**CVRD acquires 75.66% of Inco**

Rio de Janeiro, October 24, 2006 Companhia Vale do Rio Doce (CVRD) announces that 174,623,019 common shares of Inco Limited (Inco) including shares deposited by guaranteed delivery, representing 75.66% of the Inco common shares outstanding on a fully-diluted basis, were deposited to the offer to acquire all of the outstanding common shares of Inco for C\$86.00 in cash per Inco common share as at the expiry time of the offer, midnight (Toronto time) on October 23, 2006.

All of the conditions of the offer were satisfied as at the expiry time, and CVRD has taken up all of the Inco common shares that were deposited to the offer at such time. Payment for such Inco common shares is expected to be made to the depositary, Computershare Investor Services Inc., on October 26, 2006.

CVRD now beneficially owns 174,623,019 common shares of Inco, representing 75.66% of the issued and outstanding common shares of Inco on a fully diluted basis.

In order to provide Inco security holders who have not yet accepted the offer with the opportunity to analyze and accept the offer, CVRD has extended the expiry time of the offer to midnight (Toronto time) on November 3, 2006.

This extension constitutes a subsequent offering period under the U.S. law.

In accordance with its stated purpose of acquiring 100% of the issued and outstanding shares of Inco, CVRD intends to take steps to acquire the remaining Inco common shares.

CVRD will seek to reconstitute the Inco Board of Directors and to de-list the shares from the New York Stock Exchange as promptly and practicable, and upon meeting the relevant requirements, from the Toronto Stock Exchange. CVRD also intends to cause Inco to cease to be a reporting issuer in Canada and the U.S. once the number of Inco security holders is sufficiently reduced. In addition, CVRD will seek to have Inco begin reporting as a foreign private issuer under the U.S. Securities Exchange Act of 1934, as amended, effective immediately.
