at 4:00 p.m., at the Interlaken Inn, 74 Interlaken Road, Lakeville, Connecticut 06039, and at any and all adjournments thereof. Any Proxy given may be revoked at any time before it is actually voted on any matter in accordance with the procedures set forth on the Notice of Annual Meeting. This Proxy Statement and the enclosed form of Proxy are being mailed to shareholders (the "Shareholders") on or about April 4, 2005. The cost of preparing, assembling and mailing this Proxy Statement and the material enclosed herewith is being borne by the Company. In addition, proxies may be solicited by directors, officers and employees of the Company and the Bank personally by telephone or other means. The Company will reimburse banks, brokers, and other custodians, nominees, and fiduciaries for their reasonable and actual costs in sending the proxy materials to the beneficial owners of the Company's common stock (the "Common Stock").

If your shares are in a brokerage or fiduciary account, your broker or bank will send you a voting instructions form instead of a proxy card. Please follow the instructions on such form to instruct your broker or bank how to vote your shares. If you wish to attend the meeting and vote your shares in person, you must follow the instructions on the voting instructions form to obtain a legal proxy from your broker or bank.

### OUTSTANDING STOCK AND VOTING RIGHTS

The Board of Directors has fixed the close of business on March 4, 2005 as the record date (the "Record Date") for the determination of Shareholders entitled to notice of and to vote at this Annual Meeting. As of the Record Date, 1,682,401 shares of the Company's Common Stock (par value \$.10 per share) were outstanding and entitled to vote and held of record by approximately 742 Shareholders of Record, each of which shares is entitled to one vote on all matters to be presented at this Annual Meeting. Votes withheld, abstentions and broker non-votes are not treated as having voted in favor of any proposal and are counted only for purposes of determining whether a quorum is present at the Annual Meeting. Once a quorum is achieved, a plurality of votes cast is all that is necessary for the election of Directors.

A proxy card is enclosed for your use. YOU ARE SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS TO COMPLETE, DATE, SIGN AND RETURN THE PROXY CARD IN THE ACCOMPANYING ENVELOPE, which is postage-prepaid if mailed in the United States.

4

If the enclosed form of Proxy is properly executed and received by the Company in time to be voted at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Executed, but unmarked proxies will be voted "FOR" each of Proposals I and II discussed in this Proxy Statement. As of the date of this Proxy Statement, the Board of Directors and management do not know of any matters other than those described in the Notice of Annual Meeting that are to come before the Annual Meeting. If any other matters are properly brought before the Annual Meeting, the persons named in the proxy will vote the shares represented by such proxy upon such matters as determined by a majority of the Board of Directors.

6

There are seven (7) directorships on the Board of Directors which are up for election this year. The following individuals have been nominated to serve for a three (3) year term: John R. H. Blum, Louise F. Brown, Richard J. Cantele,

The Board of Directors of the Company met twelve (12) times during the year 2004, and has various committees including an Executive Committee, Human Resources and Compensation Committee, Nominating and Governance Committee and an Audit Committee. The members of the committees are appointed by the Board of Directors.

#### Executive Committee

The Executive Committee has general supervision over the affairs of the Company between meetings of the Board of Directors. The members of the Executive Committee include John R. H. Blum, Louise F. Brown, John F. Perotti, Walter C. Shannon, Jr., and Michael A. Varet. The Executive Committee did not meet separately from the Board during the year 2004.

## Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

2002, which is responsible for reviewing the Company's general compensation strategy; establishing salaries and reviewing benefit programs, including pensions and incentive compensation plans; and advising the Board of Directors and making recommendations with respect to such plans. The members of the Committee include Dana A. Bartholomew, Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet. The Committee met five (5) times during the year 2004.

### Nominating and Governance Committee

The Company established a Nominating and Governance Committee during the year 2002, which is responsible for assisting the Board of Directors in identifying and evaluating potential nominees for a Directorship, and recommending qualified nominees to the Board for consideration. The Nominating and Governance Committee selects the Director nominees to stand for election at the Company's Annual Meetings of Shareholders. A copy of the Company's written Nominating Committee Charter is available on the Company's web site at [www.salisburybank.com](http://www.salisburybank.com). In addition, the Nominating and Governance Committee's process for identifying and evaluating nominees for director, including nominees recommended by shareholders, has historically operated informally and without any differences in the manner in which nominees recommended by shareholders are evaluated. However, the Company's Bylaws provide that if the Committee or Board proposes a nominee age 72 or greater, then such nomination requires two-thirds approval by the full Board.

