**Item Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim**  
**4.02. Review.**

On August 22, 2007, the management of PetroHunter Energy Corporation (the “Company”), in consultation with the Audit Committee of its Board of Directors and Hein & Associates LLP, its independent registered public accounting firm, determined that the unaudited financial statements for the three and six months ended March 31, 2007 included in the Company’s Quarterly Report on Form 10-Q for the quarter ended March 31, 2007, will be restated and should no longer be relied upon. The planned restatement relates to the relinquishment of six wells and the retroactive elimination of oil and gas revenues, and related costs and expenses for those wells, that had been recorded through March 31, 2007.

In February and March 2007, the Company received notice it was in default for failure to make timely payments of amounts due for drilling and completion operations, under the terms of a Joint Operating Agreement with an oil and gas operator (the “Operator”) and certain Well Participation and Farmout Agreements (the “Farmouts”) with a different third party oil and gas operator (the “Farmor”). On March 29, 2007, the Farmor notified the Company it was exercising its rights under the Farmouts to terminate the Farmouts and resume ownership of the working interests in six wells drilled on the farmout acreage. The Farmor refunded all amounts paid by the Company to drill the wells, and credited the Company for the remaining balance due to the Operator. The Company had recorded, through March 31, 2007, \$2,470,100 of oil and gas sales revenue, \$417,358 of lease operating and production tax expense and \$426,566 of depreciation, depletion and amortization from the six wells in which it had held a contractual interest.

Accordingly, the Company intends to file, as promptly as practicable, an amended Quarterly Report on Form 10-Q for the quarter ended March 31, 2007, to restate the financial statements for the three and six months ended March 31, 2007. The Company expects that the cumulative impact of the restatement will be an increase in the net loss and accumulated deficit of approximately \$1.626 million.

The Company’s management and Audit Committee discussed the above matters with Hein & Associates LLP.
