THE BOC GROUP plc ANNOUNCEMENT RELEASED TO A REGULATORY INFORMATION SERVICE
ON 6 JUNE 2006
AT 16.33 HRS UNDER REF: PRNUK-0606061631-F96D

European Commission approves acquisition of The BOC Group by Linde AG

On 6 March 2006 Linde AG announced a pre-conditional offer for The BOC Group. The two pre-conditions to the bid were regulatory clearance from the European Commission and from the US competition authorities. The European Commission today announced that, subject to certain conditions that are acceptable to Linde, it has approved the acquisition of BOC by Linde, satisfying the first of these pre-conditions. Linde, supported by BOC, continues working with the anti-trust authorities in the US with a view to the offer being completed before the end of September 2006, in line with Linde's original timetable.

The European Commission's announcement can be found at:

<http://europa.eu/rapid/pressReleasesAction.do?reference=IP/06/737&format=HTML&aged=0&language=EN&guiLanguage=en>

The Offer announcement of 6 March 2006 stated that, if the pre-conditions had not been satisfied by 31 May 2006, BOC would be permitted to pay a second interim dividend to BOC shareholders, up to a maximum of 27 pence per BOC share. The amount of the second interim dividend will be equal to 3.375 pence per BOC share for each consecutive period of seven days (but shall not accrue for part of such period), commencing on 1 June 2006 and ending on the earlier of either 26 July 2006 or the date on which Linde announces the satisfaction of the pre-conditions. The board of The BOC Group will declare the amount of the second interim dividend and the timetable for payment following either the date when the pre-conditions have been satisfied or 26 July 2006, whichever is earlier.
