**INFORMATION STATEMENT FOR THE 2007 ANNUAL MEETING
OF STOCKHOLDERS TO BE HELD MAY 23, 2007**

General

This Information Statement is being distributed in connection with the 2007 Annual Meeting of Stockholders (the Annual Meeting) of HealthMarkets, Inc., a Delaware corporation (we , our , us or other words of similar import), to be held at our offices located at 9151 Boulevard 26, North Richland Hills, Texas on May 23, 2007, at 10:00 a.m., Central Daylight Time.

This Information Statement includes information relating to the proposals to be voted on at the meeting, the voting process, compensation of directors and our most highly paid officers, and other required information.

This Information Statement is being furnished to our stockholders for informational purposes only, and we will bear all of the costs of the preparation and dissemination of this Information Statement. Each person who is receiving this Information Statement also is receiving a copy of our Annual Report on Form 10-K for the year ended December 31, 2006. We intend to commence distribution of this Information Statement, together with the notice and any accompanying materials, on or about May 1, 2007.

Our Board of Directors has approved, and has recommended that the stockholders approve, the following proposals (collectively, the Proposals):

1. The election of the slate of ten (10) directors proposed by our Nominating Committee to serve until the next annual meeting of stockholders and until their respective successors are chosen and qualified;
2. The amendment of HealthMarkets' Certificate of Incorporation to permit the redemption of Class A-2 Common Stock outstanding for less than six (6) months where such redemption is permitted under the Company's agent stock accumulation plans;
3. The ratification of the selection of KPMG LLP as the Company's independent registered public accountants to audit the accounts of the Company for the fiscal year ending December 31, 2007; and
4. Such other business as may properly come before the meeting or any adjournments or postponements thereof.

Merger

On April 5, 2006, HealthMarkets, Inc. (formerly UICI) completed its merger (the Merger) providing for the acquisition of the Company by affiliates of a group of private equity investors, including The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners. The stock ownership of each of these private equity firms is set forth below under the caption Security Ownership of Certain Beneficial Owners and Management. As a result of the Merger, holders of record on April 5, 2006 of HealthMarkets common shares (other than shares held by certain members of management and shares held through HealthMarkets' agent stock accumulation plans) received \$37.00 in cash per share.

In the transaction, HealthMarkets' public shareholders received aggregate consideration of approximately \$1.6 billion, of which approximately \$985.0 million was contributed as equity by the private equity investors. The balance of the Merger consideration was financed with the proceeds of a \$500.0 million term loan facility extended by a group of banks, the proceeds of \$100.0 million of trust preferred securities issued in a private placement, and Company cash on

hand in the amount of approximately \$42.8 million.

Voting

The Board of Directors has selected the close of business on March 30, 2007 (the Record Date) as the time for determining the holders of record of our Class A-1 Common Stock and Class A-2 Common Stock, par value

\$0.01 per share (collectively, Common Stock), entitled to notice of, and to vote at, the Annual Meeting or any adjournment or postponement thereof. Shares of Common Stock outstanding on the record date are the only securities that entitle holders to vote at the annual meeting or any adjournment or postponement thereof. Each share of Class A-1 Common Stock and Class A-2 Common Stock is entitled to one vote per share on all matters to be presented at the meeting.

Members of the Board of Directors, members of management and other significant holders of our Class A-1 Common Stock (collectively, the Consenting Stockholders) own a total of 26,900,160 shares, or approximately 88.6% of our total voting power. Because the Consenting Stockholders have indicated that they will vote in favor of all of the Proposals and because such Consenting Stockholders control more than a majority of the voting power, the Proposals are assured of receiving the required vote and being adopted and, thus, we are not soliciting any proxies.

Stockholders attending the Annual Meeting are welcome to vote at the annual meeting and may address any matters that may properly come before the meeting.

How Many Shares of HealthMarkets Common Stock were Outstanding as of the Record Date?

As of March 30, 2007, our record date, 30,355,947 shares of our Common Stock were issued and 30,354,995 shares were outstanding, consisting of 26,900,160 shares of Class A-1 Common Stock and 3,454,835 shares of Class A-2 Common Stock. Each share owned entitles the holder to one vote for each share so held. A list of our Stockholders entitled to vote is available at our executive offices at 9151 Boulevard 26, North Richland Hills, Texas 76180. The telephone number of our executive offices is (817) 255-5200.

How Many Shares are needed to constitute a Quorum at the meeting?

The presence, in person or by proxy, of stockholders holding at least a majority of the voting power are necessary to constitute a quorum at the Annual Meeting. However, the stockholders present at the Annual Meeting may adjourn the meeting despite the absence of a quorum.

What Vote is Required to Approve the Proposals?

A plurality of the votes cast is required to elect directors. For all of the other Proposals, the affirmative vote of the holders of a majority of the voting power of the shares present or represented by proxy is required to approve the other Proposals. Abstentions will have the same effect as votes against the Proposals, although abstentions will count toward the presence of a quorum.

Why Isn't HealthMarkets Required to Solicit Proxies for the Proposals?

As indicated above, the Consenting Stockholders have indicated they will vote in favor of the Proposals, thereby ensuring that such Proposals will be adopted. Therefore, the solicitation of proxies is not necessary, and, in order to eliminate the costs and management time involved, our Board of Directors has decided not to solicit proxies.

When Will Each Proposal Become Effective?

The Proposals will be effective immediately following the completion of the 2007 Annual Meeting, which is at least 20 days after the mailing of this Information Statement. We are mailing this Statement on or about May 1, 2007 and will hold our Annual Meeting on May 23, 2007.

How Can Stockholders Participate in the Meeting?

Each stockholder of record as of the record date can participate in the Annual Meeting personally or through another person or persons designated to act for such stockholder by proxy.

Table of Contents

How Will Our Stockholders Know When the Proposals are Effective?

Those stockholders that attend the Annual Meeting will be notified then of the effectiveness of the Proposals. In addition, we will notify our stockholders of the effective dates of the Proposals described in this Information Statement when we file our Form 10-Q for the quarter ended June 30, 2007, which will be the first Quarterly Report on Form 10-Q following the Annual Meeting.

Who Will Pay for the Costs Associated with this Information Statement?

HealthMarkets will pay all costs associated with distributing this Information Statement, including the costs of printing and mailing.

No additional action is required by you in connection with the Proposals. However, Section 14(c) of the Exchange Act requires the mailing to our stockholders of the information set forth in this Information Statement at least twenty (20) days prior to the earliest date on which the corporate action may be taken.

PROPOSAL 1

ELECTION OF DIRECTORS

Election of Directors

Ten (10) directors will be elected at the Annual Meeting, each of whom is expected to serve until our next annual meeting of stockholders and until his successor has been duly elected and qualified. All of the nominees are currently directors of the Company, and each nominee has consented to being named as a nominee and to serve, if elected.

In connection with the Merger, we entered into a stockholders agreement with various investment affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking (the Private Equity Stockholders), as well as certain management stockholders. The Stockholders Agreement provides that the Board of Directors of the Company consist of the following:

up to six directors nominated or designated by the investment affiliates of Blackstone and any permitted transferee thereof (collectively, the Blackstone Investor Group);

up to two directors nominated or designated by the investment affiliates of Goldman Sachs and any permitted transferee thereof (collectively, the GS Investor Group);

up to one director nominated or designated by the investment affiliates of DLJ Merchant Banking and any permitted transferee thereof (collectively, the DLJ Investor Group, and each of the Blackstone Investor Group, the GS Investor Group and the DLJ Investor Group, a Private Equity Investor Group);

one member of management, which we refer to as the management director, to be nominated by Private Equity Stockholders holding a majority of the Class A-1 Common Stock held by Private Equity Stockholders; and

additional directors, including directors who may be considered independent under various SEC and stock exchange definitions to the extent deemed necessary or advisable.

The allocation of board representation to the Private Equity Investor Groups will be reduced as the ownership interest of Class A-1 Common Stock of such Private Equity Investor Group is reduced. The Blackstone Investor Group will have the ability to designate a majority of the directors for so long as it holds a majority of the shares of Class A-1 Common Stock issued to the Private Equity Stockholders in the Merger. Each Private Equity Investor Group will lose its right to designate directors entirely when its ownership of shares of Class A-1 Common Stock is less than the greater of (i) five percent of the shares of Class A-1 Common Stock issued to the Private Equity Stockholders in the Merger and (ii) three percent of the then-outstanding shares of Class A-1 Common Stock.

