**GENERAL INFORMATION CONCERNING SOLICITATION AND VOTING**

This proxy statement and the accompanying proxy card and notice of annual meeting are provided in connection with the solicitation of proxies by and on behalf of the board of directors of Arbor Realty Trust, Inc., a Maryland corporation, for use at the annual meeting of stockholders to be held on May 23, 2006, at 1:00 p.m., local time, and any adjournments or postponements thereof. We, our, us, and the Company each refers to Arbor Realty Trust, Inc. The Company conducts substantially all of its operations through Arbor Realty Limited Partnership, which we refer to as our operating partnership, and its subsidiaries. References to operating partnership units refer to partnership interests in Arbor Realty Limited Partnership.

The mailing address of our executive office is 333 Earle Ovington Boulevard, Uniondale, New York 11553. This proxy statement, the accompanying proxy card and the notice of annual meeting are first being mailed to holders of our common stock, par value \$0.01 per share, and special voting preferred stock, par value \$0.01 per share, on or about April 26, 2006. Our common stock and special voting preferred voting stock are the only securities entitled to vote at the annual meeting, and we refer to those securities together as our voting securities. Along with this proxy statement, we are also sending our Annual Report to Stockholders for fiscal year ended December 31, 2005.

A proxy may confer discretionary authority to vote with respect to any matter presented at the annual meeting. As of the date of this proxy statement, management has no knowledge of any business that will be presented for consideration at the annual meeting and that would be required to be set forth in this proxy statement or the related proxy card other than the matters set forth in the Notice of Annual Meeting of Stockholders. If any other matter is properly presented at the annual meeting for consideration, it is intended that the persons named in the enclosed proxy card and acting thereunder will vote in accordance with their discretion on any such matter.

**Matters to be Considered at the Annual Meeting**

At the annual meeting, our stockholders will act upon:

(1) a proposal to elect three Class III directors, each to serve until the 2009 annual meeting of stockholders and until their respective successors are duly elected and qualify and to elect two Class I directors, to serve until the 2007 annual meeting of stockholders and until their successors are duly elected and qualify;

(2) a proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2006; and

(3) any other business that may properly come before the annual meeting or any adjournment or postponement of the annual meeting.

This proxy statement, form of proxy and voting instructions are being mailed starting on or about April 26, 2006.

**Solicitation of Proxies**

The enclosed proxy is solicited by and on behalf of our board of directors. The expense of preparing, printing and mailing this proxy statement and the proxies solicited hereby will be borne by the Company. In addition to the use of the mail, proxies may be solicited by officers and directors, without additional remuneration, by personal interview, telephone, telegraph or otherwise. The Company will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of voting securities held of record on April 18, 2006 and will provide reimbursement for the cost of forwarding the material. In addition, we have engaged The Altman Group to assist in soliciting proxies from brokers, banks and other nominee holders of our common stock at a cost of approximately \$5,000, plus reasonable out-of-pocket expenses.

**Table of Contents**

**Stockholders Entitled To Vote**

As of the close of business on April 18, 2006, there were 17,203,011 shares of our common stock and 3,776,069 shares of our special voting preferred stock outstanding and entitled to vote. Each share of our common stock and special voting preferred stock entitles the holder to one vote. Stockholders of record at the close of business on April 18, 2006 are entitled to vote at the annual meeting or any adjournment or postponement thereof.

**Required Quorum/ Vote**

A quorum will be present if stockholders entitled to cast a majority of all the votes entitled to be cast at the annual meeting are present, in person or by proxy. If you have returned a valid proxy or if you hold your shares of our voting securities in your own name as holder of record and you attend the annual meeting in person, your shares will be counted for the purpose of determining whether there is a quorum. If a quorum is not present, the annual meeting may be adjourned by the chairman of the meeting or the stockholders entitled to vote at the annual meeting, present in person or by proxy, to a date not more than 120 days after the record date without notice other than announcement at the meeting.

Abstentions and broker non-votes will be counted in determining the presence of a quorum. Broker non-votes occur when a bank, broker or other nominee holding shares for a beneficial owner does not vote on a particular proposal because it does not have discretionary voting power for that particular item and has not received instructions from the beneficial owner. Under the rules of the New York Stock Exchange, banks, brokers and other nominees who hold shares in street name may have the authority to vote on certain matters when they do not receive instructions from beneficial owners. Banks, brokers and other nominees that do not receive instructions are entitled to vote on the election of directors and the ratification of the appointment of the independent registered public accounting firm.

Election of the director nominees named in Proposal No. 1 requires the affirmative vote of a plurality of the votes cast in the election of directors at the annual meeting by holders of our voting securities. The candidates receiving the highest number of affirmative votes of the shares entitled to be voted will be elected directors. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the board of directors nominees named in Proposal No. 1. Votes may be cast in favor of or withheld with respect to all of the director nominees, or any of them. Broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote on the election of directors. Stockholders may not cumulate votes in the election of directors. A vote withheld from a director nominee will have no effect on the outcome of the vote because a plurality of the votes cast at the annual meeting is required for the election of each director.

Ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2006, as specified in Proposal No. 2, requires the affirmative vote of a majority of the votes cast on the proposal at the annual meeting by holders of our voting securities. If this selection is not ratified by holders of our voting securities, the audit committee and board may reconsider its appointment and endorsement, respectively. Abstentions and broker non-votes, if any, will not be counted as having been voted and will have no effect on the outcome of the vote for this proposal. Even if the selection is ratified, the audit committee of the Company's board of directors in its discretion may direct the appointment of different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

If the enclosed proxy is properly executed and returned to us in time to be voted at the annual meeting, it will be voted as specified on the proxy unless it is properly revoked prior thereto. If no specification is made on the proxy as to any one or more of the proposals, the shares of our voting securities represented by the proxy will be voted as follows:

- (1) **FOR** the election of three Class III directors, each to serve until the 2009 annual meeting of stockholders and until their respective successors are duly elected and qualify and the election of two

**Table of Contents**

Class I directors, to serve until the 2007 annual meeting of stockholders and until their successors are duly elected and qualify;

(2) **FOR** the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal year 2006; and

(3) in the discretion of the proxy holder on any other business that properly comes before the annual meeting or any adjournment or postponement thereof.

As of the date of this proxy statement, we are not aware of any other matter to be presented at the annual meeting.

**Voting**

If you hold your shares of our voting securities in your own name as a holder of record, you may instruct the proxies to vote your shares by signing, dating and mailing the proxy card in the postage-paid envelope provided. In addition, you may vote your shares of our voting securities in person at the annual meeting.

If your shares are held on your behalf by a broker, bank or other nominee, you will receive instructions from such individual or entity that you must follow in order to have your shares voted at the annual meeting.

**Right to Revoke Proxy**

If you hold shares of our voting securities in your own name as a holder of record, you may revoke your proxy instructions through any of the following methods:

send written notice of revocation, prior to the annual meeting, to our General Counsel and Corporate Secretary, at 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York 11553;

sign and mail a new, later dated proxy card to our General Counsel and Corporate Secretary at the address specified above; or

attend the annual meeting and vote your shares in person.

If your shares are held on your behalf by a broker, bank or other nominee, you must contact it to receive instructions as to how you may revoke your proxy instructions.

**Copies of Annual Report to Stockholders**

A copy of our Annual Report to Stockholders for fiscal year ended December 31, 2005 will be mailed to stockholders entitled to vote at the annual meeting with this proxy statement and is also available without charge to stockholders upon written request to: Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, Attn: *Investor Relations*.

**Confidentiality of Voting**

We will keep all proxies, ballots and voting tabulations confidential. We will permit only our Inspector of Election, American Stock Transfer & Trust Company, to examine these documents.

**Recommendations of the Board of Directors**

The board of directors recommends a vote:

(1) **FOR** the election of three Class III directors, each to serve until the 2009 annual meeting of stockholders and until their respective successors are duly elected and qualify and the election of two Class I directors, to serve until the 2007 annual meeting of stockholders and until their successors are duly elected and qualify; and

**Corporate Governance Profile**

We are committed to good corporate governance practices and, as such, we have adopted formal corporate governance guidelines to enhance our effectiveness. The guidelines govern, among other things, board member qualifications, responsibilities, education and management succession. A copy of the corporate governance guidelines may be found at the corporate website at [www.arborrealtytrust.com](http://www.arborrealtytrust.com) under the heading Investor Relations Corporate Governance.

The board of directors met on eight occasions and acted by written consent on 13 occasions during 2005.

***Senior Officer Code of Ethics and Code of Business Conduct and Ethics***

We have adopted a senior officer code of ethics applicable to our Chief Executive Officer, Chief Financial Officer, Chief Credit Officer and Controller (or persons performing similar functions to the aforementioned officers regardless of whether such persons (1) are employed directly by the Company or (2) are employed by Arbor Commercial Mortgage, our manager pursuant to a management agreement). We have also adopted a code of business conduct and ethics applicable to all employees, officers and directors. Both codes are available on our website at [www.arborrealtytrust.com](http://www.arborrealtytrust.com) under the heading Investor Relations Corporate Governance. You may also obtain these documents free of charge by writing the Company at 333 Earle Ovington Boulevard, Uniondale, New York, 11553: Attention: Investor Relations. Amendments to, and waivers from, the senior officer code of ethics and the code of business conduct and ethics for a director or officer will be disclosed at the same website address and heading provided above.

***Director Independence***

Of our nine directors, five have been determined by our board of directors to be independent for purposes of the New York Stock Exchange listing standards. In determining director independence, the board of directors reviewed, among other things, whether any transactions or relationships exist currently or, since our incorporation existed, between each director and the Company and its subsidiaries, affiliates and equity investors or independent registered public accounting firm. In particular, the board reviewed current or recent

**Table of Contents**

business transactions or relationships or other personal relationships between each director and the Company, including such director's immediate family and companies owned or controlled by the director or with which the director was affiliated. The purpose of this review was to determine whether any such transactions or relationships failed to meet any of the objective tests promulgated by the New York Stock Exchange for determining independence or were otherwise sufficiently material as to be inconsistent with a determination that the director is independent.

