the indenture, provides that any documents or reports that Prudential Financial may be

required to file with the SEC pursuant to Section 13 or 15(d) of the Securities and Exchange Act will be filed with the trustee within 15 days after Prudential Financial has filed those documents or reports with the SEC. Under the Trust Indenture Act of 1939, as amended, Prudential Financial may have a separate obligation to file with the trustee documents or reports it is required to file with the SEC. Prudential Financial s failure to comply with either filing obligation is not an event that will result in an event of default under the indenture. Accordingly, acceleration of Prudential Financial s obligations under the 5.10% notes will not be a remedy for its failure to file those documents or reports with the trustee, and you may have no remedy for the failure other than an action in damages. For other outstanding series of notes of Prudential Financial, acceleration is a remedy, upon appropriate notice and passage of time, for the holders of those securities for Prudential Financial s failure to file documents or reports with the trustee.

Investing in the Notes involves a number of risks. See Risk Factors beginning on page S-5 of the accompanying prospectus supplement.