Generally, each director will have one vote. However, if the Blackstone Investor Group nominates or designates fewer than the maximum number of directors to which it is entitled, then the Blackstone Investor

Table of Contents

Group's directors will have aggregate voting power on board matters equal to the maximum number of directors that the Blackstone Investor Group is entitled to nominate or designate divided by the number of directors they have actually nominated or designated.

The Blackstone Investor Group has designated Chinh E. Chu and Matthew S. Kabaker for nomination as directors. The GS Investor Group has designated Adrian M. Jones and Nathaniel M. Zilkha for nomination as directors. The DLJ Investor Group has designated Kamil M. Salame for nomination as a director. William J. Gedwed has been designated as the management director. Messrs. Allen F. Wise, Mural R. Josephson, Andrew S. Kahr and Steven J. Shulman have been designated as additional directors.

THE BOARD OF DIRECTORS HAS NOMINATED THE FOLLOWING SLATE OF DIRECTORS TO HEALTHMARKETS' BOARD AND HAS RECOMMENDED APPROVAL OF THEIR ELECTION TO SERVE UNTIL THE NEXT ANNUAL MEETING OF ITS STOCKHOLDERS IN 2008 OR UNTIL THEIR RESPECTIVE SUCCESSORS ARE ELECTED AND QUALIFIED. IF A NOMINEE IS UNAVAILABLE FOR ELECTION, THE BOARD MAY REDUCE THE NUMBER OF DIRECTORS TO BE ELECTED AT THE MEETING.

The Audit Committee reviews the services performed by the independent registered public accounting firm in connection with determining their independence, reviews the reports of the independent registered public accounting firm and internal auditors, and reviews recommendations about internal controls. The Committee selects and appoints the Company's independent registered public accounting firm and approves any significant non-audit relationship with the independent registered public accounting firm.

KPMG LLP, the Company's independent registered public accounting firm, has direct access to the Audit Committee and may discuss any matters that arise in connection with their audits, the maintenance of internal controls, and any other matters relating to the Company's financial affairs. The Audit Committee may authorize the independent

registered public accounting firm to investigate any matters that the Audit Committee deems appropriate and may present its recommendations and conclusions to the Board.

Since joining the Board in May 2003, Mr. Josephson has served as the Audit Committee Chairman. The Board of Directors has determined that Mr. Josephson, who is independent of management of the Company, is an audit committee financial expert, as that term is defined under applicable Securities Exchange Act rules. Following his retirement in October 2002 as Senior Vice President and Chief Financial Officer of Lumbermens Mutual Casualty Company (the lead company of Kemper Insurance Companies), Mr. Josephson has served as a consultant to various financial institutions. In July 1998, Mr. Josephson retired as a partner with KPMG LLP after 28 years with the firm.

Executive Committee

The Executive Committee has the authority of the full Board of Directors in the management and affairs of the Company, except that the Committee *may not* effect certain fundamental corporate actions, including (a) declaring a dividend, (b) amending the Certificate of Incorporation or By-Laws, (c) adopting an agreement of merger or consolidation, or (d) imposing a lien on substantially all of the assets of the Company. In practice, the Executive Committee meets infrequently and does not act except on matters that are not sufficiently important to require action by the full Board of Directors. Although the Executive Committee did not meet during fiscal 2006, the Committee took action on selected occasions by unanimous consent of its members.

Investment Committee

The Investment Committee coordinates with the Investment/Finance Committees of the Company's insurance subsidiaries in supervising and implementing the investments of the funds of the Company and its insurance subsidiaries.

Compliance & Governance Committee

The Compliance & Governance Committee was established by the Board of Directors on August 30, 2006. Nominating Committee

The Nominating Committee identifies individuals qualified to become Board members consistent with criteria approved by the Board and recommends that the Board select the director nominees to be voted on at the next annual meeting of stockholders. None of the members of the Nominating Committee are independent.

Table of Contents

As a result of the Merger and the terms of the Stockholders' Agreement that provide for the designation of directors by the Private Equity Investor Groups, the Board of Directors has determined that it is not appropriate to establish specific qualifications for nominees or a formal process for identifying and evaluating such nominees for director.

In carrying out its responsibilities to nominate directors, the Nominating Committee will consider candidates recommended by the Board of Directors and by stockholders of the Company. All suggestions by stockholders for nominees for director for 2008 must be made in writing and received by the Corporate Secretary of the Company, 9151 Boulevard 26, North Richland Hills, Texas 76180 not later than March 2, 2008 (see "Stockholder Proposals for the 2008 Annual Meeting"). The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Director Nominee Recommendation". The letter must identify the author as a stockholder and provide a brief summary of the candidate's qualifications, as well as contact information for both the candidate and the stockholder. At a minimum, candidates for election to the Board must meet the independence requirements of Rule 10A-3 under the Securities Exchange Act of 1934, as amended. Candidates should also have relevant business and financial experience, and must be able to read and understand fundamental financial statements. The Committee has not historically received director candidate recommendations from the Company's stockholders but will consider all relevant qualifications as well as the needs of the Company in terms of compliance with the Securities and Exchange Commission rules.

The Nominating Committee operates under a written charter adopted by the Board of Directors, which is available for review on the Corporate Governance page of the Company's website (www.healthmarkets.com). A copy of the charter is available in print to any stockholder who requests it. Although the Nominating Committee did not meet during 2006, the Committee took action on selected occasions by unanimous consent of its members.

The Nominating Committee did not receive any recommendations from stockholders regarding candidates to serve on the Board for the 2007 Annual Stockholder Meeting.

Executive Compensation Committee

The Executive Compensation Committee administers the Company's compensation programs and remuneration arrangements for its highest-paid executives. The Committee is authorized to provide assistance to the Company's directors in fulfilling their responsibility to shareholders to ensure that the Company's officers, key executives and board members are compensated in accordance with the Company's total compensation objectives and executive compensation policy. The Company is also authorized to advise, recommend, and approve compensation policies, strategies, and pay levels necessary to support organizational objectives. The Committee may form and delegate to subcommittees when appropriate.

The Committee reviews and approves corporate goals and objectives relative to CEO compensation, evaluates the CEO's performance in light of those goals and objectives and sets the CEO's compensation level based on this evaluation. The Committee meets in executive session without the CEO to determine his compensation. The Committee receives recommendations from the CEO as to compensation of other executive officers, and the CEO participates in Committee discussions regarding the compensation of such officers.

The Committee also makes recommendations to the Board with respect to incentive-compensation plans and equity-based plans, evaluates, from time to time, the compensation to be paid to directors for their service on the

Board or any committee thereof, and prepares a report on executive compensation as required by the Securities and Exchange Commission to be included in the Information Statement.

Historically, the Committee has engaged the services of an independent compensation consultant to assess the Company's compensation program and to obtain additional information relative to administering executive compensation decisions. As discussed in the Compensation Discussion and Analysis, the Committee had access to compensation information prepared by Mercer Human Resources Consulting, Inc. in March 2007, which

information was considered by the Committee in determining 2006 annual bonus compensation for the Company's executives.

The Executive Compensation Committee operates under a written charter adopted by the Board of Directors, which is available for review on the Corporate Governance page of the Company's website (www.healthmarkets.com). Requests for a copy of the charter should be directed to the Corporate Secretary, c/o HealthMarkets, Inc., 9151 Boulevard 26, North Richland Hills, TX 76180.

Compensation Committee Interlocks and Insider Participation in Compensation Decisions

The Board has determined that Messrs. Chu, Kabaker and Jones are not independent as that term is defined under the listing standards of the New York Stock Exchange, due to their respective affiliations with the Private Equity Stockholders. During 2006, no Executive Compensation Committee member was an officer or employee of us or our subsidiaries, or formerly an officer, nor had any relationship otherwise requiring disclosure under the rules of the Securities and Exchange Commission. None of our executive officers served as a member of the Executive Compensation Committee or as a director of any company where an executive officer of that company is a member of our Executive Compensation Committee. The members of the Executive Compensation Committee thus do not have any compensation committee interlocks or insider participation. Certain relationships and related transactions that may indirectly involve our board members are described below under the caption CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS.

Family Relationships

There are no family relationships between any of the directors or executive officers.

Involvement in Certain Legal Proceedings

During the past five years, none of the directors or executive officers has been involved in any legal proceedings that are material to the evaluation of their ability or integrity.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of the Company's Executive Compensation Program

The Company's compensation objectives are to support the Company's overall business strategy and objectives, attract and retain the best possible executive talent, motivate executive officers to achieve the Company's performance objectives, and reward individual performance and contributions. We intend that our executive compensation program will effectively and appropriately compensate our executives and will guide their activities in response to targeted incentives we provide.

