIP, the Compensation Committee reviews and approves the Bank-wide performance objectives that determine bonus payments to be made thereunder. The performance objectives selected are customary performance metrics for financial institutions in our peer group. In addition, Salisbury adopted a clawback policy which applies to our STIP and LTIP and which allows Salisbury to recover any bonus payment made to any named employee that was based on materially inaccurate financial statements or other materially inaccurate reporting or fraud.

By implementing our stock-based awards under the 2011 Long Term Incentive Plan, certain of the Bank's employees own Salisbury common stock. This ownership aligns employee interest with those of all shareholders and, in turn, will focus employees on balancing risks between the long term and short term objectives in order to contribute to long term shareholder value.

### ***Compensation Clawback Policy***

On December 21, 2012, Salisbury adopted a Compensation Clawback Policy to encourage senior executives to take full account of risks to Salisbury and its shareholders in their decision-making, and to reduce such risks wherever practicable. The Clawback Policy applies to Salisbury's Chief Executive Officer, Chief Financial Officer, Chief Lending Officer, Chief Credit Officer, Chief Risk Officer, Chief Retail Officer and any other Named Executive Officers (together, the "Covered Officers"). In the event the Compensation Committee determines that fraud, material error, gross negligence or intentional illegal conduct or misconduct (each, a "Covered Misconduct" as defined in the Clawback Policy) has contributed to Salisbury's restatement of its financial statements, the Compensation Committee will, in its discretion, refer the matter and its recommendation as to an appropriate remedy to the Board of Directors for consideration.

### **Tax and Accounting Considerations**

In consultation with our advisers, the Compensation Committee evaluates the tax and accounting treatment of our compensation program at the time of adoption and on an annual basis to ensure that we understand the financial impact of the program. Our analysis includes a detailed review of recently adopted and pending changes in tax and accounting requirements. As part of the Compensation Committee's review, we consider modifications and/or alternatives to existing programs to take advantage of favorable changes in the tax or accounting environment or to avoid adverse consequences. To preserve maximum flexibility in the design and implementation of our compensation program, we have not adopted a formal policy that requires all compensation to be tax deductible. However, to the greatest extent possible, we intend to structure our compensation program in a tax efficient manner.

### **Severance Agreement for Richard J. Cantele, Jr.**

On February 11, 2013, the Bank and Richard J. Cantele, Jr., President and Chief Executive Officer of the Bank (or the “Executive”), entered into a Severance Agreement (the “Agreement”), effective as of January 1, 2013, to provide benefits to Mr. Cantele in the event of his termination of employment for the reasons set forth in the agreement. The Agreement has a two-year term and is automatically renewable annually. In the event of Mr. Cantele’s (i) involuntary termination of employment by the Bank for reasons other than “cause” (as defined in the Agreement) (or due to his death or disability), or (ii) his voluntary termination of employment for “good reason” (as defined in the Agreement). In either case, other than on or after a change in control, the Executive will be entitled to a severance benefit equal to two times the greater of his annual base salary rate in effect on the date of termination or his average annual base salary rate for the twelve-month period ending on the last day of the calendar month immediately before the date of termination. Such benefit will be paid in a lump sum within 60 days following Mr. Cantele’s separation from service. In addition, Mr. Cantele generally will be entitled to continued participation in the Bank’s group health plan for two years following separation from service, subject to the Executive’s payment of a premium portion substantially equal to the premium portion paid by executive employees of the Bank for comparable coverage. Payment of the severance benefits will be conditioned upon the execution by the Executive of a general release within 60 days of the date of termination of Mr. Cantele’s employment. The Agreement requires Mr. Cantele to comply with non-compete, non-solicitation and non-disclosure provisions for a period of one year following his separation from service.

In the event of a change in control followed by Mr. Cantele’s involuntary termination of employment for reasons other than cause or voluntary termination of employment for good reason, he will be entitled to a lump sum cash payment equal to 2.9 times the greater of his annual base salary rate in effect on the date of termination or his average annual base salary rate for the twelve-month period ending on the last day of the month preceding the date of termination, payable within 60 days following termination. The Bank will also provide him with life insurance coverage and non-taxable medical and dental coverage, at no cost to him, substantially comparable to the coverage maintained by the Bank for the Executive prior to his date of termination, for a period of three years. In addition, Mr. Cantele will be entitled to the payment of unpaid compensation and benefits, unreimbursed expenses incurred on behalf of the Bank and unused vacation accrued through the date of his termination of employment.

