FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated herein by reference include forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. All statements other than statements of historical fact are forward-looking statements for purposes of federal and state securities laws, including statements about anticipated future operating and financial performance, financial position and liquidity, growth opportunities and growth rates, pricing plans, acquisition and divestiture opportunities, business prospects, strategic alternatives, business strategies, regulatory and competitive outlook, investment and expenditure plans, financing needs and availability and other similar forecasts and statements of expectation and statements of assumptions underlying any of the foregoing. The words aims, anticipates, believes, could, estimates, expects, intends, may, plans, should and variations of these words and similar expressions are generally intended to identify these forward-looking statements. These forward-looking statements are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are beyond Sterling's control. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change. Forward-looking statements by us are based on estimates, projections, beliefs and assumptions of management and are not guarantees of future performance. Such forward-looking statements may be contained in this prospectus (and the documents incorporated by reference herein) under Risk Factors, or may be contained in our Annual Report on Form 10-K or in our Quarterly Reports on Form 10-Q under headings such as Management's Discussion and Analysis of Financial Conditions and Results of Operations and Business, or in our Current Reports on Form 8-K, among other places.

These forward-looking statements may also include statements that relate to or are dependent on estimates or assumptions relating to the prospects of continued loan and deposit growth, improved credit quality, the health of the capital markets, our de novo branching and acquisition efforts, and the economic conditions within our markets. These forward-looking statements involve numerous possible risks and uncertainties, many of which are beyond our control. Factors that may cause actual results to differ materially from those contemplated by such forward-looking statements include, among others, the following possibilities: (1) performance of bank and non-bank subsidiaries; (2) deterioration in general economic conditions or real estate markets, internationally, nationally or regionally; (3) legislative or regulatory changes adversely affecting fiscal and monetary policies and the businesses in which we engage; (4) changes in the interest rate environment reducing interest margins or increasing interest rate risk; (5) increased competitive pressure among financial services companies; (6) unfavorable conditions in the capital markets; (7) the occurrence of future terrorist acts; (8) difficulties in opening additional branches or integrating acquisitions; and (9) other risks detailed in reports filed by us with the Securities and Exchange Commission. Forward-looking statements speak only as of the date they are made, and we do not undertake to update forward-looking statements to reflect circumstances or events that occur after the date any forward-looking statements are made.

Table of Contents**RISK FACTORS**

Investment in our securities involves a high degree of risk. You should carefully consider the risks described in the section entitled "Risk Factors" in any prospectus supplement as well as in the section entitled "Management's Discussion and Analysis of Financial Condition and Results of Operations" contained in our annual report on Form 10-K for the period ended December 31, 2007 and in our updates to those "Risk Factors" contained in our quarterly reports on Form 10-Q, as well as other information in this prospectus, any accompanying prospectus supplement, and any other documents or reports incorporated by reference herein, before purchasing any of our securities. Each of the risks described in these sections and documents could materially and adversely affect our business, financial condition, results of operations and prospects, and could result in a loss of your investment.

RATIOS OF EARNINGS TO COMBINED FIXED CHARGES

The following table sets forth the consolidated ratio of earnings to combined fixed charges and preferred stock dividends:

	For the Nine Months Ended September 30,		For the Years Ended December 31,				
	2008	2007	2007	2006	2005	2004	2003
Ratio of earnings to fixed charges (1):							
Including deposit interest	1.09	1.37	1.33	1.37	1.52	1.67	1.59
Excluding deposit interest	1.25	2.09	1.98	2.02	2.11	2.18	1.99

(1) Ratios were derived from our quarterly report on Form 10-Q for the nine months ended September 30, 2008 and from our annual reports on Form 10-K for the years ended December 31, 2007, December 31, 2006, December 31, 2005, December 31, 2004 and December 31, 2003.

The ratio of earnings to combined fixed charges and preferred stock dividends were computed by dividing earnings as adjusted, by fixed charges and preferred dividends (where applicable). For this purpose, earnings consist of income from continuing operations before taxes, and fixed charges. Prior to December 5, 2008, Sterling had no shares of preferred stock outstanding and, therefore, there are no amounts for preferred dividends included in the

calculation. Sterling's fixed charges excluding interest on deposits consist of interest expense in connection with its long-term and short-term borrowings and a reasonable approximation of the appropriate portion of operating lease expense considered to be representative of interest. Sterling's fixed charges including interest on deposits consist of all interest expense and a reasonable approximation of the appropriate portion of operating lease expense considered to be representative of interest.