The board also examined whether there were any transactions or relationships between each director and members of the senior management of the Company or their affiliates. In reviewing the independence of Dr. Helmreich, the board carefully reviewed whether (1) Mr. Kaufman's and Dr. Helmreich's current and prior participation on the boards of North Shore Hebrew Academy, North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc., all of which are not-for-profit organizations, (2) Dr. Helmreich's engagement since the summer of 2000 as an external consultant by North Shore Hebrew Academy in the capacity of chairman of Academic Affairs of North Shore Hebrew Academy and (3) Dr. Helmreich's prior receipt of consulting fees from Arbor Management, LLC should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Dr. Helmreich is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved, the compensation and timing of Dr. Helmreich's advisory role with North Shore Hebrew Academy and Arbor Management, LLC and the absence of any employment or compensatory capacity by Dr. Helmreich with NSH Affordable Housing of Indiana, Inc. In reviewing the independence of Mr. Kojaian, the board carefully reviewed whether Mr. Kaufman and Mr. Kojaian's proposed co-investment in an operating company and Mr. Kojaian's investment in 1,000,000 shares of common stock of the Company through Kojaian Ventures, L.L.C., should, based upon the totality of the circumstances, be deemed to be material so as to preclude a finding that Mr. Kojaian is independent. The board, in particular, reviewed the materiality of the transactions to the parties involved.

As a result of its review, the board affirmatively determined that Messrs. Kojaian, Lazar, Dr. Dykes, Dr. Helmreich and Ms. Edwards were independent under the New York Stock Exchange listing standards.

***Director Compensation***

Each of our independent directors is paid a director's fee of \$25,000 per year. Each independent director who serves as chairman of the audit committee is paid an additional fee of \$10,000 per year, each independent director who serves as chairman of the compensation committee is paid an additional fee of \$5,000 per year and each independent director who serves as chairman of the nominating/corporate governance committee is paid an additional fee of \$3,000 per year. Each independent director is also paid a fee of \$1,000 for each telephone board or committee meeting that he attends. In addition, we reimburse all directors for reasonable out of pocket expenses incurred in connection with their services on the board of directors.

Two-thirds of the restricted stock granted to each of these directors vested immediately upon the date of grant and the remaining one-third will vest ratably over three years from the date of grant at a rate of 33.33% on each of the subsequent three anniversary dates of the date of grant. On February 2, 2005, Messrs. Kojaian, Lazar and Dr. Helmreich each received 1,000 restricted shares of our common stock. Our board of directors may from time to time establish certain other committees to facilitate the management of the Company.

***Audit Committee***

Mr. Lazar currently serves as chairman of the audit committee. The audit committee is governed by a charter that has been adopted by the board of directors.

reports thereon to the board. The nominating/corporate governance committee is governed by a charter that has been adopted by the board of directors.

*Independent Director Committee*

Our board of directors has established an independent director committee, which is composed of three of our independent directors, Messrs. Kojaian and Lazar and Dr. Helmreich. During 2005, the independent director committee met on one occasion and met in executive session on several additional occasions. The independent director committee is responsible for, among other things, considering and voting upon matters as to which the board of directors determines Arbor Commercial Mortgage or its affiliates (other than the Company or its subsidiaries) or any of our directors (other than an independent director) or officers has a conflict of interest, including the approval of transactions between the Company and Arbor Commercial Mortgage. The individual who serves as the chair of the independent director committee rotates each year among the chairs (if such chair is not a member of management) of the committees of the board of directors.

*Stockholder Communications with Directors*

The board of directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the board by mail. To communicate with the board of directors, any individual director or any group or committee of directors, correspondence should be addressed to the board of directors or any such individual director or group or committee of directors by either name or title. All such correspondence should be sent in care of General Counsel and Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553.

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel and Corporate Secretary for the sole purpose of determining whether the contents represent a message to our directors. Any contents that are not in the nature of advertising, promotions of a product or service or patently offensive material will be forwarded promptly to the addressee. In the case of communications to the board or any group or committee of directors, the office of the General Counsel and Corporate Secretary will make sufficient copies of the contents to send to each director who is a member of the group or committee to which the envelope is addressed.

*Director Nomination Procedures*

The nominating/corporate governance committee generally believes that, at a minimum, candidates for membership on the board of directors should have demonstrated an ability to make a meaningful contribution to the board of directors oversight of our business and affairs and have a record and reputation for honest and ethical conduct. The nominating/corporate governance committee recommends director nominees to the board of directors based on, among other things, its evaluation of a candidate's experience, knowledge, skills, expertise, integrity, ability to make independent analytical inquiries, understanding of our business environment and a willingness to devote adequate time and effort to board responsibilities. In making its recommendations to the board of directors, the nominating/corporate governance committee also seeks to have the board nominate candidates who have diverse backgrounds and areas of expertise so that each member can offer a unique and valuable perspective.

In the future, the nominating/corporate governance committee intends to identify potential nominees by asking current directors and executive officers to notify the committee if they become aware of persons who meet the criteria described above, especially business and civic leaders in the communities in which we operate. The nominating/corporate governance committee also, from time to time, may engage firms, at our

## **Table of Contents**

expense, that specialize in identifying director candidates. As described below, the nominating/corporate governance committee will also consider candidates recommended by stockholders.

The nominating/corporate governance committee anticipates that once a person has been identified by the committee as a potential candidate, the committee will collect and review publicly available information regarding the person to assess whether the person should be considered further. If the nominating/corporate governance committee determines that the candidate warrants further consideration, the chairman or another member of the committee will contact the person. If the person expresses a willingness to be considered and to serve on the board of directors, the nominating/corporate governance committee will request information from the candidate, review the person's accomplishments and qualifications, including in light of any other candidates that the committee might be considering and conduct one or more interviews with the candidate. In certain instances, members of the nominating/corporate governance committee may contact one or more references provided by the candidate or may contact other members of the business community or other persons that may have greater first-hand knowledge of the candidate's accomplishments.