The Nominating and Governance Committee and the Board of Directors consider factors such as those summarized below in evaluating Director candidates and believe that the Company's Bylaws and Nominating Committee Charter and the qualifications and considerations such as those enumerated below provide adequate guidance and flexibility in evaluating candidates.

- o Sound business judgment and financial sophistication in order to understand the Company's financial and operating performance, and to provide strategic guidance to management.
- o Business management experience.
- o Integrity, commitment, honesty and objectivity.
- o A general familiarity with (i) prudent banking principles; (ii) bank operations/technology; (iii) pertinent laws, policies and regulations; (iv) markets and trends affecting the financial services industries; and (v) local economic and business opportunities.
- o Strong communication skills in order to function effectively with the Company's constituencies.
- o A financial interest in the Company as a shareholder, however, generally, candidates should not have relationships with the Company or the Bank which would disqualify the candidate from being considered independent.
- o Generally, candidates should be involved in philanthropic, education, business, or civic leadership positions.
- o Generally, candidates should be familiar with the geographic areas served by the Company.
- o Candidates should evidence a willingness and commitment to devote sufficient time and energy to prepare for and attend Board and Committee meetings and to diligently perform the duties and responsibilities of service as a Director.

## Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

- o Candidates should not have interests which conflict with those of the Company or the Bank.

The Company has not paid a fee to any third party or parties to identify or assist in identifying or evaluating potential nominees. The Board and Nominating and Governance Committee does not discriminate on the basis of sex, race, color, gender, national origin, religion or disability in the evaluation of candidates.

9

The members of the Nominating and Governance Committee are Louis E. Allyn, II, John R. H. Blum and Louise F. Brown. All such members are "independent" in accordance with the independence standards of the American Stock Exchange. The Committee met once (1) during the year 2004. All nominees for elections as directors at the 2005 Annual Meeting were nominated by the Nominating Committee and Board of Directors.

### Audit Committee

Subject to the Audit Committee Charter, attached hereto as Appendix A, the Audit Committee provides assistance to the Board of Directors in fulfilling its responsibility to the shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the Company, and the quality and integrity of the financial reports of the Company. In so doing, it is the responsibility of the Audit Committee to appoint the independent auditors for the Company and to maintain free and open means of communication between the directors, the independent auditors, the internal auditors, and the financial management of the Company.

The responsibilities of the Audit Committee are governed by the Company's Audit Committee Charter which was adopted by the Company's Board of Directors. Its members are Louis E. Allyn, II, Louise F. Brown, Nancy F. Humphreys, Holly J. Nelson and Michael A. Varet. The Audit Committee met seven (7) times during the year 2004. As of the date of this Proxy Statement, each of the members of the Audit Committee is an "independent director" in accordance with the listing standards of the American Stock Exchange. While no member of the Audit Committee qualifies as an "audit committee financial expert" as such term is defined by federal securities laws and regulations, the Board of Directors believes the members of the Audit Committee bring diverse educational, business and professional experience that is beneficial to the audit committee function of the Company and the Bank and enable the Audit Committee to fulfill its responsibility.

### Fees

-----

During 2004, each director received an annual retainer of \$4,000. This amount was prorated in cases involving new Directors. In addition, directors received \$500 for each Board of Directors meeting attended and \$250 for each committee meeting attended. Director Perotti received no additional compensation for his service as director or member of any Board committee during 2004. During 2001, the Board of Directors and Shareholders approved a Directors Stock Retainer Plan which, beginning in 2002, provides each non-employee director with up to 120 shares of restricted common stock as a component of their compensation.

### Director Attendance

-----

## Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

During 2004 no director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Company's Board of Directors which he/she was entitled to attend, and (2) the total number of meetings held by all committees of the Company's Board of Directors on which he/she served. The Company does not maintain an attendance policy for directors at the Company's Annual Meetings. All but one Director of the Company attended the Company's Annual Meeting on April 27, 2004.