USE OF PROCEEDS

We will not receive any proceeds from any sale of the Securities by the selling security holders.

SELLING SECURITY HOLDERS

On December 5, 2008, we issued the Securities covered by this prospectus to the United States Department of Treasury, which is the initial selling security holder under this prospectus, in a transaction exempt from the registration requirements of the Securities Act. The initial selling security holder, or its successors, including transferees, pursuant to this prospectus or a supplement to this prospectus, may from time to time offer and sell any or all of the Securities they own, and/or exercise the Warrant they own. The Securities to be offered under this prospectus for the account of the selling security holders are:

Table of Contents

303,000 shares of Fixed Rate Cumulative Perpetual Preferred Stock, Series A, representing beneficial ownership of 100% of the shares of Series A preferred stock outstanding on the date of this prospectus; and

a warrant to purchase 6,437,677 shares of our common stock, representing beneficial ownership of approximately 6.4% of our authorized common stock as of December 24, 2008.

6,437,677 shares of our common stock issuable upon exercise of the warrant, which shares, if issued, would represent ownership of approximately 6.4% of our common stock as of December 24, 2008.

For purposes of this prospectus, we have assumed that, after completion of the offering, none of the securities covered by this prospectus will be held by the selling security holders.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. To our knowledge, the initial selling security holder has sole voting and investment power with respect to the securities.

We do not know when or in what amounts the selling security holders may offer the Securities for sale. The selling security holders might not sell any or all of the Securities offered by this prospectus. Because the selling security holders may offer all or some of the Securities pursuant to this offering, and because currently no sale of any of the Securities is subject to any agreements, arrangements or understandings, we cannot estimate the number of the Securities that will be held by the selling security holders after completion of the offering.

Other than with respect to the acquisition of the Securities, the initial selling security holder has not had a material relationship with us.

Information about the selling security holders may change over time and changed information will be set forth in supplements to this prospectus if and when necessary.

PLAN OF DISTRIBUTION

The selling security holders and their successors, including their transferees, may sell the securities directly to purchasers or through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling security holders or the purchasers of the Securities. These discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The Securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions:

on any national securities exchange or quotation service on which the Preferred Stock or the common stock may be listed or quoted at the time of sale, including, as of the date of this prospectus, the Nasdaq Global Select Market in the case of the common stock;

in the over-the-counter market;

in transactions otherwise than on these exchanges or services or in the over-the-counter market; or

through the writing of options, whether the options are listed on an options exchange or otherwise.

In addition, any securities that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

Table of Contents

In connection with the sale of the Securities or otherwise, the selling security holders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the common stock issuable upon exercise of the Warrant in the course of hedging the positions they assume. The selling security holders may also sell short the common stock issuable upon exercise of the Warrant and deliver common stock to close out short positions, or loan or pledge the Preferred Stock or the common stock issuable upon exercise of the Warrant to broker-dealers that in turn may sell these securities.

The aggregate proceeds to the selling security holders from the sale of the Securities will be the purchase price of the Securities less discounts and commissions, if any.

In effecting sales, broker-dealers or agents engaged by the selling security holders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling security holders in amounts to be negotiated immediately prior to the sale.

In offering the Securities covered by this prospectus, the selling security holders and any broker-dealers who execute sales for the selling security holders may be deemed to be underwriters within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling security holders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling security holders who are underwriters within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, or the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the Securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of Securities pursuant to this prospectus and to the activities of the selling security holders. In addition, we will make copies of this prospectus available to the selling security holders for the purpose of satisfying the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the Nasdaq Global Select Market pursuant to Rule 153 under the Securities Act.

At the time a particular offer of securities is made, if required, a prospectus supplement will set forth the number and type of securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

We do not intend to apply for listing of the Preferred Stock on any securities exchange or for inclusion of the Preferred Stock in any automated quotation system unless requested by the initial selling shareholder. No assurance can be given as to the liquidity of the trading market, if any, for the Preferred Stock.

