MISONIX, INC. (the "Company") previously reported that, as a result of an investigation being overseen by its Audit Committee related to deficiencies in the Company's internal control over financial reporting at June 30, 2016, the filing by the Company of its Annual Report on Form 10-K for the fiscal year ended June 30, 2016 would be delayed. This investigation, which includes an investigation of previously disclosed potential questions under the Foreign Corrupt Practices Act, is ongoing and, as a result, the filing of the Company's Quarterly Report on Form 10-Q for the fiscal quarter ended September 30, 2016 also will be delayed pending completion of the investigation. As a result of the foregoing, the Company will not be in a position to file its Quarterly Report on Form 10-Q within the 5-day extension period provided in Rule 12b-25(b). The Company is working diligently to resolve these matters and intends to file its Quarterly Report on Form 10-Q and its Annual Report on Form 10-K as promptly as reasonably practicable. Management currently believes that the Company will be in a position to file the aforementioned reports not later than January 31, 2017.