In addition to stockholder proposals of director nominees submitted in accordance with our bylaws, as summarized below under Stockholder Proposals for 2007, the nominating/corporate governance committee will consider written recommendations from stockholders of potential director candidates. Such recommendations should be submitted to the nominating/corporate governance committee in care of General Counsel and Corporate Secretary at Arbor Realty Trust, Inc., 333 Earle Ovington Boulevard, Suite 900, Uniondale, New York, 11553. Director recommendations submitted by stockholders should include the following:

the name, age, business address and residence address of the individual(s) recommended for nomination;

the class, series and number of any shares of our stock that are beneficially owned by the individual(s) recommended for nomination;

the date such shares of our stock were acquired by the individual(s) recommended for nomination and the investment intent of such acquisition; and

all other information relating to such candidate that would be required to be disclosed pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended (the Exchange Act), including such person's written consent to being named in the proxy statement as a nominee and to serving as a director if elected.

The stockholder recommendation and information described above must be delivered to the General Counsel and Corporate Secretary not earlier than the 120th day and not later than the close of business on the 90th day prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting of stockholders; provided, however, that if the date of mailing of the notice for the annual meeting is advanced more than thirty days prior to or delayed by more than thirty days after the anniversary of the mailing of the notice for the preceding year's annual meeting, the stockholder recommendation and information described above must be delivered not earlier than the 120th day prior to the mailing of the notice for the upcoming annual meeting and not later than the close of business on the later of (1) the 90th day prior to the mailing of the notice for the upcoming annual meeting of stockholders and (2) the 10th day following the date on which public announcement of the mailing of the notice for the upcoming annual meeting is first made.

The nominating/corporate governance committee expects to use a similar process to evaluate candidates to the board of directors recommended by stockholders as the one it uses to evaluate candidates otherwise identified by the committee.

### ***Director Attendance at Annual Meeting***

We do not currently maintain a policy requiring our directors to attend the annual meeting; however, attendance by our directors is encouraged. All of our directors who were directors at the time of the 2005 annual meeting attended the 2005 annual meeting.

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in Arbor's Annual Report on Form 10-K for the year ended December 31, 2005 for filing with the SEC.

**Table of Contents****EXECUTIVE COMPENSATION**

Because our management agreement provides that our manager, Arbor Commercial Mortgage, assumes principal responsibility for managing our affairs, certain of our executive officers, who are employees of our manager, do not receive compensation from us for serving as our executive officers. However, in their capacities as officers or employees of our manager or its affiliates, they devote such portion of their time to our affairs as is required for the performance of the duties of our manager under the management agreement. Mr. Ivan Kaufman, our chairman of the board of directors, president and chief executive officer, serves as the chief executive officer of Arbor Commercial Mortgage. Mr. Paul Elenio, our chief financial officer, also serves as chief financial officer of our manager. Each of Messrs. Kaufman and Elenio receives his compensation from our manager. Our manager has informed us that, because the services to be performed by its officers or employees in their capacities as such is not performed exclusively for us, it cannot segregate and identify that portion of the compensation awarded to, earned by or paid to our executive officers by the manager that relates solely to their services to us.

**Management Agreement**

Since we currently employ only four executive officers and 20 employees in total, we rely to a significant extent on the facilities and resources of our manager to conduct our operations. For performing services under the management agreement, Arbor Commercial Mortgage receives a base management fee and incentive compensation based on our performance. Our manager uses the proceeds from its base management fee in part to pay compensation to its officers and employees who, notwithstanding that some of them are also our officers, receive no direct compensation from us, other than restricted stock that may be granted pursuant to our Stock Incentive Plan. Our compensation committee will evaluate annually the fees paid to our manager in light of its performance.

**Base Management Fee**

Our manager receives an annual base management fee based on the equity (as defined in the management agreement) of our operating partnership. The amount of the base management fee does not depend on the performance of the services provided by our manager or the types of assets its selects for our investment, but the value of our operating partnership's equity will be affected by the performance of these assets. The base management fee is payable monthly in arrears in cash, calculated monthly as a percentage of our equity and equal to 0.75% per annum of the equity up to \$400 million, 0.625% per annum of the equity between \$400 million and \$800 million and 0.50% per annum of the equity in excess of \$800 million. We incurred \$2.5 million in base management fees to Arbor Commercial Mortgage for management services rendered for the year ended December 31, 2005. All amounts incurred have been paid to date.

**Incentive Compensation**

Our manager is entitled to receive incentive compensation in installments each fiscal quarter in an annual amount equal to the product of:

(1) 25% of the dollar amount by which:

the sum of: (i) our operating partnership's Funds From Operations (as determined in accordance with the management agreement) for such quarter and (ii) gains (or losses) from debt restructuring and sales of property per operating partnership unit (as determined in accordance with the management agreement) for such quarter; exceeds

the product of (i) the weighted average (based on shares of our common stock and operating partnership units) of (a) the per operating partnership unit book value of the net assets contributed by Arbor Commercial Mortgage, (b) the \$15.00 offering price per share of our common stock in our private placement of units in July 2003, (c) the offering price per share (including shares of common stock issued upon exercise of warrants or options) of any subsequent offerings by us of our common stock (adjusted for any prior capital dividends or distributions), and (d) the issue price per operating partnership unit for subsequent contributions to our

**Table of Contents**

operating partnership, and (ii) the greater of (x) 9.50% per annum and (y) the Ten Year U.S. Treasury Rate plus 3.50% per annum; multiplied by

(2) the weighted average number of our operating partnership units outstanding, including operating partnership units issued to us equal to the number of shares of our common stock issued by us.