We have agreed to indemnify the selling security holders against certain liabilities, including certain liabilities under the Securities Act. We have also agreed, among other things, to bear substantially all expenses (other than underwriting discounts and selling commissions) in connection with the registration and sale of the securities covered by this prospectus.

DESCRIPTION OF PREFERRED STOCK, SERIES A

The following is a brief description of the terms of the Preferred Stock that may be resold by the selling security holders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to our Restated Articles of Incorporation, as amended, including the Articles of Amendment to the Restated Articles of Incorporation with respect to the Preferred Stock, copies of which have been filed with the SEC and are also available upon request from us.

Table of Contents

General

Under our Restated Articles of Incorporation, as amended, we have authority to issue up to 303,000 shares of Preferred Stock of Sterling designated as Fixed Rate Cumulative Perpetual Preferred Stock, Series A, par value one dollar (\$1.00) per share. All of said Preferred Shares were issued to the initial selling security holder in a transaction exempt from the registration requirements of the Securities Act. The issued and outstanding shares of Preferred Stock are validly issued, fully paid, and non assessable.

Dividends Payable On Shares of Series A Preferred Stock

Holders of shares of the series A preferred stock are entitled to receive if, as and when declared by our board of directors or a duly authorized committee of the board, out of assets legally available for payment, cumulative cash dividends at a rate per annum of 5% per share on a liquidation preference of \$1,000 per share of series A preferred stock with respect to each dividend period from December 5, 2008 to, but excluding, February 15, 2014. From and after February 15, 2014, holders of shares of series A preferred stock are entitled to receive cumulative cash dividends at a rate per annum of 9% per share on a liquidation preference of \$1,000 per share of series A preferred stock with respect to each dividend period thereafter.

Dividends are payable quarterly in arrears on each February 15, May 15, August 15 and November 15, (each a dividend payment date), starting with February 15, 2009. If any dividend payment date is not a business day, then the next business day will be the applicable dividend payment date, and no additional dividends will accrue as a result of the applicable postponement of the dividend payment date. Dividends payable during any dividend period are computed on the basis of a 360-day year consisting of twelve 30-day months. Dividends payable with respect to the series A preferred stock are payable to holders of record of shares of series A preferred stock on the date that is 15 calendar days immediately preceding the applicable dividend payment date or such other record date as the board of directors or any duly authorized committee of the board determines, so long as such record date is not more than 60 nor less than 10 days prior to the applicable dividend payment date.

If we determine not to pay any dividend or a full dividend with respect to the series A preferred stock, we are required to provide written notice to the holders of shares of series A preferred stock prior to the applicable dividend payment date.

We are subject to various regulatory policies and requirements relating to the payment of dividends, including requirements to maintain adequate capital above regulatory minimums. The Board of Governors of the Federal Reserve System, or the Federal Reserve Board, is authorized to determine, under certain circumstances relating to the financial condition of a bank holding company, such as us, that the payment of dividends would be an unsafe or unsound practice and to prohibit payment thereof. In addition, we are subject to Washington state laws relating to the payment of dividends.

Priority of Dividends

The Preferred Stock ranks *pari passu* with or senior to all other series or classes of preferred stock, whether or not issued or outstanding, with respect to the payment of dividends and the distribution of assets in the event of our dissolution, liquidation or winding up.

So long as any share of Preferred Stock remains outstanding, we are generally not permitted to declare or pay dividend or distribution on the common stock or any other shares of junior stock (other than dividends payable solely in shares of common stock) or Parity Stock, and no common stock, junior stock or parity stock shall be, directly or indirectly, purchased, redeemed or otherwise acquired for consideration by us or any of our subsidiaries unless all accrued and unpaid dividends for all past dividend periods, including the latest completed dividend period, on all outstanding shares of Preferred Stock have been or are contemporaneously declared and paid in full. The following exceptions, however, are permissible:

purchases, redemptions or other acquisitions of our common stock or other junior stock in connection with the administration of our employee benefit plans in the ordinary course of business pursuant to a publicly