### Board of Directors' Communications with Shareholders

-----

The Company's Board of Directors does not have a formal process for shareholders to send communications to the Board, however, the volume of such communications has historically been de minimus. Accordingly, the Board considers the Company's informal process to be adequate to address

10

the Company's needs. Historically, such informal process has functioned as follows: A Board recipient of a shareholder communication would forward same to the Chairman and Chief Executive Officer for appropriate discussion by the Board and the formulation of an appropriate response. Shareholders may forward written communications to the Board by addressing such comments to the Board of Directors of Salisbury Bancorp, Inc., 5 Bissell Street, P. O. Box 1868, Lakeville, Connecticut 06039.

### Human Resources and Compensation Committee Report

-----

The Human Resources and Compensation Committee (the "Compensation Committee") consists solely of independent Directors, in accordance with the AMEX Independence Standards. The full Board of Directors of the Company reviews and approves this Committee's recommendations.

The goal of this Committee is to more closely align performance with compensation. Recognizing that recruiting, retaining and rewarding top talent is essential to the ultimate success of the Company, the Committee is working on designing an incentive program that incorporates Bank-wide and individual goals and objectives.

A rigorous budget process setting clearly defined targets for Bank-wide performance and return for shareholder equity was the first task of the Committee. In addition, goals were established for Bank-wide and individual performance with methodology pre-determined for base salary increases and annual incentives in the form of a cash bonus (short term incentives). Developing appropriate long term incentives for key executive officers was also a task before the Committee for 2004.

The Company utilizes the services of a compensation consulting firm to assist the Committee in the development of this plan; to help establish clearly defined goals; to perform peer group analysis on different forms of compensation to ensure that the Bank's compensation levels remain competitive; and to inform the Committee of the myriad of long term incentives that are available in the Bank's peer group market place.

In establishing levels of remuneration, the Compensation Committee takes into consideration an individual's performance, level of expertise, responsibilities, length of service to the Company and comparable levels of remuneration paid to executives of other companies of comparable size and development within the industry. The individual interested executive does not

## Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

participate in the review, discussion or decisions of the Compensation Committee regarding this remuneration.

The Committee reviews the Chief Executive Officer's performance annually and adjusts his compensation based on the previously mentioned factors, the Bank's performance, and a comparison of the Chief Executive Officer's salary and the salaries paid to chief executive officers of peer companies in the banking industry. The Board has historically used the payment of bonus to reward the Chief Executive Officer's performance, which is based on an assessment of various factors such as financial performance, attainment of objectives and individual and Company-wide performance. The Chief Executive Officer does not participate in the review, discussion or decision of the Committee regarding his remuneration.

### Certain Business Relationships

-----

The Company and the Bank have had, and expect to have in the future, transactions in the ordinary course of business with certain directors, officers, principal shareholders and their associates on substantially the same terms as those available for comparable transactions with others.

## Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

John R. H. Blum is a member of the Board of Directors and an attorney engaged in the private practice of law. The Company has engaged Mr. Blum in past years and even though his services were not used in 2004, the Company may engage his services in 2005 in connection with certain legal matters.

### Indebtedness of Management and Others

-----

Some of the directors and executive officers of the Company and the Bank, as well as firms and companies with which they are associated, are or have been customers of the Bank, and as such, have had banking transactions with the Bank. As a matter of policy, loans to directors and executive officers are made in the ordinary course of business on substantially the same terms, including interest rates, collateral and repayment terms, as those prevailing at the time for comparable transactions with other persons and do not involve more than the normal risk of collectibility or present other unfavorable features.

Since January 1, 2004, the highest aggregate outstanding principal amount of all loans extended by the Bank to its directors, executive officers and all associates of such persons as a group was \$709,118, representing an aggregate principal amount equal to 1.71% of the equity capital accounts of the Bank.

Pension benefits are based upon average salary (determined as of each

January 1st) during the highest five (5) consecutive years of services prior to attaining normal retirement age. The amount of the annual benefit is 2% of Average Salary offset by .65% of the Social Security wage base per year of service (to a maximum of 25 years) plus one-half of 1% of Average Salary for each year of service over 25 years (to a maximum of ten years). This benefit formula may be modified to conform with changes in the pension laws. Internal Revenue Code Section 401 (a)(17) limits earnings used to calculate qualified plan benefits to \$205,000 for 2004. This limit was used in the preparation of this table.