Prior to the April 5, 2006 Merger in which the Private Equity Stockholders acquired the Company, our compensation programs and policies were administered and overseen by a compensation committee composed entirely of independent directors. Following the Merger, the Executive Compensation Committee (the Committee) (of which Chinh Chu (Chairman), Matthew Kabaker, Adrian Jones, Mural R. Josephson and Steven Shulman serve as members) administers the Company's compensation programs and remuneration arrangements for its highest-paid executives. As discussed in more detail above under the heading Compensation Committee Interlocks and Insider Participation in Compensation Decisions, several of the members of the Committee are not considered independent.

In connection with the Merger, in September 2005, Messrs. Gedwed, Myhra, McQuagge, and Truxal entered into employment commitment agreements, the principal terms of which were requested by and negotiated with The Blackstone Group after the key terms of the Merger were agreed upon. These employment commitment agreements set forth the principal terms and conditions of employment for each of these executive officers following completion of the Merger. Upon completion of the Merger, these officers entered into definitive employment agreements containing the terms set forth in the employment commitment agreements. Upon completion of the Merger, Messrs. Hauptman and Plato also entered into definitive employment agreements with the Company. In general, the

Table of Contents

employment agreements provided for annual base salary, not less than the executive officer's base salary immediately prior to the Merger, and eligibility for an annual target bonus ranging from a minimum of 75% of annual base salary up to a maximum of 200% of annual base salary (depending upon the executive's position). The terms of the employment agreements are discussed in more detail below under the heading Employment and Consulting Agreements.

In connection with his appointment as Chief Financial Officer, Mr. Boxer entered into an employment agreement with the Company effective September 26, 2006. In addition, on May 24, 2006, the Company entered into an agreement with Mr. Reed providing for the continuation of Mr. Reed's employment through the later of June 30, 2006 or such date to which the Company and Mr. Reed shall mutually agree. The terms of these agreements are described in more detail below under the heading Employment and Consulting Agreements.

Components of Executive Compensation

Historically, we have used a variety of compensation elements to reach our executive compensation program goals. These include base salary, annual bonus compensation, awards of stock options and restricted stock, certain additional incentive programs, employee benefit plans, and termination and change in control arrangements. We also offer limited perquisites to executive officers. Each component of compensation has been designed to complement the other components and, when considered together, to meet the Company's overall compensation objectives; however, there is no pre-established policy or target for the allocation between either cash and non-cash or short-term and long-term incentive compensation.

Base Salaries

Base salary is the primary fixed portion of executive pay. It compensates executives for performing their day-to-day duties and responsibilities. As discussed above, the base salaries of Messrs. Gedwed, Hauptman, Myhra, McQuagge, Plato and Truxal for 2006 were based on the terms of the employment commitment agreements and employment agreements entered into in connection with the Merger. These base salaries were the same salaries that the executive officers received in 2005. The executive officers named in the Summary Compensation Table on page 20 below (the Named Executive Officers or the NEOs) did not receive an increase in base salary at the beginning of 2006 and did not receive any adjustments to their salaries following the Merger.

Annual Bonus Compensation

The Company has established and implemented an annual bonus compensation plan for senior executives, pursuant to which the Company has set a maximum bonus potential for each executive as a percentage of base compensation. The annual bonus compensation plan is designed to achieve the Company's objective of linking compensation to annual performance results, attracting, motivating and retaining high-caliber leadership, and aligning the interests of senior executives and stockholders.

The target bonuses established for the Named Executive Officers in 2006 ranged from 75% to 200% of base salary and were based on the terms of the employment agreements. Following year end, Mr. Gedwed met with Messrs. Boxer, Myhra, McQuagge, and Plato and evaluated their performance for the year. Mr. Gedwed made recommendations to the Committee for these Named Executive Officers (other than Mr. Boxer) based on the following performance objectives and relative weightings:

1. Corporate earnings performance: 20%.
2. Business unit earnings performance: 30%.

3. Growth prospects: 20%.
4. Regulatory compliance: 20%.
5. Management abilities: 10%.

Table of Contents

The executive was rated for each performance goal and, based on the relative weighting of each goal, Mr. Gedwed developed an overall score for each executive, which served as the basis for his recommendation to the Compensation Committee.

Due to his short tenure with the Company (which commenced on September 26, 2006), Mr. Boxer's 2006 annual bonus was based exclusively on an evaluation of his performance with respect to the management abilities objective.

The final determination of annual bonus compensation payouts with respect to 2006 performance for Messrs. Boxer, Myhra, McQuagge, and Plato was made at a meeting of the Committee held on March 29, 2007, at which time the Committee considered Mr. Gedwed's recommendations and reviewed and approved 2006 bonus compensation for such Named Executive Officers. Mr. Hauptman, who resigned as the Company's Chief Financial Officer and assumed a new executive role at the Company's Agency Marketing Group in September 2006, received his 2006 bonus in February 2007 following his review with Mr. McQuagge, consistent with other employees who are not direct reports of the CEO. Messrs. Reed and Truxal, who were no longer employed by the Company, did not receive bonuses.

With respect to Mr. Gedwed's annual bonus compensation, the Committee evaluated Mr. Gedwed's performance based on the following performance objectives, each of which the Committee weighted equally:

1. Corporate earnings performance.
2. Development of management team.
3. Corporate performance related to sales, insurance products, provider networks, administrative cost reduction, strategic initiatives, corporate branding and regulatory management.

During a meeting held on March 29, 2007, the Committee evaluated Mr. Gedwed's performance relative to these performance objectives and made a final determination regarding Mr. Gedwed's 2006 bonus.

The Committee also had access to the compensation information prepared by Mercer Human Resources Consulting, Inc. (Mercer) in March 2007. The analysis was limited to base salary and annual bonus payable to executive officers at a peer group of companies. The analysis was based on proxy data, other publicly disclosed information and Mercer's own research library. The peer group considered in the Mercer analysis consisted of the following companies: Assurant, Cincinnati Financial, Torchmark, Unitrin, Protective Life, Phoenix Companies, StanCorp Financial Group, AmerUS Group, Great American Financial, Universal American and FBL Financial. Although, this survey information was considered by the Committee in determining annual bonus compensation, no particular weight was accorded the survey information and the Committee did not necessarily attempt to provide a level of compensation at any particular range within the survey group.

The annual bonuses paid to Messrs. Gedwed, Boxer, Hauptman, Myhra, McQuagge, and Plato for 2006 ranged from 67% to 175% of base salary and are included in the Bonus column of the Summary Compensation Table on page 20 below.

Stock Options

On May 8, 2006, the Board of Directors of HealthMarkets adopted the 2006 Management Stock Option Plan (the 2006 Plan), in accordance with which options to purchase shares of HealthMarkets' Class A-1 Common Stock may be granted from time to time to officers, employees and non-employee directors of HealthMarkets or any subsidiary. The purpose of the 2006 Plan is to attract and retain officers and other key employees for the Company and its subsidiaries

and to provide to such persons incentives and rewards for superior performance. The Board believes that the Company will be able to enhance the prospects for its business objectives and more closely align the interests of outside directors, officers and key employees with those of the Company's stockholders by providing those individuals with the opportunity to increase their equity interests in the Company on meaningful terms.

In May and June of 2006, the Committee granted non-qualified options under the 2006 Plan to Messrs. Gedwed, Hauptman, Myhra, McQuagge and Plato. Mr. Boxer received a grant of non-qualified options

Table of Contents

under the 2006 Plan in September 2006 in connection with his appointment as the Company's Chief Financial Officer. Messrs. Reed and Truxal did not receive grants under the 2006 Plan. Option grants under the 2006 Plan were made in connection with the Merger. Except in the case of a newly-hired executive, it is not currently anticipated that additional option grants will be made to the Named Executive Officers under the 2006 Plan.

These options were intended to provide a long-term incentive opportunity to the executives that also linked the interests of the executive with those of the stockholders, as the options provide no value unless the value of the underlying shares increases. The number of stock options granted to a particular executive officer was based on the executive's position and an evaluation of the executive's ability to influence the long-term growth and profitability of the Company. The number of options previously granted to, and shares held by, an officer were not considered in determining the number of options granted in May and June of 2006 to the officer. These options are included in the Grants of Plan Based Awards table on page 21 below. The Committee does not time the grant of stock options in consideration of the release of material non-public information.

Under the 2006 Plan, the option price may not be less than 100% of the Fair Market Value (as defined below) on the date of grant, except that the option price of an incentive stock option issued to an employee who owns Class A-1 Common Stock possessing more than ten percent (10%) of the total combined voting power of all classes of Company stock may not be less than 110% of the Fair Market Value on the date of grant. Under the 2006 Plan, Fair Market Value is defined to mean the fair market value of a share as determined from time to time by the Board in good faith or, in the event of a termination of employment by certain key executives (other than for cause) within six months of an IPO or change of control, the consideration paid per share pursuant to such transaction.

