**Section 2 Financial Information**

**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On September 14, 2006, Tower Automotive, Inc. (the Company ) announced that production from its Upper Sandusky, Ohio plant will be consolidated into other Tower facilities in North America as part of its ongoing restructuring plan. This action is part of the Company s ongoing strategy to reduce excess manufacturing capacity and enhance operational efficiency. The moves will begin immediately and are expected to be completed early next year. Total estimated costs associated with this action amount to approximately \$9.2 million, which is comprised of employee related costs of \$1.1 million, asset impairment charges of \$4.3 million, other non-cash charges of \$1.5 million and other costs of \$2.3 million. Future cash expenditures for these actions are estimated at \$3.4 million. As part of this ongoing process, the Company may undertake additional actions in the future to rationalize and consolidate its operations.