Table of Contents

announced repurchase plan up to the increase in diluted shares outstanding resulting from the grant, vesting or exercise of equity-based compensation;
purchases or other acquisitions by broker-dealer subsidiaries of Sterling solely for the purpose of market-making, stabilization or customer facilitation transactions in junior stock or parity stock in the ordinary course of its business;

purchases or other acquisitions by broker-dealer subsidiaries of Sterling for resale pursuant to an offering by Sterling of our stock that is underwritten by the related broker-dealer subsidiary;

any dividends or distributions of rights or junior stock in connection with any shareholders' rights plan or repurchases of rights pursuant to any shareholders' rights plan;

acquisition of record ownership of junior stock or parity stock for the beneficial ownership of any other person who is not Sterling or a subsidiary of Sterling, including as trustee or custodian; and

the exchange or conversion of junior stock for or into other junior stock or of parity stock for or into other parity stock or junior stock but only to the extent that such acquisition is required pursuant to binding contractual agreements entered into before December 5, 2008 or any subsequent agreement for the accelerated exercise, settlement or exchange thereof for common stock.

If we repurchase shares of the Preferred Stock from a holder other than the initial selling securityholder, we must offer to repurchase a ratable portion of the series preferred stock then held by the initial selling securityholder.

On any dividend payment date for which full dividends are not paid, or declared and funds set aside therefor, on the Preferred Stock and any other parity stock, all dividends paid or declared for payment on that dividend payment date (or, with respect to parity stock with a different dividend payment date, on the applicable dividend date therefor falling within the dividend period and related to the dividend payment date for the Preferred Stock), with respect to the Preferred Stock and any other parity stock shall be declared ratably among the holders of any such shares who have the right to receive dividends, in proportion to the respective amounts of the undeclared and unpaid dividends relating to the dividend period.

Subject to the foregoing, such dividends (payable in cash, stock or otherwise) as may be determined by our board of directors (or a duly authorized committee of the board) may be declared and paid on our common stock and any other stock ranking equally with or junior to the Preferred Stock from time to time out of any funds legally available for such payment, and the Preferred Stock shall not be entitled to participate in any such dividend.

Redemption

The Preferred Stock may not be redeemed prior to February 15, 2012 unless we have received aggregate gross proceeds from one or more qualified equity offerings (as described below) equal to \$75,750,000, which equals 25% of the aggregate liquidation amount of the Preferred Stock on the date of issuance. In such a case, we may redeem the Preferred Stock, subject to the approval of FDIC, in whole or in part, upon notice as described below, up to a maximum amount equal to the aggregate net cash proceeds received by us from such qualified equity offerings. A qualified equity offering is a sale and issuance for cash by us, to persons other than Sterling or its subsidiaries after December 5, 2008, of shares of perpetual preferred stock, common stock or a combination thereof, that in each case qualify as tier 1 capital of Sterling at the time of issuance under the applicable risk-based capital guidelines of the FDIC. Qualified equity offerings do not include issuances made in connection with acquisitions, issuances of trust preferred securities and issuances of common stock and/or perpetual preferred stock made pursuant to agreements or arrangements entered into, or pursuant to financing plans that were publicly announced, on or prior to October 13, 2008.

After February 15, 2012, the Preferred Stock may be redeemed at any time, subject to the approval of the FDIC, in whole or in part, subject to notice as described below.

Table of Contents

In any redemption, the redemption price is an amount equal to the per share liquidation amount of \$1,000 per share plus accrued and unpaid dividends to but excluding the date of redemption.

The Preferred Stock will not be subject to any mandatory redemption, sinking fund or similar provisions. Holders of shares of the Preferred Stock have no right to require the redemption or repurchase of the Preferred Stock.

If fewer than all of the outstanding shares of the Preferred Stock are to be redeemed, the shares to be redeemed will be selected either *pro rata* from the holders of record of shares of the Preferred Stock in proportion to the number of shares held by those holders or in such other manner as our board of directors or a committee thereof may determine to be fair and equitable.