The stock options granted to employees under the 2006 Plan vest in three tranches. One-third of the options vest in 20% increments over five years with an exercise price equal to the fair market value per share at the date of grant (the Time-Based Options). One-third of the options vest in increments of 25%, 25%, 17%, 17% and 16% over five years, provided that the Company shall have achieved certain specified performance targets, with an exercise price equal to the fair market value on the date of grant (the Performance-Based Options). Any Performance-Based Options as to which an optionee does not earn the right to exercise in any year shall expire and terminate. The remaining one-third of the options vest in increments of 25%, 25%, 17%, 17% and 16% over five years with an initial exercise price equal to the fair market value at the date of grant. The exercise price increases 10% each year beginning on the second anniversary of the grant date and ending on the fifth anniversary of the grant date (the Tranche C Options). Options granted to directors (Director Options) vest in 20% increments over five years. Director Options, Time Based Options, Performance-Based Options and Tranche C Options expire ten years following the grant date and become immediately exercisable upon the occurrence of a Change in Control (as defined) if the optionee remains in the continuous employ of the Company or any subsidiary until the date of the consummation of such Change in Control.

On August 30, 2006, the Committee established financial performance goals for the initial 25% vesting tranche of the Performance-Based Options based on certain earnings criteria. The Committee believes that the criteria selected established an appropriate target for the initial 25% vesting tranche, and viewed the likelihood of the Company achieving such target as approximately fifty percent. At its March 29, 2007 meeting, the Committee determined that the performance goals for the initial 25% vesting tranche had been satisfied. Performance goals for the remaining four vesting tranches of the Performance-Based Options are expected to be established annually by the Committee.

Additional Incentive Programs

During 2006, the Company's Named Executive Officers were also entitled to participate in an incentive program (the BOB II Program) which was established in August 2002. Pursuant to the BOB II Program, the Company agreed to distribute to eligible participants on August 15, 2006, in cash, an aggregate of the dollar equivalent value of 200,000 HealthMarkets shares. Eligible participants in the BOB II Program consisted of full-time employees, including

executive officers, of HealthMarkets and its subsidiaries and independent agents associated with HealthMarkets insurance subsidiaries who were employed by or contracted with HealthMarkets and its subsidiaries, as the case may be, at the close of business on August 15, 2002 and who remained employed by or contracted with HealthMarkets and its subsidiaries at the close of business on August 15, 2006. In accordance

Table of Contents

with the BOB II Program, each eligible participant was entitled to receive his or her portion of the aggregate cash payment determined by reference to a formula based on, among other things, such eligible participant's tenure with HealthMarkets and its subsidiaries and level of compensation. Each eligible participant in the BOB II Program received on August 15, 2006 an amount (subject to any applicable withholding tax) in cash equal to the number of shares subject to such awards held by such participant multiplied by \$38.37 per share. Compensation under the BOB II Program for each Named Executive Officer did not exceed \$10,000 per person and is included in the "All Other Compensation" column of the Summary Compensation Table. A BOB III program, with substantially similar features to BOB II, was made effective on January 31, 2007, with an expected payout on August 15, 2010.

Payments Related to the Merger or Dispositions

Outstanding Stock Options. In connection with the Merger, each outstanding option to purchase shares of HealthMarkets Common Stock granted under the Company's 1987 Amended and Restated Stock Option Plan became fully vested, and (except with respect to 360,030 options granted under the 1987 Plan that were held by certain executive officers and converted into options to acquire shares of Class A-1 Common Stock) each option granted under the 1987 Plan was cancelled and converted into the right to receive a payment (subject to any applicable withholding taxes) equal to the difference between \$37.00 and the exercise price for the option.

Restricted Stock. From time to time, the Company made awards of restricted shares of the Company's Common Stock to eligible participants. These restricted shares generally vested on the second anniversary of the date of grant and were otherwise forfeitable if the participant ceased to provide material services to the Company as an employee, independent contractor, consultant, advisor, director or otherwise for any reason other than death prior to vesting. Shares of restricted stock also vested upon a change of control (as defined in the applicable award) or upon the death of the participant. The Committee determined not to award restricted stock to any eligible participant with respect to 2005 or 2006 performance. To the extent not already lapsed, all applicable forfeiture provisions of the outstanding restricted shares lapsed in connection with the Merger and, effective August 30, 2006, the Company's Board of Directors authorized the termination of each of the outstanding restricted stock plans.

Success Bonus Award Plan. On September 14, 2005, the Company's Board of Directors adopted a Success Bonus Award Plan as an employee incentive and retention program to help retain employees and provide an incentive to employees (including executive officers) who were expected to be key to a successful completion of the Merger. Under the terms of the Success Bonus Award Plan, a participant was entitled to receive his or her award if the participant continued to be employed by the Company or any of the Company's subsidiaries through the date of completion of any transaction resulting in a change of control of the Company (including the Merger). If a participant ceased to be employed before that date, he or she would not be entitled to an award, unless the Executive Compensation Committee determined otherwise. If the Merger (or another transaction that would qualify as a change of control under the plan) was not completed before June 30, 2006, participants would not have been entitled to receive awards under the plan. The total pool available for award to participants under the plan was \$20.3 million. In accordance with the terms of the plan, on November 1, 2005 the Committee designated participants in the plan and awarded success bonuses to be paid to such participants at the times and in the manner as prescribed by the plan. With the exception of Mr. Boxer, who was not employed by the Company at the time the Committee designated participants in the Success Bonus Award Plan, all Named Executive Officers received payments under the plan on April 7, 2006. Compensation under the Success Bonus Award Plan payable to the Named Executive Officers is included in the "All Other Compensation" column of the Summary Compensation Table on page 20 below.

Bonuses Related to Sale of Student Insurance Division. On November 3, 2006, the Company's Board of Directors approved a bonus program for Mr. Truxal and certain other employees in connection with the sale to UnitedHealth Care, Inc. ("United") of substantially all of the assets comprising MEGA's Student Insurance Division (the "Student Bonus Program"). The program rewarded Mr. Truxal for his contributions to the success of the Student Insurance

business and his role in the negotiations leading up to the execution and delivery of the purchase agreement. The program also makes certain future bonus payments contingent on downward or upward adjustments of the purchase price, pursuant to the terms of the purchase agreement. At the completion of the sale on December 1, 2006, Mr. Truxal received a bonus payment from the Company in the amount of \$400,000. Compensation paid to Mr. Truxal under the Student Bonus Program is included in the All Other Compensation column of the Summary Compensation Table on page 20 below. At the completion of the Sale, Mr. Truxal s

Table of Contents

employment with the Company terminated and he became an employee of United. Provided that his employment with United has not been terminated for cause, Mr. Truxal is eligible to earn an additional bonus from the Company of \$240,000 on October 1, 2007 if the Company is not obligated to refund to United a portion of the purchase price under certain clawback provisions set forth in the purchase agreement. In addition, provided that his employment with United has not been terminated for cause, Mr. Truxal is eligible to earn an additional bonus from the Company of \$160,000 in December 2008 if certain additional earnout amounts are payable to the Company pursuant to the purchase agreement.

HealthMarkets 401(k) and Savings Plan

The Company maintains for the benefit of its and its subsidiaries employees the HealthMarkets 401(k) and Savings Plan (the Employee Savings Plan). The Employee Savings Plan enables eligible employees to make pre-tax contributions to the Employee Savings Plan (subject to overall limitations) and to direct the investment of such contributions among several investment options. The Employee Savings Plan, which is made available to all employees, is intended to assist in attracting and retaining employees by providing them with a tax-advantaged means to save a portion of their earnings for retirement purposes.

Prior to the Merger, a second feature of the Employee Savings Plan constituted an employee stock ownership plan (the ESOP), contributions to which were invested primarily in shares of HealthMarkets Common Stock. The ESOP feature allowed participants to receive from HealthMarkets and its subsidiaries discretionary matching contributions and to share in certain supplemental contributions made by HealthMarkets and its subsidiaries. Effective upon completion of the Merger, the Employee Plan was amended to eliminate the ESOP feature.

The Company now makes certain matching contributions and supplemental contributions to participants accounts in cash. All contributions made on behalf of the Named Executive Officers were calculated using the same formula as is used for all other eligible employees. Contributions by the Company and its subsidiaries to the Employee Plan currently vest in prescribed increments over a six-year period.

