Dear Fellow Stockholders:

As many of you are aware, Kankakee Bancorp, Inc. enjoyed another strong year in 2001. The business plan and strategies implemented by your board of directors and management team have led to significant improvements in our performance over the past two years. We believe that as a stockholder, you will continue to be the beneficiaries of our successful strategic plan and improved results as we continue to grow.

Our Strong Financial Performance

. Earnings per share (diluted) increased by 31.6% from \$1.99 to \$2.62

Edgar Filing: KANKAKEE BANCORP INC - Form DEFA14A

per share in 2001.

- . Over the past two years earnings per share have more than doubled.
- . Stockholder's equity per share increased by \$2.75 during 2001 to \$33.86 at December 31, 2001.
- . Total assets grew by 30.4 million, or 6.6%, in 2001. Over the past two years, total assets have increased by \$85.6 million or 21.1%.
- . Return on equity increased from 7.0% to 8.2% in 2001. Over the past two years, return on equity has improved by 77.9%.
- . We have paid a dividend every quarter since 1995. We plan to continue to pay \$0.48 per share annually to our stockholders.

We understand that you may have recently received proxy materials from a group of investors calling themselves the "Committee to Preserve Shareholder Value." Although this dissident group has sent you a White proxy card---the color that has traditionally been used by your board---do not be confused! This group is not part of your board or management. They are seeking to replace the two board members up for re-election with their own out-of-state nominees, one from New Jersey and one from New Hampshire.

CAUTION!

We believe that this group has virtually nothing positive to offer us or our stockholders that is not already being accomplished. The ideas that the committee has expressed are already in place:

- . Stock Repurchase Plan. We have been aggressively buying back our stock since 1993. Last year we repurchased 64,200 shares (approximately 5% of the outstanding) at a total cost of \$1.5 million or approximately \$24.03 per share. Since 1993, we have repurchased 669,507 shares at a total cost of \$14.4 million. Continuing our aggressive buyback program, on January 8, 2002, the board of directors approved the repurchase of up to 90,000 shares in 2002. The committee

says that a vote for its nominees is "a vote to start the process to accelerate the share repurchase program". We already have an aggressive repurchase program!

- . Increase Our Earnings. The board has successfully increased earnings per share over the past two years. The committee has offered no real strategies to increase earnings and we are confident that the board will be able to continue to effectuate successful programs and strategies to grow our earnings in the future. For example:
 - . Last year we began working with a highly respected consulting firm - RSM McGladrey - on a branch profitability study.
 - . We have also already hired a financial advisor - Sandler O'Neill & Partners L.P. - for general advisory services and to help us analyze and implement tactical financial plans to further increase our profitability. Sandler O'Neill is one of the leading

investment banking firms specializing in community centered financial institutions.

Because the board of directors has already implemented or investigated the suggestions set forth by the committee, the board does not believe that adding the committee's nominees to the board will add any value to the organization. Both nominees maintain their residences in the eastern part of the country and, as far as we know, they do not have any experience with Kankakee and the rest of our market area, our residents or our industries.

Your board and management team have earned your support. As our successful plans begin to bear fruit, it is critically important that we remain in position to implement new initiatives, without the potential major disruption that the dissident nominees can cause. Please support your Board's nominees by signing and returning the enclosed BLUE proxy card today.

Thank you for your consideration and support.

Very truly yours,

/s/ William Cheffer

Additional Important Information. On March 11, 2002, Kankakee Bancorp, Inc. filed a definitive proxy statement, which was supplemented on March 18, 2002, with the Securities and Exchange Commission relating to the annual meeting of stockholders to be held on April 26, 2002. We urge stockholders to read our definitive proxy statement because it contains important information about us and the nominees for director. You may obtain a free copy of our definitive proxy statement and any other soliciting materials relating to our solicitation on the Securities and Exchange Commission's website at www.sec.gov, or by contacting Morrow & Co., Inc., our proxy solicitor, at 1-800-607-0088.