Subject to the ownership limitations in our charter, at least 25% of this incentive compensation is payable to our manager in shares of our common stock having a value equal to the average closing price per share for the last twenty days of the fiscal quarter for which the incentive compensation is being paid. For the year ended December 31, 2005, our manager earned a total of \$9.9 million of incentive compensation and elected to receive it partially in cash totaling \$4.4 million and partially in 205,069 shares of common stock. The incentive compensation is measured over a full fiscal year, subject to recalculation and potential reconciliation at the end of each fiscal year.

**Employee Executive Compensation**

The following table sets forth the total compensation amounts paid to our chief executive officer and each of our other executive officers who were directly employed and compensated by us for the years ending December 31, 2005, 2004 and 2003.

**COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION**

The following report of the compensation committee (the Compensation Committee) of the board of directors (the Board of Directors) of Arbor Realty Trust, Inc., a Maryland corporation (Arbor or the Company), does not constitute soliciting material and should not be considered filed or incorporated by reference into any other filing by the Company under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent the Company specifically incorporates this report by reference therein.

The following report describes Arbor's compensation policy, practice and philosophy, specifically regarding Arbor's chief executive officer and directly compensated executive officers. We, the members of the Compensation Committee, are presenting this report, which provides an overview of compensation paid to executive officers for fiscal year ended December 31, 2005.

***Committee Membership and Organization***

The Compensation Committee currently consists of Messrs. Kojanian (Chair) and Lazar and Dr. Helmreich. The Board of Directors has determined that the members of the Compensation Committee meet (1) the independence requirements of the New York Stock Exchange, (2) the non-employee director definition of Rule 16b-3 promulgated under Section 16 of the Exchange Act and (3) the outside director definition in Section 162(m) of the Internal Revenue Code.

***Purpose***

The principal functions of the Compensation Committee are to:

evaluate the performance of Arbor's officers;

review the compensation payable to Arbor's officers and non-employee directors;

evaluate the performance of Arbor Commercial Mortgage, LLC, Arbor's outside manager;

review the compensation and fees payable to Arbor Commercial Mortgage under Arbor's management agreement; and

administer the issuance of any stock to Arbor's employees or the employees of Arbor Commercial Mortgage who provide services to Arbor.

***Compensation Philosophy***

The key components of compensation for Arbor's directly employed executive officers and chief executive officer are salary, bonuses and restricted stock awards. Salary is generally based on factors such as an individual officer's level of responsibility, comparison to compensation of other officers in the Company and compensation provided at competitive companies and companies of similar size. Bonuses and restricted stock awards are intended to reward exceptional performances. Benchmarks for determining base salary and bonus levels include targeted funds from operations levels, strength of the balance sheet and creation of stockholder value. Restricted stock awards are also intended to increase an officer's interest in the Company's long-term success as measured by the market and book value of Arbor's common stock.

Arbor's chief executive officer makes recommendations to the Compensation Committee with respect to the compensation of all Arbor's directly-employed executive officers. In addition, the Compensation Committee bases its decisions on the most recent publicly available compensation data for senior executive officers of comparable real estate investment trusts, as well as various compensation studies and surveys, to ensure that compensation packages are in line with the Company's peer group and the real estate industry in general. While benchmarks and comparative market data are valuable tools to assist the Compensation Committee in setting reasonable and fair compensation for its directly-employed executive officers, the stated philosophy of the Company's executive compensation program is to recognize individual contributions to the

**Table of Contents**

performance of the Company and to create a link between the performance of the Company's stock and executive compensation.

The base salary of Arbor's directly employed executive officers was negotiated at the time each of those officers joined the Company. The Compensation Committee approves changes to those executive officer's base salary. The Compensation Committee considers individual performance, scope of responsibility, prior experience, breadth of knowledge and competitive pay practices. The weight given to each of these factors differs from individual to individual, as the Compensation Committee deems appropriate.

***Chief Executive Officer Compensation***

Because Arbor's management agreement with Arbor Commercial Mortgage provides that Arbor Commercial Mortgage assumes principal responsibility for managing the Company's affairs, certain of Arbor's executive officers, who are employees of its manager, do not receive compensation from the Company for serving as its executive officers. However, in their capacities as officers or employees of Arbor's manager, or its affiliates, they devote such portion of their time to Arbor's affairs as is required for the performance of the duties of the Company's manager under the management agreement. Mr. Ivan Kaufman, Arbor's chairman of the board of directors, president and chief executive officer serves as the chief executive officer of Arbor Commercial Mortgage. Accordingly, Mr. Kaufman receives his compensation from Arbor's manager.

Dr. Helmreich has been retained as a part-time consultant in the capacity of chairman for Academic Affairs by North Shore Hebrew Academy since 2000. Prior to 2000, Dr. Helmreich was the president of North Shore Hebrew Academy. This loan was extended for one year with no other change in terms. The loan was made to NSH Affordable Housing of Indiana, a not-for-profit corporation that holds and manages investment property from the endowment of North Shore Hebrew Academy High School. Each of Mr. Kaufman and Dr. Helmreich are members of the board of trustees of North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc.