We will mail notice of any redemption of the Preferred Stock by first class mail, postage prepaid, addressed to the holders of record of the shares of the Preferred Stock to be redeemed at their respective last addresses appearing on our books. This mailing will be at least 30 days and not more than 60 days before the date fixed for redemption. Any notice mailed or otherwise given as described in this paragraph will be conclusively presumed to have been duly given, whether or not the holder receives the notice, and failure duly to give the notice by mail or otherwise, or any defect in the notice or in the mailing or provision of the notice, to any holder of the Preferred Stock designated for redemption will not affect the redemption of any other the Preferred Stock. Each notice of redemption will set forth the applicable redemption date, the redemption price, the place where shares of the Preferred Stock are to be redeemed, and the number of shares of the Preferred Stock to be redeemed (and, if less than all shares of the Preferred Stock held by the applicable holder, the number of shares to be redeemed from the holder).

Shares of the Preferred Stock that are redeemed, repurchased or otherwise acquired by us will revert to authorized but unissued shares of our preferred stock.

Liquidation Rights

In the event that we voluntarily or involuntarily liquidate, dissolve or wind up our affairs, holders of the Preferred Stock will be entitled to receive an amount per share, referred to as the total liquidation amount, equal to the fixed liquidation preference of \$1,000 per share, plus any accrued and unpaid dividends, whether or not declared, to the date of payment. Holders of the Preferred Stock will be entitled to receive the total liquidation amount out of our assets that are available for distribution to shareholders, after payment or provision for payment of our debts and other liabilities but before any distribution of assets is made to holders of our common stock or any other shares ranking, as to that distribution, junior to the Preferred Stock.

If our assets are not sufficient to pay the total liquidation amount in full to all holders of the Preferred Stock and all holders of any shares of outstanding parity stock, the amounts paid to the holders of the Preferred Stock and other shares of parity stock will be paid *pro rata* in accordance with the respective total liquidation amount for those holders. If the total liquidation amount per share of the Preferred Stock has been paid in full to all holders of the Preferred Stock and other shares of parity stock, the holders of our common stock or any other shares ranking, as to such distribution, junior to the Preferred Stock will be entitled to receive all of our remaining assets according to their respective rights and preferences.

For purposes of the liquidation rights, neither the sale, conveyance, exchange or transfer of all or substantially all of our property and assets, nor the consolidation or merger by us with or into any other corporation or by another corporation with or into us, will constitute a liquidation, dissolution or winding-up of our affairs.

Voting Rights

Except as indicated below or otherwise required by law, the holders of Preferred Stock shall not have any voting rights.

Election of Two Directors upon Non-Payment of Dividends. Whenever dividends payable on the shares of Preferred Stock have not been paid for an aggregate of six quarterly dividend periods or more, whether or not consecutive, the authorized number of directors then constituting our board shall be automatically increased by two

and the holders of Preferred Stock, together with the holders of any outstanding parity stock with like voting rights, referred to as voting parity stock, voting as a single class, will be entitled to elect the two additional members of our board of directors, referred to as the Preferred Stock Directors, at the next annual meeting (or at a special meeting called for the purpose of electing the Preferred Stock Directors prior to the next annual meeting) and at each subsequent annual meeting until all accrued and unpaid dividends for all past dividend periods have been paid in full. The election of any Preferred Stock Directors shall be subject to the condition that the election would not cause us to violate any corporate governance requirements of any securities exchange or other trading facility on which our securities may then be listed or traded, that listed or traded companies must have a majority of independent directors.

Upon the termination of the right of the holders of Preferred Stock and voting parity stock to vote for Preferred Stock Directors, as described above, the Preferred Stock Directors will immediately cease to be qualified as directors, their term of office shall terminate immediately and the number of authorized directors of Sterling will be reduced by the number of Preferred Stock Directors that the holders of Preferred Stock and voting parity stock had been entitled to elect. The holders of a majority of the Preferred Stock and voting parity stock shares, voting as a class, may remove any Preferred Stock Director, with or without cause, and the holders of a majority of the Preferred Stock and voting parity stock shares, voting as a class, may fill any vacancy created by the removal of a Preferred Stock Director. If the office of a Preferred Stock Director becomes vacant for any other reason, the remaining Preferred Stock Director may choose a successor to fill such vacancy for the remainder of the unexpired term.

