**Item 2.01. Completion of Acquisition or Disposition of Assets**

On September 30, 2008 (the Closing Date), HealthMarkets LLC (HealthMarkets), a subsidiary of HealthMarkets, Inc. (the Company), completed the transactions contemplated by the Agreement for Reinsurance and Purchase and Sale of Assets dated June 12, 2008 (the Master Agreement), previously reported in the Company's Current Report on Form 8-K dated June 18, 2008. Pursuant to the Master Agreement, Wilton Reassurance Company or its affiliates (Wilton) acquired substantially all of the business of the Company's Life Insurance Division, which operated through The Chesapeake Life Insurance Company, Mid-West National Life Insurance Company of Tennessee and The MEGA Life and Health Insurance Company (the Ceding Companies), and all of the Company's 79% equity interest in each of U.S. Managers Life Insurance Company, Ltd. and Financial Services Reinsurance, Ltd (collectively, the Offshore Entities). As part of the transaction, under the terms of the Coinsurance Agreements entered into with each of the Ceding Companies on the Closing Date, Wilton has agreed to, effective July 1, 2008, reinsure on a 100% coinsurance basis substantially all of the insurance policies associated with the Company's Life Insurance Division (the Coinsured Policies).

Under the terms of the Coinsurance Agreements, Wilton has assumed responsibility for all insurance liabilities associated with the Coinsured Policies. The Ceding Companies have transferred to Wilton cash in an amount equal to the net statutory reserves and liabilities corresponding to the Coinsured Policies, which amount was approximately \$345.3 million. Wilton has agreed to be responsible for administration of the Coinsured Policies, subject to certain transition services to be provided by the Ceding Companies to Wilton.

The Company and the Ceding Companies received total consideration of approximately \$139.2 million including \$134.5 million in aggregate ceding allowances with respect to the reinsurance of the Coinsured Policies. Under certain circumstances, the Master Agreement also provides for the payment of additional consideration to the Company following the closing based on the five year financial performance of the Coinsured Policies. The Company expects the reinsurance transaction to result in a pre-tax loss estimated to be \$18.3 million of which \$13.0 million was recorded in the second quarter as an impairment to the Life Insurance Division's deferred acquisition costs.

As disclosed in the Company's Current Report on Form 8-K dated June 18, 2008, in connection with the execution of the Master Agreement, HealthMarkets entered into a definitive Stock Purchase Agreement (the Stock Purchase Agreement) pursuant to which Wilton will purchase the Company's student loan funding vehicles and related student association, CFLD-I, Inc., UICI Funding Corp. 2 and The National Student Association, LLC. The closing of the transactions contemplated by the Stock Purchase Agreement has not occurred due to certain closing conditions that have not yet been satisfied. The Company is currently unsure as to whether such conditions will be satisfied and if closing of the transactions contemplated by the Stock Purchase Agreement will occur. The Company has presented the assets and liabilities of CFLD-I, Inc. and UICI Funding Corp. 2 as held for sale on the Company's balance sheet for all periods presented. Additionally, the Company has included the results of operations of CFLD-I, Inc. and UICI Funding Corp. 2 in discontinued operations on the Company's condensed consolidated statement of income for all periods presented.

This description of the Master Agreement and the transactions contemplated thereby is not complete and is qualified in its entirety by reference to the full text of the agreement, which was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K dated June 18, 2008, and is incorporated herein by reference.

**Item 2.05. Costs Associated with Exit or Disposal Activities.**

As reported in the Company's Current Report on Form 8-K/A dated August 18, 2008, the Company previously estimated that the total costs expected to be incurred in connection with employee terminations and the facility lease termination costs of the Company's Life Insurance Division facility in Oklahoma City, Oklahoma would be \$1.7 million, of which approximately \$700,000 related to employee termination costs and approximately \$1.0 million related to facility lease termination costs.

The Company now estimates that the total costs expected to be incurred in connection with these matters will be approximately \$3.1 million, of which approximately \$813,000 relates to employee termination costs and approximately \$2.3 million relates to facility lease termination costs.