Concurrently with our initial public offering in April 2004, we sold 500,000 shares of our common stock to Kojaian Ventures, L.L.C., of which the sole members are Mr. Kojaian and Kojaian Ventures MM, Inc., of which Mr. Kojaian is the sole stockholder, pursuant to a subscription agreement with Kojaian Ventures, L.L.C. that contained certain customary representations and warranties. On August 25, 2005, Mr. Kojaian, through Kojaian Ventures, L.L.C., purchased an additional 500,000 shares of our common stock in the open market.

**Formation Transactions*****Asset Contribution and Guaranty***

Arbor Commercial Mortgage contributed the majority of its structured finance portfolio to our operating partnership pursuant to a contribution agreement. The contribution agreement contains representations and warranties concerning the ownership and terms of the structured finance assets it contributed and other customary matters. Arbor Commercial Mortgage agreed to indemnify us and our operating partnership against breaches of those representations and warranties.

At the time of Arbor Commercial Mortgage's origination of three investments that it contributed to us on July 1, 2003, each of the property owners granted Arbor Commercial Mortgage participating interests that share in a percentage of the cash flows of the underlying properties. Arbor Commercial Mortgage also made one of the contributed bridge loans to a joint venture in which it had a 50% non-controlling interest. Upon contribution of the structured finance assets, Arbor Commercial Mortgage retained these participating and joint venture interests. In connection with its asset contribution, Arbor Commercial Mortgage agreed that if any portion of the outstanding amount of any of these four contributed assets is not paid at its maturity or repurchase date, Arbor Commercial Mortgage will pay us, subject to the limitation described below, the portion of the unpaid amount of the contributed asset up to the total amount then received by Arbor Commercial Mortgage due to the realization of any profits on its retained interests associated with any other of the four contributed assets. Arbor Commercial Mortgage will no longer be obligated to make such payments to us when the remaining accumulated principal amount of the four contributed assets, collectively, falls below \$5 million and none of the four contributed assets is in default. In 2004 and 2005, these four investments

matured, the borrowers paid the amounts due in full, and Arbor Commercial Mortgage's guarantee on these investments have been satisfied.

***Arbor Commercial Mortgage Registration Rights***

We have granted Arbor Commercial Mortgage shelf registration rights, or, if such rights are not available, demand registration rights with respect to shares of our common stock that may be issued upon redemption of operating partnership units. Holders of our operating partnership units are entitled to participate in primary or secondary offerings of our common stock with respect to such shares. We have also agreed to certain restrictions on the registration rights that we may grant to any other holder or prospective holder of our securities without the prior written consent of the holders of the majority of the shares of common stock and common stock equivalents representing or underlying the then outstanding securities that are registrable under the registration rights agreements.

***Special Voting Preferred Stock***

Each of the 3,776,069 operating partnership units currently held by Arbor Commercial Mortgage are paired with one share of our special voting preferred stock, each of which entitles the holder to one vote on all matters submitted to a vote of our stockholders. Combined with its ownership of shares of our common stock, Arbor Commercial Mortgage is currently entitled to a number of votes representing approximately 19.3% of the voting power of our outstanding voting securities.

***Management and Services Agreements***

We and our operating partnership have entered into a management agreement with Arbor Commercial Mortgage, pursuant to which Arbor Commercial Mortgage provides for the day to day management of our operations. Arbor Commercial Mortgage is also required to provide us with a right of first refusal with respect to all structured finance investment opportunities identified by Arbor Commercial Mortgage or its affiliates. We have agreed not to pursue, and to allow Arbor Commercial Mortgage to pursue, any real estate opportunities other than structured finance transactions. We are required to pay Arbor Commercial Mortgage a base management fee and an incentive management fee, as well as reimburse Arbor Commercial Mortgage for certain of its expenses. We incurred \$2.5 million in base management fees to Arbor Commercial Mortgage for management services rendered for the year ended December 31, 2005. All amounts incurred have been paid to date. Our manager earned \$9.9 million in incentive compensation for the year December 31, 2005.

We and our operating partnership have also entered into a services agreement with Arbor Commercial Mortgage pursuant to which our asset management group provides asset management services to Arbor Commercial Mortgage. In the event that the services provided by our asset management group pursuant to the agreement exceed by more than 15% per quarter the level of activity anticipated by our board of directors, we will negotiate in good faith with our manager an adjustment to our manager's base management fee under the management agreement, to reflect the scope of the services, the quantity of serviced assets or the time required to be devoted to the services by our asset management group. As of December 31, 2005, there have been no such adjustments pursuant to the services agreement.

***Non-Competition Agreement***

We have entered into a non-competition agreement with Mr. Kaufman pursuant to which he has agreed not to pursue any structured finance opportunities, unless our independent board members affirmatively approve the pursuit by Arbor Commercial Mortgage or one of its affiliates of such opportunities that they have rejected on our behalf.

Pursuant to his non-competition agreement with us, Mr. Kaufman has also agreed:

Mr. Kaufman's non-competition agreement also prohibits Mr. Kaufman from soliciting our customers or employees during its term.

***Benefits Participation Agreement***

We have also entered into a benefits participation agreement with Arbor Commercial Mortgage, pursuant to which our employees are able to participate in any employee benefit plans maintained by Arbor Management for the benefit of Arbor Commercial Mortgage employees. Arbor Management charges us an amount equal to its cost of providing benefits to each of our employees.