The present average salary (using last five years of salary only) and years of service to date of Messrs. Perotti, Cantele, Foley, Lambert and Ms. Johnstone are: Mr. Perotti: \$227,216 with 32 years of service; Mr. Cantele: \$133,306 with 24 years of service; Mr. Foley: \$97,091 with 23 years of service; Mr. Lambert: \$123,369 with 3 years of service; and Ms. Johnstone: \$116,789 with 17 years of service. The above table shows estimated annual retirement benefits payable at normal retirement date as a straight life annuity for various average salary and service categories. The offset of social security was included in the table based on a participant being 65 years of age in 2004.

### Supplemental Retirement Arrangement

-----

In 1994, the Bank entered into a supplemental retirement arrangement (the "Supplemental Retirement Agreement") with John F. Perotti. Following disability or retirement at the earlier of the age of 65, or after thirty (30) years of service to the Bank, Mr. Perotti will receive monthly payments of \$1,250 (adjusted annually to reflect the lesser of a five percent (5%) increase or "The Monthly Consumer Price Index for All Urban Consumers, United States City Average, All Items" published by the Bureau of Labor Statistics) for a period of ten (10) years. These payments are in addition to any payments under the Bank's retirement plan. The Supplemental Retirement Agreement includes provisions that would prevent Mr. Perotti from working for a competitor in the proximity of the Bank.

### Directors Stock Retainer Plan

-----

The shareholders of the Company voted to approve the "Directors Stock Retainer Plan of Salisbury Bancorp, Inc." (the "Plan") at the 2001 Annual Meeting of Shareholders. The Plan provides non-employee directors of the Company with shares of restricted stock of the Company as a component of their compensation for services as non-employee directors. The maximum number of shares of stock that may be issued pursuant to the Plan shall not exceed 15,000. The first grant date under the plan was April 26, 2002. The "annual stock retainer" consisted of 120 shares of restricted common stock for each non-employee director who served for twelve months and a prorated number of shares to reflect the number of months served for any new non-employee director. The total number of restricted shares

14

issued was 840. The next grant date under this plan will immediately precede the 2005 Annual Meeting of Shareholders.

### Change in Control Agreements

-----

The Bank entered into change in control agreements in 2003 with the following Officers of the Bank: John F. Perotti, Richard J. Cantele, Jr., John

## Edgar Filing: SALISBURY BANCORP INC - Form DEF 14A

F. Foley, Todd M. Clinton, Diane E. R. Johnstone, Joseph C. Law, Lana J. Morrison, William C. Lambert, Sharon A. Pilz and Geoffrey A. Talcott. The agreements provide that if following a "change-in-control" of the Company or Bank, an Officer is terminated under certain defined circumstances, or is reassigned, within a period of twelve (12) months following the change in control, such Officer will be entitled to a lump sum payment equal to his or her twelve (12) month compensation based upon the most recent aggregate base salary paid to the Officer in the twelve (12) month period immediately preceding the date of change in control. In addition, the Bank entered into a change in control agreement in 2003 with Elizabeth Summerville, which provides that if following a "change in control" of the Company or Bank, the Officer is terminated under certain defined circumstances, or is reassigned, within a period of twelve (12) months following the change in control, such Officer will be entitled to a lump sum payment equal to her six (6) month compensation based upon the most recent aggregate base salary paid to the Officer in the twelve (12) month period immediately preceding the date of the change in control. In no event shall any such payments be made in an amount which would cause them to be deemed non-deductible to the Bank by reason of the operation of Section 280G of the Internal Revenue Code.

### 401(k) Plan

-----

The Bank offers a 401(k) profit sharing plan. This plan began in the year 2000. Each Plan Year, the Bank will announce the amount of the matching contributions, if any. The amount of the matching contributions is directly related to the employees' 401(k) salary deferral contribution. For the Plan Year that began January 1, 2002, all eligible participants received a matching contribution equal to fifty percent (50%) of their 401(k) salary deferral contribution to the Plan; however, it is limited to two percent (2%) of the plan compensation not to exceed \$4,100. The Plan expense was \$67,126 for 2004.

### Stock Price Performance Graph

-----

Set forth below is a line graph with an explanatory table comparing the yearly percentage change in the cumulative total shareholder return on the Company's Common Stock, based on the market price of the Company's Common Stock and assuming reinvestment of dividends, with the total return of the AMEX Major Market Index and the SNL Bank Index for Banks with total assets more than \$250 million and less than \$500 million. The calculation of total cumulative return assumes a \$100 investment in the Company's Common Stock and each of the other indices on December 31, 1999.