Employee Benefit Plans

The Company offers benefit plans such as vacation, medical, prescription drug, vision, dental and term life insurance coverage to the Named Executive Officers on the same basis as offered to all employees. The Company offers these plans to attract, motivate and retain high-caliber employees.

The Company does not maintain a pension plan or non-qualified deferred compensation plan for executives or its other employees.

Perquisites

Historically, the Company has not made available a broad array of perquisites and personal benefits to its executive officers. The Company has chosen to offer only a very limited number of perquisites to its executives as an incremental benefit to recognize their position within the Company and as an accommodation to certain executives who maintain a residence in States other than the location of their Company office. In 2006, the Company reimbursed personal travel and housing expenses for two Named Executive Officers Messrs. Boxer and Reed who commuted to the Company's Texas headquarters from primary residences in other States. The Company also reimbursed travel and housing expenses for Mr. Myhra in connection with certain personal travel. The Company furnished such executives with tax gross-ups for income attributable to such payments. The Company believes that these payments enhanced its ability to attract and retain these executives. The Company chose to provide the tax gross-ups to preserve the level of benefits intended to be provided under these arrangements. In connection with his appointment as Executive Vice

President of the Company's Agency Marketing Group, and certain travel requirements associated with that position, that Company paid Mr. Hauptman a de minimus special event bonus in 2006. The Company also chose to pay club dues for Messrs. Plato and Reed for business entertainment purposes. The value of each of these perquisites is included in the All Other Compensation column of the Summary Compensation Table on page 20 below.

Severance and Change of Control Agreements

Generally, currently outstanding stock options provide for post-termination exercise periods ranging from the earlier of ninety (90) calendar days or the remaining term of the option (in the case of voluntary terminations by the employee), to the earlier of one (1) year or the remaining term of the option (in the case of termination due to death or disability, termination by the employee for good reason, termination by the Company without cause, or voluntary termination by the employee). Termination of employment for cause results in expiration of all options on the date of the termination.

Change of control provisions are contained in various Company plans applicable to the Named Executive Officers as well to other employees. Options granted under the 2006 Plan provide that upon the occurrence of a Change of Control (as defined in the 2006 Plan), if the employee has remained in the continuous employ of the Company, and his or her employment terminates for any reason (other than a termination for cause by the Company or a voluntary termination by the employee), the employee may exercise any options exercisable as of the date of the employee's termination or that would have become exercisable if the employee had remained employed until the first anniversary of the date of the employee's termination.

Under the terms of employment agreements with the Company, the Named Executive Officers (other than Messrs. Reed and Truxal, who are no longer employed by the Company) are entitled to severance payments in the event of their termination in certain specified circumstances. These executives would be entitled to receive severance equal to two times the executive's base salary plus target bonus payable in monthly installments, continuation of welfare benefits for two years, as well as a pro-rata bonus, based on the executive's target bonus, if such termination occurs after the last day of the first quarter of the applicable fiscal year. These executives are entitled to full change-of-control parachute excise tax gross up protection on all payments and benefits due to the executive, including such payments and benefits due to the executive in connection with the Merger; provided, however, that following a change of control of HealthMarkets (other than in connection with the Merger), the surviving corporation will be entitled to reduce the executive's payments (but not by more than 10%) if the reduction would allow the avoidance of the imposition of any excise tax associated with the change of control. In addition, each of these executives has agreed to two-year post-termination non-competition and non-solicitation covenants. The terms of the Employment Agreements are described in more detail under the heading Employment and Consulting Agreements.

Under Mr. Reed's Employment Agreement, the Company agreed to pay him termination payments in the aggregate amount of \$1.6 million, which are being paid in 24 monthly installments following the termination of his employment on August 31, 2006. The Company recorded an expense for the entire \$1.6 million in 2006. Mr. Reed is also entitled to receive, at the Company's expense, the Company-paid portion of the premium for continued participation in the Company's medical, prescription drug, vision, dental and life insurance coverage for the two-year period commencing on the termination date. Mr. Reed's Employment Agreement also provides for full change of control parachute excise tax gross-up protection on all payments and benefits due to Mr. Reed. In addition, he is subject to two-year post-termination non-competition and non-solicitation restrictions.

We believe that these change of control arrangements benefit the Company and its stockholders by assuring key employees that we are aware of the issues they could face upon a change of control; by providing key employees with financial assurances so that they can perform their jobs with a minimum of distraction in the face of a pending change of control; by encouraging key employees to stay with the Company while a change of control is occurring, so that an acquiring company can retain individuals who have been key to the Company's success; and by helping the Company recruit employees who may have similar agreements with other companies.

Accounting and Tax Issues

Section 162(m) of the U.S. Internal Revenue Code limits the deductibility of compensation in excess of \$1.0 million paid to the Company's Chairman, chief executive officer and president or to any of the Company's four highest-paid other executive officers unless certain specific and detailed criteria are satisfied. The Committee considers the anticipated tax treatment to the Company and its executive officers in its review and establishment of compensation programs and payments, but has determined that it will not necessarily seek to limit compensation to that amount otherwise deductible under Section 162(m).

Table of Contents

- (3) Represents company portion of current benefit cost for two year continuation period. See discussion of *Employment and Consulting Agreements* below. For these purposes, we have assumed that health care costs will increase at the rate of 10% per year.
- (4) Represents expense to be recorded upon acceleration of option vesting based on occurrence of noted event, calculated in accordance with Statement of Financial Accounting Standards 123R. In the event of a Voluntary Termination for Good Reason or an Involuntary Termination Without Cause, actual value to the Named Executive Officers would be as follows: Gedwed \$1,558,861; Boxer \$335,770; Hauptman \$824,856; Myhra \$316,355; McQuagge \$2,267,305; and Plato \$622,037. This assumes a per share price of \$50 (the fair market value of the Company's Common Stock as of 12/31/06, as determined by the Executive Committee of the Board).

Employment and Consulting Agreements

Under the terms of separate employment agreements with the Company (the principal terms of which were requested by and negotiated with The Blackstone Group after the key terms of the Merger were agreed upon), each of William J. Gedwed (President and Chief Executive Officer), Mark D. Hauptman (Vice President, Chief Accounting Officer and former Chief Financial Officer), Troy A. McQuagge (President, Agency Marketing Group), Phillip J. Myhra (Executive Vice President, Insurance Operations and Risk Management), and James N. Plato (President, Life Insurance Division (collectively, the Continuing Executives)) continue to serve in each of their respective positions (other than Mr. Hauptman, who now serves as Executive Vice President of the Company's Agency Marketing Group) and receive an annual base salary in an amount not less than their respective base salary immediately before the Merger. The Continuing Executives are also eligible for an annual target bonus ranging from a minimum of 75% of annual base salary to a maximum of 200% of annual base salary. Each of the Continuing Executives is also entitled to new equity award grants and participation in employee benefit plans and has agreed to retain all or a portion of their respective HealthMarkets equity and equity-based awards. The employment agreements have an initial employment term of two or three years from the Merger that automatically renew annually upon the expiration of the initial employment term, unless either party gives notice.

In addition, under the terms of their employment agreements, the Continuing Executives are entitled to severance payments in the event of their termination in certain specified circumstances. The Continuing Executives would be entitled to receive severance equal to two times the executive's base salary plus target bonus payable in monthly installments, continuation of welfare benefits for two years, as well as a pro-rata bonus, based on the executive's target bonus, if such termination occurs after the last day of the first quarter of the applicable fiscal year. The Continuing Executives are entitled to full change-of-control parachute excise tax gross up protection on all payments and benefits due to the executive, including such payments and benefits due to the executive in connection with the Merger; provided, however, that following a change of control of HealthMarkets (other than in connection with the Merger), the surviving corporation will be entitled to reduce the executive's payments (but not by more than 10%) if the reduction would allow the avoidance of the imposition of any excise tax associated with the change of control. In addition, each of the Continuing Executives has agreed to two-year post-termination non-competition and non-solicitation covenants.

In connection with the Merger, Timothy L. Cook (former President of the Company's Star HRG Division) and William J. Truxal (former President of MEGA's Student Insurance Division) also executed employment agreements with the Company. Mr. Cook's agreement terminated effective July 11, 2006, upon the sale of substantially all of the assets comprising the Company's Star HRG operations, and Mr. Truxal's agreement terminated effective December 1, 2006, upon the sale of substantially all of the assets comprising MEGA's Student Insurance Division.