***Related Party Loans and Investments***

Arbor Commercial Mortgage has a 50% non-controlling interest in a joint venture, which was formed to acquire, develop and/or sell real estate assets. In 2005, Arbor Commercial Mortgage received all of its investment in this joint venture and retained its interest in the joint venture. All loans outstanding to this joint venture were repaid in full in 2004. At December 31, 2003, we had a \$16 million bridge loan outstanding to the joint venture, which was collateralized by a first lien position on a commercial real estate property. This loan was funded by Arbor Commercial Mortgage in June 2003 and was purchased by us in July 2003. The loan required monthly interest payments based on one month London Inter-Bank Offered Rate ( LIBOR ) and was repaid in full in 2004. We had agreed to provide the borrower with additional mezzanine financing in the amount of up to \$8.0 million. The mezzanine financing required interest payments based on one month LIBOR and was repaid in full in 2004.

At the time of Arbor Commercial Mortgage's origination of three of the structured finance assets that it contributed to us on July 1, 2003 at book value, which approximates fair value, each of the property owners related to these contributed assets granted Arbor Commercial Mortgage participating interests that share in a percentage of the cash flows of the underlying properties. Upon contribution of the structured finance assets, Arbor Commercial Mortgage retained these participating interests and its 50% non-controlling interest in the joint venture to which it had made the \$16.0 million bridge loan. Arbor Commercial Mortgage agreed that if any portion of the outstanding amount of any of these four contributed assets is not paid at its maturity or repurchase date, Arbor Commercial Mortgage will pay to us, subject to the limitation described below, the portion of the unpaid amount of the contributed asset up to the total amount then received by Arbor Commercial Mortgage due to the realization of any profits on its retained interests associated with any other of the four contributed assets (which had an aggregate balance of \$22.3 million \$48.3 million as of December 31, 2004 and 2003, respectively). However, Arbor Commercial Mortgage will no longer be obligated to make such payments to us when the remaining accumulated principal amount of the four contributed assets, collectively, falls below \$5 million and none of the four contributed assets are in default. In 2004 and 2005, these four investments matured, the borrowers paid the amounts due in full, and Arbor Commercial Mortgage's guarantee on these investments have been satisfied.

In 2005, Arbor Commercial Mortgage received a brokerage fee for services rendered in arranging a loan facility for a borrower. We provided a portion of the loan facility. We were credited \$0.4 million of this brokerage fee, which was included in other income.

As of December 31, 2005 and 2004, \$0.2 million and \$0.6 million, respectively, of escrows received at loan closing were due to Arbor Commercial Mortgage and included in due to related party. These payments

were remitted in January 2006 and January 2005, respectively. In addition, as of December 31, 2005, approximately \$0.1 million of net expenses due from Arbor Commercial Mortgage were included in due to related party. These payments were remitted in January 2006. Also as of December 31, 2004, approximately \$0.3 million of interest income payments from borrowers due from Arbor Commercial Mortgage were included in due to related party. These payments were remitted in January 2005.

Every transaction entered into between us and an entity in which Arbor Commercial Mortgage holds equity interests raises a potential conflict of interest. Conflicts of interest with respect to these investments include, among others, decisions regarding (1) whether to waive defaults of such borrower, (2) whether to foreclose on the investment and (3) whether to permit additional financing on the properties securing our investments other than financing provided by us.

As of December 31, 2005, we had a \$7.75 million first mortgage loan receivable that bore interest at a variable rate of one month LIBOR plus 4.25% and was scheduled to mature in March 2006. This loan was extended for one year with no other change in terms. This loan was made to NSH Affordable Housing of Indiana, a not-for-profit corporation that holds and manages investment property from the endowment of North Shore Hebrew Academy High School. Two of our directors, Mr. Kaufman and Dr. Helmreich, are members of the board of trustees of North Shore Hebrew Academy High School and NSH Affordable Housing of Indiana, Inc.

Arbor Commercial Mortgage may from time to time provide permanent mortgage loan financing to clients of ours, which will be used to refinance bridge financing provided by us. We and Arbor Commercial Mortgage may also make loans to the same borrower or to borrowers that are under common control. Additionally, our policies and those of Arbor Commercial Mortgage may require us to enter into intercreditor agreements in situations where loans are made by us and Arbor Commercial Mortgage to the same borrower.

In addition, we may enter into future transactions with Arbor Commercial Mortgage with the approval of our independent directors.

**Equity Investments in Our Borrowers**

In 2005, we invested \$4.7 million for 100% of the common shares of five newly-formed wholly-owned subsidiaries of our operating partnership, which were formed to facilitate the issuance of \$155.9 million of junior subordinated notes. These securities are unsecured, have a maturity of 29 to 30 years, pay interest quarterly at a floating rate of interest based on three-month LIBOR and absent the occurrence of special events, are not redeemable during the first five years.