### **Change in Control Agreements**

The Bank entered into a one year Change in Control Agreement with Mr. Kelly and with Mr. White (the “Agreement”) on April 1, 2013 which will automatically renew for additional one-year terms, unless either party elects not to renew the Agreement by providing notice of non-renewal to the other party at least thirty (30) days prior to the renewal date. In the event Salisbury or the Bank at any time during the term of the Agreement effects a transaction which would be a “change in control” (as defined in the Agreement), then the Agreement shall be automatically extended for twelve (12) months following the date a change in control occurs.

Pursuant to the Agreement, Mr. Kelly and Mr. White are eligible to receive benefits subject to certain conditions set forth in the Agreement in the event that Mr. Kelly and/or Mr. White are involuntarily terminated on or after a change in control for reasons other than “cause” (as defined in the Agreement) (or due to his death or disability), or is voluntarily terminated for “good reason” (as defined in the Agreement) on or after a change in control. Such change in control benefits include a lump sum cash payment equal to one times Mr. Kelly’s annual base salary and one and one-half times Mr. White’s annual base salary in effect on his date of termination, or if greater, his average annual base salary rate for the twelve (12) months immediately prior to his termination date. In addition, Mr. Kelly and Mr. White would be entitled to the continuation of current Bank provided dental, medical and life insurance coverage and other benefits as set forth in the Agreement for twelve (12) months and eighteen (18) months, respectively. In no event will any compensation payable under the Agreement constitute an “excess parachute payment” under Section 280G or violate Section 409A of the Internal Revenue Code.

Payment of change in control benefits under the Agreement is conditioned upon Mr. Kelly's and Mr. White's covenant to comply with non-compete, non-solicitation and non-disclosure provisions for a period of twelve (12) months and eighteen (18) months, respectively, following termination of employment. Notwithstanding any provision in the Agreement, Mr. Kelly and Mr. White each serve as an employee-at-will.

## Non-qualified Deferred Compensation Plan

On January 25, 2013, the Board of Directors adopted a non-qualified deferred compensation plan (the “NQDC Plan”) effective as of January 1, 2013. The NQDC Plan permits the Board of Directors to select certain key employees of the Bank, including the Named Executive Officers, to participate in the NQDC Plan, provided that such employees also evidence their participation by execution of a participation agreement.

At the end of each NQDC Plan year, if the Bank’s Board of Directors has approved a discretionary contribution, the NQDC Plan administrator will credit the participant’s account with such contribution. As of the last day of each NQDC Plan year, the NQDC Plan administrator will credit each account with interest on the account balance equal to the Bank’s highest certificate of deposit rate for that year, compounded annually. Additional earnings may be credited based on the achievement of performance metrics established by the Board of Directors on the first business day of the calendar year. The benefits under the NQDC Plan will be subject to the vesting schedule set forth in the participation agreement. Notwithstanding the vesting schedule, the account balance will become automatically 100% vested upon involuntary termination without cause, death, disability or a change in control.

In the event there is a separation from service other than due to “cause” (as defined in the NQDC Plan), death, disability or a change in control, participant’s will be entitled to the amount of their vested account balance under the NQDC Plan, payable within 60 days after separation from service. In the event a change in control occurs and the participant has an involuntary separation from service (other than for cause) or resigns for good reason, they will be entitled to benefits under the NQDC Plan, payable in a lump sum within 60 days after termination of employment, subject to the requirements of Section 409A of the Internal Revenue Code. If the participant dies while employed at the Bank or after their termination but during the payout period, their beneficiary will be paid a death benefit in a lump sum payment within 30 days after their death. The death benefit will be equal to their account balance at such time. In the event the participant becomes disabled while employed at the Bank, they will be paid a disability benefit in a lump sum within 30 days after the determination of their disability unless the participant elects another form of payment in their participation agreement. The disability benefit will be equal to their account balance as of the date of disability. Payment of benefits under the NQDC Plan are conditioned on the participant’s covenant to comply with non-compete, non-solicitation and non-disclosure provisions for a period of one year following separation from service.