On May 24, 2006, the Company entered into an agreement with Glenn W. Reed, the former Executive Vice President and General Counsel of the Company. The agreement provides, among other things, that Mr. Reed's employment with the Company would extend from the date of the agreement through the later of June 30, 2006 or such date to which the Company and Mr. Reed shall mutually agree (the termination date), during which term Mr. Reed would continue to receive his annualized base salary. The termination date was subsequently established by Mr. Reed and the Company as August 31, 2006. Following termination of the employment term, the Company has agreed to pay to Mr. Reed termination payments in the aggregate amount of \$1.6 million, which will be paid in 24 monthly installments. The Company recorded an expense for the entire \$1.6 million in 2006. Mr. Reed is also

entitled to receive, at the Company's expense, the Company-paid portion of the premium for continued participation in the Company's medical, prescription drug, vision, dental and life insurance coverage for the two-year period commencing on the termination date. Upon the termination date, Mr. Reed resigned from all offices, committees and/or directorships that he then held with the Company, its subsidiaries and their respective affiliates. The agreement also provides for full change of control parachute excise tax gross-up protection on all payments and benefits due to Mr. Reed. In addition, he is subject to two-year post-termination non-competition and non-solicitation restrictions.

In connection with the appointment of Michael E. Boxer as the Company's Executive Vice President and Chief Financial Officer effective September 26, 2006, the Company entered into an employment agreement with Mr. Boxer on terms substantially similar to the employment agreements with the Continuing Executives described above. In addition, Mr. Boxer was awarded a grant of options for 105,500 shares of the Company's Class A-1 Common Stock under the HealthMarkets 2006 Management Stock Option Plan; was given the right to purchase 18,243 shares of the Company's Class A-1 Common Stock at fair market value; and, if he elected to exercise the right to purchase such shares, the Company agreed to award him additional stock options to purchase an equivalent number of shares. On September 29, 2006, Mr. Boxer exercised this right and purchased 18,243 shares of the Company's Class A-1 Common Stock at \$38.37 per share.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Under the securities laws of the United States, the Company's directors, executive and certain other officers, and any persons holding more than ten percent of the Company's Common Stock, are required to report their ownership of the Company's Common Stock and any changes in that ownership to the Securities and Exchange Commission (the Commission). Specific due dates for these reports have been established and the Company is required to report in this Information Statement any failure to file by these dates during 2006. Based solely upon a review of Reports on Forms 3, 4 and 5 and any amendments thereto furnished to the Company pursuant to Section 16 of the Securities Exchange Act of 1934, as amended, and written representations from the executive officers and directors that no other reports were required, and except as otherwise stated in this paragraph, the Company believes that all of such reports were filed on a timely basis by executive officers and directors during 2006, except for one transaction reporting the grant of stock options to Mural R. Josephson, which was reported approximately one day late. In addition, the reporting of pricing modifications to existing options in connection with the Merger was filed late on behalf of Messrs. Michael Colliflower, William Gedwed, Mark Hauptman, Jack McCarty, Troy McQuagge, James Plato, and William Truxal.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

On April 5, 2006, the Company completed a merger providing for the acquisition of the Company by affiliates of a group of private equity investors, including affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners (the Private Equity Investors). As a result of the Merger, holders of record on April 5, 2006 of HealthMarkets' common shares (other than shares held by certain members of management and shares through HealthMarkets' agent stock accumulation plans) received \$37.00 in cash per share.

Immediately prior to the Merger, Gladys J. Jensen, individually and in her capacity as executor of the estate of the late Ronald L. Jensen (the Company's founder and former Chairman), beneficially held approximately 17.04% of the outstanding shares of the Company, and the adult children of Mrs. Jensen beneficially held in the aggregate approximately 10.09% of the outstanding shares of the Company. As a result of the Merger, Mrs. Jensen and her adult children divested their holdings in the Company, and affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners acquired, as of the effective date of the Merger, approximately 55.3%, 22.7% and 11.3%, respectively, of the Company's outstanding equity securities. At December 31, 2006, affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners held approximately 55.1%, 22.6% and 11.3%, respectively, of the Company's outstanding equity securities.

Certain members of the Board of Directors of the Company are affiliated with the Private Equity Investors. In particular, Chinh E. Chu and Matthew Kabaker serve as a Senior Managing Director and a Principal, respectively, of The Blackstone Group, Adrian M. Jones and Nathaniel Zilkha serve as a Managing Director and a Vice President, respectively, of Goldman, Sachs & Co., and Kamil M. Salame is a partner of DLJ Merchant Banking Partners.

The Company maintains written policies and procedures for review and approval of related party transactions. These policies provide that any material transaction entered into between the Company and any related party shall be valid for all purposes if such transaction is assessed to be fair to the Company and is approved in advance by a majority of the Company's disinterested outside directors. Material transactions are defined as any arrangement, contract or transaction involving payments by or from the Company equal to or greater than \$250,000 (in any twelve

Table of Contents

month period) or \$1 million (over the term of such arrangement, contract or transaction). Related parties are defined as any person or entity that is an affiliate of the Company or any entity in which an affiliate of the Company has a 5% or greater equity interest. Affiliates of the Company are persons or entities controlled by, controlling, or under common control with, the Company, including directors and officers of the Company and their immediate family members.

Set forth below is a summary description of all material transactions between the Company and the Private Equity Investors and all other parties related to the Company. The Company believes that the terms of all such transactions with all related parties are and have been on terms no less favorable to the Company than could have been obtained in arms length transactions with unrelated third parties.

Transactions with the Private Equity Investors

Transaction and Monitoring Fee Agreements

At the closing of the Merger, the Company entered into separate Transaction and Monitoring Fee Agreements with advisory affiliates of each of the Private Equity Investors. In accordance with the terms of the Transaction and Monitoring Fee Agreements, at the closing of the Merger the Company paid a one-time transaction fee in the amount of \$18.9 million, \$6.0 million and \$3.0 million to advisory affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners, respectively. The Company also reimbursed affiliates of The Blackstone Group for loan commitment and other fees in the amount of \$13.0 million previously incurred by such affiliates of The Blackstone Group in connection with the Merger.

The advisory affiliates of each of the Private Equity Investors also agreed to provide to the Company ongoing monitoring, advisory and consulting services, for which the Company agreed to pay to affiliates of each of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners an annual monitoring fee in an amount equal to \$7.7 million, \$3.2 million and \$1.6 million, respectively. The annual monitoring fees are in each case subject to upward adjustment in each year based on the ratio of the Company's consolidated earnings before interest, taxes, depreciation and amortization (EBITDA) in such year to consolidated EBITDA in the prior year, provided that the aggregate monitoring fees paid to all advisors pursuant to the Transaction and Monitoring Fee Agreements in any year shall not exceed the greater of \$15.0 million or 3% of consolidated EBITDA in such year. The aggregate annual monitoring fees in the amount of \$12.5 million payable with respect to 2006 were paid in full to the advisory affiliates of the Private Equity Investors on April 5, 2006 (the closing date of the Merger). In addition, in accordance with the Transaction and Monitoring Fee Agreements, on April 5, 2006 (the closing date of the Merger), the Company paid to the affiliates of each of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners monitoring fees in the aggregate amount of approximately \$3.7 million related to services rendered by such parties during the period commencing on September 15, 2005 (the date of execution of the Agreement and Plan of Merger) and ended on December 31, 2005.

In accordance with the terms of the Transaction and Monitoring Fee Agreements, the Company also agreed to reimburse the advisory affiliates of the Private Equity Investors for out-of-pocket expenses incurred in connection with the monitoring services and to indemnify the advisory affiliates for certain claims and expenses incurred in connection with the engagement.

Interest Rate Swaps

At the effective date of Merger, an affiliate of The Blackstone Group assigned to the Company three interest rate swap agreements with an aggregate notional amount of \$300.0 million. At the effective date of the Merger, the interest rate swaps had an aggregate fair value of approximately \$2.0 million.

Transaction Fee Agreements

In accordance with the terms of separate Future Transaction Fee Agreements, each dated as of May 11, 2006, affiliates of each of the Private Equity Investors agreed to provide to the Company certain financial and strategic advisory services with respect to future acquisitions, divestitures and recapitalizations. For such services, affiliates of The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners are entitled to

receive 0.6193%, 0.2538% and 0.1269%, respectively, of the aggregate enterprise value of any units acquired, sold or recapitalized by the Company.

In connection with the sale completed on July 11, 2006 of substantially all of the assets comprising the Company's Star HRG operations, the Company remitted to The Blackstone Group, Goldman Sachs Capital Partners and DLJ Merchant Banking Partners the amount of \$941,000, \$386,000 and \$193,000, respectively, pursuant to the terms of the Future Transaction Fee Agreements. In accordance with the terms of the Future Transaction Fee Agreements, the Company also agreed to reimburse the advisory affiliates of the Private Equity Investors for out-of-pocket expenses incurred in connection with the advisory services and to indemnify the advisory affiliates for certain claims and expenses incurred in connection with the engagement.