As of December 31, 2004, we had two mezzanine loans outstanding, totaling \$45 million, to 450 Partners Mezz III LLC, a wholly-owned subsidiary of 450 Westside Partners, LLC and the owner of 100% of the outstanding membership interests in 450 Partners Mezz II LLC, who used the proceeds to acquire and renovate an office building. In addition, as of December 31, 2004, we had a \$1.5 million equity interest in an affiliate of the borrower. We also have participating profit interests in several affiliates of the borrower aggregating approximately 29%. During the quarter ended March 31, 2005, the property was refinanced with new debt and our loans totaling \$45 million were repaid in full. In accordance with the refinancing, we were repaid our \$1.5 million investment, including approximately \$0.4 million of a preferred return which was recorded in income from equity affiliates. In addition, we received a structuring fee of \$0.4 million for arranging the financing which was recorded in other income. We participated in \$45 million of new debt in the form of a mezzanine loan that matures in March 2015 with a fixed rate of 8.17%. In addition, we invested \$2.7 million in an affiliate of the borrower which entitles us to a preferred return of 12.5% in this limited liability corporation.

In December 2003, we invested approximately \$2.1 million in exchange for a 50% non-controlling interest in Prime Outlets Member, LLC ( POM ), which owns 15% of a real estate holding company that owns and operates factory outlet shopping centers. We account for this investment under the equity method. As of December 31, 2005 and 2004, we had a mezzanine loan outstanding to an affiliate entity of the joint venture for \$30.1 million and \$32.4 million, respectively. In addition, we had a \$10.0 million junior loan participation

interest outstanding to an affiliate entity of the joint venture as of December 31, 2005 and 2004. The loans require monthly interest payments based on one month LIBOR and matured in January 2006. Additionally, we have a 16.7% carried profits interest in the borrowing entity. We received \$1.2 million of distributions from this investment in 2004 as a result of the 16.7% carried profits interest which was recorded in interest income. In addition, we received \$0.5 million from its 50% non-controlling interest in this joint venture, which was recorded as income from equity affiliates. In June 2005, POM refinanced the debt on a portion of the assets in its portfolio, receiving proceeds in excess of the amount of the previously existing debt. The excess proceeds were distributed to each of the partners in accordance with POM's operating agreement of which we received \$36.5 million. In accordance with this transaction, the joint venture members of POM agreed to guarantee \$38 million of the new debt. The guarantee expires at the earlier of maturity or prepayment of the debt and would require performance by the members if not repaid in full. This guarantee was allocated to the members in accordance with their ownership percentages. Of the distribution we received, \$17.2 million was recorded as interest income, representing the portion attributable to the 16.7% carried profits interest, \$2.1 million was recorded as a return of our equity investment, \$8.0 million was recorded as income from equity affiliates, representing the portion attributable to the 7.5% equity interest, and \$9.2 million was recorded as deferred revenue, representing our portion of the \$38 million guarantee. In January 2006, POM refinanced the debt on a portion of the assets in its portfolio and repaid in full the debt that was added in June 2005 and the \$30.1 million mezzanine loan and the \$10.0 million junior loan participating interest that we had outstanding as of December 31, 2005. As a result, the \$38 million guarantee was removed and we recorded the \$9.2 million of deferred revenue, \$6.3 million as interest income and \$2.9 million as income from equity affiliates.

In June 2003, Arbor Commercial Mortgage invested approximately \$0.8 million in exchange for a 12.5% preferred interest in a joint venture, which owns and operates two commercial properties located at 80 Evergreen and 930 Flushing Avenue in New York City. We purchased this investment from Arbor Commercial Mortgage in August 2003. We subsequently contributed an additional \$0.3 million and \$0.4 million in 2004 and 2005, respectively. We account for this investment under the equity method. We had a \$4.8 million bridge loan and a \$3.5 million mezzanine loan outstanding to affiliated entities of the joint venture. The loans require monthly interest payments based on one month LIBOR and mature in November 2006 and June 2006, respectively. In August 2005, the joint venture refinanced one of these properties with a \$25 million bridge loan that we provided which matures in August 2010 with a fixed rate of 6.45%. Proceeds from this loan were used to pay off senior debt as well as our \$3.5 million mezzanine loan. Excess proceeds were distributed to each of the members in accordance with the operating agreement of which we received \$1.3 million. We recorded this amount as a return of our equity investment, which as of December 31, 2005 had a balance of approximately \$0.2 million.

During the first quarter 2005, we invested \$6.1 million in 200 Fifth LLC, which as part of an investor group used these proceeds to make a deposit on the potential purchase of a property in New York City. In April 2005, this joint venture closed on the purchase of the property and we invested additional capital that, combined with our deposit, represented a \$10 million equity investment, in exchange for a 20% ownership interest in a limited liability company subsidiary of this joint venture. It is intended that the property, with over one million square feet of space, will be converted from an office property into condominium units. In addition, we provided loans to three partners in the investor group totaling \$13 million, of which \$12 million is outstanding as of December 31, 2005. The loans are secured by their ownership interest in the joint venture and mature in April 2008. In 2005, we purchased three mezzanine loans totaling \$137 million from the primary lender. These loans are secured by the property, require monthly interest payments based on one month LIBOR and mature in April 2008. We sold a participating interest in one of the loans for \$59 million which was recorded as a financing and is included in notes payable. In 2005, we capitalized \$0.5 million of interest on its equity investment which was approximately \$10.5 million as of December 31, 2005.

In October 2004, we invested \$0.5 million in exchange for an 8.7% non-managing preferred interest in LBREP York Avenue LLC that was formed to operate as a real estate business, to acquire, own, manage, develop, and sell real estate assets. We account for this investment under the equity method. In December 2005, the joint venture issued new debt on an existing property. The proceeds were distributed to each of the

partners in accordance with the operating agreement of which we received \$0.5 million which was recorded as a return of our equity investment.