Other Voting Rights. So long as any shares of Preferred Stock are outstanding, in addition to any other vote or consent of shareholders required by law or by the Restated Articles of Incorporation, as amended, the vote or consent of the holders of at least 66 2/3% of the shares of Preferred Stock at the time outstanding, voting as a separate class, given in person or by proxy, either in writing without a meeting or by vote at any meeting called for the purpose, shall be necessary for effecting or validating:

Any amendment or alteration of the Restated Articles of Incorporation, as amended, to authorize or create or increase the authorized amount of, or any issuance of, any shares of, or any securities convertible into or exchangeable or exercisable for shares of, any class or series of our capital stock ranking senior to Preferred Stock with respect to either or both the payment of dividends and/or the distribution of assets on any liquidation, dissolution or winding up of Sterling;

Any amendment, alteration or repeal of any provision of the Restated Articles of Incorporation, as amended, for the Preferred Stock so as to adversely affect the rights, preferences, privileges or voting powers of the Preferred Stock; or

Any consummation of a binding share exchange or reclassification involving the Preferred Stock, or of a merger or consolidation of Sterling with another entity, unless the shares of Preferred Stock remain outstanding following any such transaction or, if Sterling is not the surviving entity, are converted into or exchanged for preference securities and such remaining outstanding shares of Preferred Stock or preference securities have rights, references, privileges and voting powers that are not materially less favorable than the rights, preferences, privileges or voting powers of the Preferred Stock, taken as a whole.

To the extent of the voting rights of the Preferred Stock, each holder of Preferred Stock will have one vote for each \$1,000 of liquidation preference to which such holder's shares of Preferred Stock are entitled.

The foregoing voting provisions will not apply if, at or prior to the time when the vote or consent would otherwise be required, all outstanding shares of Preferred Stock have been redeemed or called for redemption upon proper notice and sufficient funds have been set aside by us for the benefit of the holders of Preferred Stock to effect the redemption.

DESCRIPTION OF WARRANT TO PURCHASE COMMON STOCK

The following is a brief description of the terms of the Warrant that may be transferred, sold, assigned or otherwise disposed of by the selling security holders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to the Warrant, and Letter Agreement, copies of which have been filed with the SEC and are also available upon request from us.

Table of Contents

Shares of Common Stock Subject to the Warrant

The Warrant is initially exercisable for 6,437,677 shares of common stock. If we receive aggregate gross cash proceeds of not less than \$303 million from Qualified Equity Offerings on or prior to December 31, 2009, the number of shares of common stock issuable pursuant to selling security holder's exercise of the warrant will be reduced by one half of the original number of shares. The number of shares subject to the Warrant are subject to further adjustment described below under the heading *Adjustments to the Warrant*.

Exercise of the Warrant

The initial exercise price, subject to adjustment, applicable to the Warrant is \$7.06 per share of common stock. The Warrant may be exercised at any time on or before 5:00 p.m., New York City time on or before December 5, 2018, by surrender of the Warrant and a completed notice of exercise attached as an annex to the Warrant and the payment of the exercise price for the number of shares of common stock for which the Warrant is being exercised.

Upon exercise of the Warrant, certificates for the shares of common stock issuable upon exercise will be issued to the warrant holder. We will not issue fractional shares upon any exercise of the warrant. Instead, the warrant holder will be entitled to a cash payment equal to the market price of our common stock on the last day preceding the exercise of the warrant (less the pro-rated exercise price of the warrant) for any fractional shares that would have otherwise been issuable upon exercise of the warrant. We will at all times reserve the aggregate number of shares of our common stock for which the warrant may be exercised.

Rights as a Shareholder

The warrant holder shall have no voting rights or other rights as a shareholder, until (and then only to the extent) the Warrant has been exercised.

Transferability

Subject to compliance with applicable securities laws, the selling security holder shall be permitted to transfer, sell, assign or otherwise dispose of all or a portion of the purchased Securities or Warrant shares at any time, provided that the selling security holder shall not transfer a portion or portions of the Warrant with respect to, and/or exercise the Warrant for, more than one-half of the initial Warrant shares in the aggregate until the earlier of (a) the date on which the Sterling has received aggregate gross proceeds of not less than \$303 million from one or more Qualified Equity Offerings, and (b) December 31, 2009.