Group Purchasing Organization

Effective June 1, 2006, the Company agreed to participate in a group purchasing organization (GPO) that acts as the Company's agent to negotiate with third party vendors the terms upon which the Company will obtain goods and services in various designated categories that are used in the ordinary course of the Company's business. On behalf of the various participants in its group purchasing program, the GPO extracts from such vendors pricing terms for such goods and service that are believed to be more favorable than participants could obtain for themselves on an individual basis. In consideration for such favorable pricing terms, each participant has agreed to obtain from such vendors not less than a specified percentage of the participant's requirements for such goods and services in the designated categories. In connection with purchases by participants, the GPO receives a commission from the vendor in respect of such purchases. In consideration of The Blackstone Group's facilitating the Company's participation in the GPO and in monitoring the services that the GPO provides to the Company, the GPO has agreed to remit to an affiliate of The Blackstone Group a portion of the commission received from vendors in respect of purchases by the Company under the GPO purchasing program. The Company's participation during 2006 was nominal with respect to purchases by the Company under the GPO purchasing program in accordance with the terms of this arrangement.

Transactions with Mrs. Jensen and Affiliates of Mrs Jensen

Special Investment Risks, Ltd.

Special Investment Risks, Ltd. (SIR) (formerly United Group Association, Inc. (UGA) is owned by the estate of Ronald L. Jensen (the Company's founder and former Chairman), of which Gladys J. Jensen (Mr. Jensen's surviving spouse) serves as independent executor. Immediately prior to the Merger, Mrs. Jensen, individually and in her capacity as executor of the estate of Mr. Jensen, beneficially held approximately 17.04% of the outstanding shares of the Company.

From the Company's inception through 1996, SIR sold health insurance policies that were issued by AEGON USA and coinsured by the Company or policies issued directly by the Company. Effective January 1, 1997, the Company acquired the agency force of SIR. In accordance with the terms of the asset sale to the Company, SIR retained the right to receive all commissions on policies written prior to January 1, 1997, including the policies previously issued by AEGON and coinsured by the Company and the policies previously issued directly by the Company. The commissions paid to SIR on the coinsured policies issued by AEGON are based on commission rates negotiated and agreed to by AEGON and SIR at the time the policies were issued prior to 1997, and the commission rates paid on policies issued directly by the Company are commensurate with the AEGON renewal commission rates. The

Company expenses its proportionate share of commissions payable to SIR on co-insured policies issued by AEGON. During 2006 (covering the period from January 1, 2006 through April 5, 2006), SIR received insurance commissions of \$29,000 on the policies issued by AEGON prior to January 1, 1997 and coinsured by the Company. During 2006 (covering the period from January 1, 2006 through April 5, 2006), SIR received commissions of \$543,000 on policies issued prior to January 1, 1997 and issued directly by the Company.

In accordance with the terms of an amendment, dated July 22, 1998, to the terms of the sale of the UGA assets to the Company, SIR was granted the right to retain 10% of net renewal commissions (computed at the UGA

Table of Contents

Association Field Services agency level) on any new business written by the UGA agency force after January 1, 1997. In an effort to simplify the calculation of the payments to be made to Mr. Jensen and to clarify with specificity the business subject to this override arrangement, effective October 1, 2003 the Company and SIR entered into an amendment to the asset sale agreement, the principal effect of which is to change the basis of the override calculation from a multiple of renewal commissions received by UGA Association Field Services to a multiple of commissionable renewal premium received. Based on management's projections of future business, the Company estimated that the absolute amount of future override commission to be paid to SIR pursuant to the amendment would not vary in any material respect from that expected to be paid in accordance with the prior arrangement. During 2006 (covering the period from January 1, 2006 through April 5, 2006), the Company paid to SIR the amount of \$1.2 million pursuant to this arrangement.

On May 19, 2006, the Company and SIR entered into a Termination Agreement, pursuant to which SIR received an aggregate of \$47.5 million. All payments owing to SIR under the asset sale agreement for policies written after January 1, 1997 were discharged in full, SIR released the Company and certain of its subsidiaries from all liability under the asset sale agreement, and the asset sale agreement was terminated. In addition, the Company and SIR agreed, respectively, to indemnify the other party for all losses, damages and other liabilities incurred in connection with the breach of any covenant, agreement, representation or warranty made by the respective party under the terms of the Termination Agreement.

In 2006 (covering the period from January 1, 2006 through April 5, 2006), SIR paid to the Company \$39,000 to fund obligations of SIR owing to the Company's agent stock accumulation plans. SIR incurred this obligation prior to the Company's purchase of the UGA agency in 1997.

Richland State Bank

Richland State Bank (RSB) is a state-chartered bank in which Mrs. Jensen, as executor of the estate of Mr. Jensen, holds a 100% equity interest. RSB provides student loan origination services for the former College Fund Life Insurance Division of MEGA and Mid-West.

Pursuant to a Loan Origination and Purchase Agreement, dated June 12, 1999 and as amended, RSB originated student loans and resold such loans to UICI Funding Corp. 2 (Funding) (a wholly owned subsidiary of the Company) at par (plus accrued interest). During 2006 (covering the period from January 1, 2006 through April 5, 2006), RSB originated for the College Fund Life Division student loans in the aggregate principal amount plus accrued interest of \$1.6 million.

On July 28, 2005, the Company's Board of Directors approved the execution and delivery of a new Loan Origination and Purchase Agreement among the Company, UICI Funding Corp. 2, RSB and Richland Loan Processing Center, Inc. (a wholly owned subsidiary of RSB), pursuant to which RSB originates and funds, and Richland Loan Processing Center, Inc. provides underwriting, application review, approval and disbursement services, in connection with private student loans generated under the Company's College Fund Life Division Program. For such services, RSB earns a fee in the amount of 150 basis points (1.5%) of the original principal amount of each disbursed student loan. The agreement further provides that UICI Funding Corp. 2 will continue to purchase (at par) the private loans funded and originated by Richland State Bank. During 2006 (covering the period from January 1, 2006 through April 5, 2006), RSB generated origination fees in the amount of \$26,000 pursuant to the terms of this agreement.

During 2006 (covering the period from January 1, 2006 through April 5, 2006), UICI Funding Corp. 2 received from RSB interest income in the amount of \$29,000 generated on money market accounts maintained by the Company at, and on certificates of deposit issued by, RSB.

AUDIT COMMITTEE REPORT

The Audit Committee consists of three directors and operates under a written charter. On August 8, 2006, the Committee reviewed its charter and, after assessing the adequacy thereof, approved an amended Charter.

The Audit Committee held eight (8) meetings in 2006. The meetings facilitated communication with senior management and employees, the Company's internal auditor and KPMG LLP, the Company's independent registered public accounting firm. The Committee held discussions with the internal auditor and independent registered public accounting firm, both with and without management present, on the results of their examinations and the overall quality of the Company's financial reporting and internal controls.

The Audit Committee has the sole authority to appoint or replace the independent registered public accounting firm, and the Committee is responsible for the oversight of the scope of the independent registered public accounting firm's role and the determination of its compensation. The Committee regularly evaluates the performance and independence of the Company's independent registered public accounting firm and, in addition, has reviewed and pre-approved all services provided by KPMG LLP during 2006.

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management, however, has the primary responsibility to establish and maintain a system of internal controls over financial reporting, to plan and conduct audits and to prepare consolidated financial statements in accordance with generally accepted accounting principles.

KPMG LLP, the Company's independent registered public accounting firm, is responsible for performing an independent audit of the Company's consolidated financial statements in conformity with the auditing standards of the Public Company Accounting Oversight Board (United States) and issuing a report thereon. The Audit Committee is responsible for monitoring and reviewing these procedures. It is not the Committee's duty or responsibility to conduct auditing or accounting reviews or procedures. The members of the Audit Committee are not employees of the Company and are not necessarily accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, the Audit Committee has relied, without independent verification, on management's representation that the consolidated financial statements of the Company have been prepared with integrity and objectivity and in conformity with generally accepted accounting principles and on the representations of the independent registered public accounting firm included in their report on the Company's consolidated financial statements.

In fulfilling its oversight responsibilities, the Committee has met and held discussions with management and representatives of KPMG LLP regarding the fair and complete presentation of the Company's financial results, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements. The Committee has discussed significant accounting policies applied by the Company in its financial statements, as well as alternative treatments. The Committee has reviewed and discussed with the Company's management and representatives of KPMG LLP the annual audited and quarterly unaudited consolidated financial statements of the Company for the 2006 fiscal year (including the disclosures contained under the caption "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 and each of the Company's Quarterly Reports on Form 10-Q filed during 2006).

