The French

Conseil des Marchés Financiers (CMF) declares Alcan's Improved Offer Receivable

Montréal, Canada - September 29, 2003 -

Alcan Inc. [NYSE, TSX: AL] is pleased to acknowledge the decision of the Conseil des Marchés Financiers (CMF) declaring Alcan's improved offer for Pechiney [NYSE: PY, PARIS: PEC], filed last September 15, to be "receivable".

This decision follows upon constructive discussions held between the CMF and Alcan over the last few days. The dialogue has allowed Alcan to provide the CMF with the required explanations surrounding the terms of its improved offer, which was previously recommended for acceptance by Pechiney's Board of Directors, and to amend it in response to certain points raised by the CMF.

The receivability decision will allow the revised offer to be presented to the Pechiney shareholders, giving them access to terms substantially improved over Alcan's original offer as filed on July 7.

The terms of the improved offer can be found in the appendix that accompanies this news release.

Alcan is a multinational, market-driven company and a global leader in aluminum and packaging, as well as aluminum recycling with 2002 revenues of US\$12.5 billion. With world-class operations in primary aluminum, fabricated aluminum as well as flexible and specialty packaging, Alcan is well positioned to meet and exceed its customers' needs for innovative solutions and service. Final Terms of Alcan's Improved Offer

The improved tender offer filed by Alcan Inc. on September 15, 2003 as amended on September 29, 2003, has been approved today by the French *Conseil des Marchés Financiers*.

Alcan's revised offer is now as follows:

Alcan will exchange, for each Pechiney common share or 10 Pechiney Bonus Allocation Rights, a cash amount of 24.6 euros and a number of Alcan common shares equal to:

Alcan retains the option, subject to agreement of the presenting banks, to substitute an equivalent amount of cash in place of part or all of the Alcan common shares to be issued as consideration in the Offer, valued at the Average Value and not at the Reference Value.

Alcan's public tender offer on the OCEANE remains unchanged.

An Additional Price of 1 euro per Pechiney common share, 0.1 euro per Pechiney Bonus Allocation Right and 0.4 euro per Pechiney OCEANE may be paid by Alcan if the number of Pechiney securities tendered into the offer represents more than 95% of the fully diluted capital and voting rights of Pechiney.

By valuing Alcan common shares at the Average Value, the value of the Offer made to Pechiney shareholders shall be equal to 47.5 euros (increased, where applicable, by one euro of Additional Price) if the Average Value is between 27.4 euros and 38.16 euros. The value of the Offer could be lower than 47.5 euros if, on account of the evolution of the price of the Alcan common shares and of the US\$/€ exchange rate, the Average Value was lower than 27.4 euros. In the same manner, the value of the Offer could be greater than 47.5 euros if the Average Value were greater than 38.16 euros. On account of these changes, it is specified by way of example that:

- If the Average Value is equal to 45 euros, Pechiney shareholders shall receive, for each Pechiney common share tendered to the Offer, 24.6 euros in cash and a Share Component of the Offer of 0.6001 Alcan common share. In such case, the value of the Offer made to Pechiney shareholders shall be 51.6 euros (increased where applicable by 1 euro of additional price).
- If, in the above example, Alcan decided to replace part of the common shares by a cash amount of 3 euros valued at the Average Value, a Pechiney shareholder would receive 27.6 euros in cash (i.e., 24.6 euros plus 3 euros) but will only receive 0.5334 Alcan common share (i.e., 0.6001 minus the result of the division of 3 euros by the Average Value of 45 euros) instead of 0.6001 Alcan common share. One should note that in this example, the value of the Offer after substitution, on the basis of the Average Value, will remain equal to 51.6 euros.

The theoretical value of the Offer will not be affected by Alcan's decision to substitute part of all of the Share Component of the Offer by cash and this, regardless of the amount of such substitution.

It is specified that initial capitalized terms not otherwise defined in this press release shall have the meaning set forth in Alcan's press releases of September 15 and 18, 2003.