Adjustments to the Warrant

Adjustments in Connection with Stock Splits, Subdivisions, Reclassifications and Combinations. The number of shares for which the Warrant may be exercised and the exercise price applicable to the Warrant will be proportionately adjusted in the event we pay dividends or make distributions of our common stock, subdivide, combine or reclassify outstanding shares of our common stock.

Anti-dilution Adjustment. Until the earlier of December 5, 2011 and the date the initial selling securityholder no longer holds the Warrant (and other than in certain permitted transactions described below), if we issue any shares of common stock (or securities convertible or exercisable into common stock) for less than 90% of the market price of the common stock on the last trading day prior to pricing such shares, then the number of shares of common stock into which the Warrant is exercisable and the exercise price will be adjusted. Permitted transactions include issuances:

as consideration for or to fund the acquisition of businesses and/or related assets;

in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by our board of directors;

Table of Contents

in connection with public or broadly marketed offerings and sales of common stock or convertible securities for cash conducted by us or our affiliates pursuant to registration under the Securities Act, or Rule 144A thereunder on a basis consistent with capital-raising transactions by comparable financial institutions (but do not include other private transactions); and

in connection with the exercise of preemptive rights on terms existing as of December 5, 2008.

Other Distributions. If we declare any dividends or distributions other than our historical, ordinary cash dividends, the exercise price of the warrant will be adjusted to reflect such distribution.

Certain Repurchases. If we effect a *pro rata* repurchase of common stock both the number of shares issuable upon exercise of the Warrant and the exercise price will be adjusted.

Business Combinations. In the event of a merger, consolidation or similar transaction involving Sterling and requiring shareholder approval, the warrant holder's right to receive shares of our common stock upon exercise of the warrant shall be converted into the right to exercise the Warrant for the consideration that would have been payable to the warrant holder with respect to the shares of common stock for which the Warrant may be exercised, as if the Warrant had been exercised prior to such merger, consolidation or similar transaction.

DESCRIPTION OF COMMON STOCK

The following is a brief description of the material provisions of our common stock. This description is not complete, and is qualified in its entirety by reference to the provisions of our Restated Articles of Incorporation, as amended, our amended and restated By-laws, and the Washington Business Corporation Act. Printing expenses	\$ 10,000*
Other miscellaneous fees and expenses	\$ 5,000*

Item 15. Indemnification Of Officers And Directors

Section 23B.08.570 of the Washington Business Corporation Act authorizes a court to award, or a corporation's board of directors to grant indemnity to directors, officers, employees and other agents of the corporation (Agents) in terms sufficiently broad to permit such indemnification under certain circumstances for liabilities (including reimbursement for expenses incurred) arising under the Securities Act of 1933, as amended.

Our Board of Directors has resolved to indemnify the officers and directors of the registrant to the full extent permitted by Section 23B.08.570 of the Washington Business Corporation Act, and Article XI of our Amended and Restated Articles of Incorporation and Article X of our Amended and Restated Bylaws authorize the registrant to provide for indemnification of officers and directors to the same extent. This indemnification limits the personal monetary liability of directors in performing their duties on behalf of the registrant, to the extent permitted by the Washington Business Corporation Act, and permits the registrant to indemnify its directors and officers against certain liabilities and expenses, to the extent permitted by the Washington Business Corporation Act. In addition, the registrant maintains a directors and officers liability insurance policy that insures its directors and officers against certain liabilities, including certain liabilities under the Securities Act of 1933.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the registrant pursuant to the foregoing provisions, the registrant has been informed that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is therefore unenforceable.

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of the prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement; provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

Provided however, that:

A. Paragraphs (A)(1)(i) and (A)(1)(ii) of this section do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission

by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement; and

B. Paragraphs (A)(1)(i), (A)(1)(ii) and (A)(1)(iii) of this section do not apply if the registration statement is on Form S-3 or Form F-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendments shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) If the registrant is relying on Rule 430(B):

(A) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on rule 430B relating to an offering made pursuant to rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date; or

(ii) If the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

Table of Contents

(5) That, for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, the filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the registrant pursuant to the provisions described in Item 15 above, or otherwise, that registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by a registrant of expenses incurred or paid by a director, officer, or controlling person of a registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

D. The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance on Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
