FOR IMMEDIATE RELEASE

Alcan's Offer to Acquire Pechiney Cleared

by Department of Justice

Montreal, Canada - September 29, 2003

- Alcan Inc. [NYSE, TSX: AL] today announced that it has reached an agreement with the U.S. Department of Justice that clears its offer to acquire Pechiney [NYSE: PY, PARIS: PEC].

Under this agreement and a related consent decree, Alcan will divest Pechiney's aluminum rolling mill located in Ravenswood, West Virginia, following its acquisition of Pechiney. The agreement resolves the only competition issue raised by the Department of Justice, which involved the concentration of suppliers in the North American market for brazing sheet.

The consent decree was filed in U.S. District Court today and, as a result, the statutory waiting period under the U.S. Hart-Scott Rodino (HSR) Act will expire tonight.

"The agreement with the Department of Justice removes the final condition related to our tender offer for Pechiney," said Travis Engen, President and CEO of Alcan Inc. "We are pleased that, along with the clearances received from the French Conseil des Marchés Financiers and the Merger Task Force of the European Commission, the offer is now ready to be launched."

Alcan expects its offer documentation to be approved by the securities regulators in France and the U.S. in the coming days.

Alcan confirms that its commitments to the U.S. Department of Justice and the European Commission represent approximately five percent of the new entity's combined unaudited pro forma revenues.

Alcan is a multinational, market-driven company and a global leader in aluminum and packaging, as well as aluminum recycling with 2002 revenues of US\$12.5 billion. With world-class operations in primary aluminum, fabricated aluminum as well as flexible and specialty packaging, Alcan is well positioned to meet and exceed its customers' needs for innovative solutions and service. Alcan employs 54,000 people and has operating facilities in 42 countries.

Pursuant to article 7 of the COB Regulation no. 2002-04, this press release was remitted to the (French) Commission des operations de bourse prior to its release.