The Committee has also reviewed with representatives of KPMG LLP such matters as are required to be discussed with the Committee under Statement on Auditing Standards No. 61, *Communications with Audit Committees*. In addition, the Committee has discussed with the independent registered public accounting firm its independence from management and the Company, including the matters in the written disclosures required by the Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and considered the compatibility of non-audit services with the registered public accounting firm's independence. The Audit Committee has also received a written report from KPMG LLP regarding its independence and other matters. The

Table of Contents

Audit Committee has determined that the provision of non-audit services should not compromise KPMG LLP's independence.

The Audit Committee has also reviewed the certifications of Company executive officers contained in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006 filed with the SEC, as well as reports issued by KPMG LLP, included in the Company's Annual Report on Form 10-K related to its audit of the Company's consolidated financial statements. The Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2006 did not include a report on management's assessment regarding internal control over financial reporting or an attestation report of KPMG. The Company concluded that, as of December 31, 2006, the Company is not an accelerated filer under Rule 12b-2 of the Exchange Act, and, accordingly, was not obligated to furnish the information required by Items 308(a) and (b) of Regulation S-K.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2006 for filing with the Securities and Exchange Commission. The Committee has selected and appointed the Company's independent registered public accounting firm, subject to stockholder ratification.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

In addition to retaining KPMG LLP to audit HealthMarkets' consolidated financial statements for 2006, HealthMarkets and its affiliates retained KPMG LLP and other accounting and consulting firms to provide advisory, auditing and consulting services in 2006. The Company understands the need for KPMG LLP to maintain objectivity and independence in its audit of the Company's consolidated financial statements. To minimize relationships that could appear to impair the objectivity of KPMG LLP, the HealthMarkets Audit Committee has restricted the non-audit services that KPMG LLP may provide to HealthMarkets primarily to tax services and merger and acquisition due diligence and audit services, and the Audit Committee has determined that HealthMarkets will obtain non-audit services from KPMG LLP only when the services offered by KPMG LLP are more effective or economical than comparable services available from other service providers.

The Audit Committee Charter provides that the Committee shall approve all non-audit engagement fees and terms with the independent registered public accounting firm and all other compensation to be paid to the independent registered public accounting firm. The Committee has the authority to delegate pre-approvals of non-audit services to a single member of the Audit Committee, and the Chairman of the Committee has been authorized to pre-approve non-audit services up to \$75,000 for any one transaction, not to exceed an aggregate of \$250,000 in any one year. Fees for non-audit services exceeding these amounts must be approved by the full Committee. As a matter of policy the Chairman requests the Committee to ratify his approval of the non-audit fees at the next quarterly meeting. The Audit Committee has authorized management to approve non-audit fees up to \$50,000, subject to a requirement that management report to the Chairman quarterly on any approval by management of such non-audit fees.

In determining the appropriateness of a particular non-audit service to be performed by the registered public accounting firm, the Audit Committee shall consider whether the service facilitates the performance of the audit, improves the Company's financial reporting process or is otherwise in the public interest.

All fees in each fee category were approved by the Company's Audit Committee.

PROPOSAL 2

AMENDMENT TO CERTIFICATE OF INCORPORATION

The Company maintains the Agents' Total Ownership Plan, as Amended and Restated Effective April 5, 2006 (the ATOP) and the Agent's Contribution to Equity Plan, as Amended and Restated Effective April 5, 2006 (the ACE), pursuant to which the Company provides a continuing incentive to agents to sell insurance policies and ancillary products by awarding shares of HealthMarkets' Class A-2 Common Stock, \$0.01 par value per share, to participants. The ATOP and the ACE provide that the Company may, in certain limited circumstances, redeem shares of Class A-2 Common Stock held by participants for less than six (6) months. The current Certificate of Incorporation limits redemption of Class A-2 Common Stock to only those shares outstanding for more than six (6) months. To permit redemption in accordance with the terms of the ATOP and the ACE, the Board of Directors unanimously approved an amendment to the Company's Certificate of Incorporation, and recommended approval of the amendment by the stockholders, to amend Article IX, Section 1 of the Company's Certificate of Incorporation. As amended, the Certificate of Incorporation would permit the redemption of Class A-2 Common Stock outstanding for less than six (6) months where such redemption is permitted under the ATOP and the ACE. The proposed amendment to the Company's Certificate of Incorporation, amending Article IX, Section 1, appears below. The language in bold represents the proposed additional language:

ARTICLE IX

Section 1. *REDEMPTION OF CLASS A-2 COMMON STOCK*. (a) Subject to Section 2 of this Article IX, until a Qualified IPO or a Change of Control, if (i) the agent contract of any Qualified Holder is terminated for Cause, or (ii) a Qualified Holder voluntarily terminates his or her agent contract with the Corporation or with any Affiliate of the Corporation or the agent contract of any Qualified Holder is terminated other than for Cause (in case of either of clause (i) or (ii), a **TERMINATION EVENT**), then the Corporation shall have the option to redeem any or all shares of Class A-2 Common Stock outstanding for more than six (6) months at the Redemption Price at any time within twelve (12) months from the Termination Event (the **REDEMPTION PERIOD**); *provided,*

Table of Contents

however, that the foregoing shall not restrict or limit the Corporation's ability to redeem shares of Class A-2 Common Stock outstanding for less than six (6) months acquired pursuant to the Agents' Total Ownership Plan, as Amended and Restated Effective April 5, 2006, and the Agent's Contribution to Equity Plan, as Amended and Restated Effective April 5, 2006, or any amendments thereof or successors thereto, in each case subject to and as expressly provided in such plans. Notwithstanding the foregoing, the Board may extend the Redemption Period in its sole and absolute discretion if the Board makes a good faith determination that it would be advisable and in the best interests of the Corporation to extend the Redemption Period in light of the availability under or limitations imposed by any credit agreement or other debt agreement of the Corporation and the Corporation's capital and liquidity position.

(b) Subject to Section 2 of this Article IX, until a Qualified IPO or a Change of Control, if a Potential Change of Control has occurred, and the Board has determined in good faith that an actual Change of Control will occur within twenty (20) business days of the date of such determination by the Board (a "CHANGE OF CONTROL EVENT"), then the Corporation shall have the option to redeem any or all shares of Class A-2 Common Stock outstanding for more than six (6) months prior to the Change of Control from any or all Qualified Holders at the Redemption Price; ***provided, however, that the foregoing shall not restrict or limit the Corporation's ability to redeem shares of Class A-2 Common Stock outstanding for less than six (6) months acquired pursuant to the Agents' Total Ownership Plan, as Amended and Restated Effective April 5, 2006, and the Agent's Contribution to Equity Plan, as Amended and Restated Effective April 5, 2006, or any amendments thereof or successors thereto, in each case subject to and as expressly provided in such plans.***

Management believes that this amendment to the Company's Certificate of Incorporation will eliminate an inconsistency between the Certificate of Incorporation and the terms of the stock accumulation plans maintained for the benefit of the independent insurance agents associated with the Company's independent agent field forces, including UGA Association Field Services and Cornerstone America.

The affirmative vote of a majority of the outstanding shares of common stock is needed to ratify the amendment to the Company's Certificate of Incorporation.

THE BOARD OF DIRECTORS RECOMMENDS THE STOCKHOLDERS VOTE FOR ADOPTION OF THE AMENDMENT TO THE COMPANY'S CERTIFICATE OF INCORPORATION, AS DESCRIBED ABOVE.

PROPOSAL 3

**PROPOSAL TO RATIFY THE APPOINTMENT OF
KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Although Delaware law does not require that the selection by the Audit Committee of the Company's independent registered public accounting firm be approved each year by the stockholders, the Board of Directors believes it is appropriate to submit the Audit Committee's selection to the stockholders for their approval and to abide by the result of the stockholders' vote. Subject to ratification by the stockholders, the Audit Committee reappointed the firm of KPMG LLP as the Company's independent registered public accounting firm to audit the financial statements of the Company for the fiscal year ending December 31, 2007. In recommending ratification by the stockholders of the appointment of KPMG LLP, the Board of Directors has satisfied itself as to that firm's professional competence and standing. However, if the stockholders do not ratify the appointment of KPMG LLP, the Audit Committee may investigate the reasons for the stockholders' rejection and may consider whether to retain KPMG LLP or to appoint another independent registered public accounting firm. Furthermore, even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at

any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Representatives of KPMG LLP are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they so desire. Such representatives will also be available to respond to appropriate questions from stockholders at the meeting.
