LETTER TO THE BOARD OF DIRECTORS OF THE ISSUER

January 29, 2018

Board of Directors  
Antero Resources  
1615 Wynkoop Street  
Denver, CO 80202

Dear Members of the Board,

As you know, SailingStone Capital Partners has been a large owner of Antero Resources on behalf of its clients since 2014. We have been a patient and supportive long-term shareholder.

During this period of time, the management team of Antero Resources has created significant economic value by increasing per well recoveries, reducing costs, and prudently hedging production to support the company's capital spending program and firm transportation obligations.

Unfortunately, the economic value that has been created by the company over the last several years has not been recognized in the public equity market, and investors remain skeptical that Antero Resources will create much value in the future. This skepticism reflects, among other things, the company's current financial leverage, the continued focus on production growth, in lieu of other uses of capital, and the potential conflicts of interest that exist due to the ownership structure of Antero Midstream GP. As a result, the shares of Antero Resources trade at a discount to the value of the company's proved reserves using the futures strip and a 10% discount rate, and reflect no value for the company's vast acreage position and liquids-rich drilling inventory in the Marcellus Shale.

To-date, the company has done little to resolve the underlying causes of the share price weakness, nor has it attempted to take advantage of the company's depressed valuation in the public equity market. Nonetheless, we believe that there are a number of potential transactions that the Board of Directors could pursue which would both address investors' legitimate concerns and begin to close the significant gap that exists between the value of Antero Resources' shares and the underlying value of the company's assets.

We would like to meet with the Board of Directors to discuss potential strategic alternatives which, in our view, would allow the company to:

- 1) accelerate debt reduction
- 2) implement a material share repurchase program
- 3) eliminate potential conflicts of interest resulting from the current corporate structure, and
- 4) improve the ability of Antero to take advantage of future dislocations in the markets

We look forward to discussing our concerns and our ideas soon.

Sincerely,

SAILINGSTONE CAPITAL PARTNERS LLC

Ken Settles, Portfolio Manager MacKenzie Davis, Portfolio Manager
