**Item 6. Contracts, Arrangements, Understandings or Relationship with Respect to Securities of the Issuer.**

The disclosure under Item 3 and Item 4 hereof is incorporated by reference.

**Convertible Note Purchase Agreement.** On September 30, 2008, Dr. Adelson entered into the Convertible Note Purchase Agreement with the Issuer (the "Convertible Note Purchase Agreement"). Pursuant to the Convertible Note Purchase Agreement, the Issuer sold, in a private placement transaction, \$475.0 million in aggregate principal amount of the Notes to Dr. Adelson. The Notes were issued pursuant to an indenture, dated as of September 30, 2008, between the Issuer and U.S. Bank, National Association, as trustee, as supplemented by the First Supplemental Indenture thereto, dated as of September 30, 2008. The issuance of Notes and related transactions were approved by the Board of Directors of the Issuer upon the recommendation of a special committee consisting of independent directors.

The Issuer made certain customary representations and warranties concerning the Issuer. In addition, the Issuer agreed to reimburse Dr. Adelson for expenses incurred in connection with the preparation, negotiation, execution and delivery of the Convertible Note Purchase Agreement and related transaction documentation.

**Note Conversion and Securities Purchase Agreement and Amendment thereto.** On November 10, 2008, Dr. Adelson entered into the Note Conversion and Securities Purchase Agreement with the Issuer. Pursuant to the Note Conversion and Securities Purchase Agreement, the Issuer agreed to issue and sell to Dr. Adelson 5,250,000 shares of Series A Preferred Stock and Warrants to purchase an aggregate of up to 87,500,175

shares of Common Stock at an exercise price of \$6.00 per share, on substantially the same terms as those offered in the Issuer's concurrent underwritten public offering, and the purchase closed on November 14, 2008. Dr. Adelson also agreed to convert \$475 million aggregate principal amount of the Notes into shares of the Common Stock at a conversion price equal to \$5.50 per share, upon receipt of all necessary approvals. On November 12, 2008, the Issuer and Dr. Adelson entered into an Amendment to the Note Conversion and Securities Purchase Agreement that provided for the conversion of the Notes concurrently with the closing of the concurrent underwritten public offering. On November 14, 2008, the Issuer issued 86,363,636 shares of Common Stock to Dr. Adelson upon conversion of the Notes.

The Warrants issued to Dr. Adelson are not exercisable until all necessary approvals have been obtained (the "Approvals"), including listing of the shares of Common Stock issuable upon exercise of such Warrants on the New York Stock Exchange and until the stockholder approval of the issuance of shares of the Common Stock upon exercise of such Warrants is effective. Stockholders holding approximately 68.9% of the Issuer's outstanding common stock as of November 10, 2008 have approved by written consent the exercise of the Warrants and the issuance of shares of the Common Stock upon exercise of such Warrants, as well as the grant of preemptive rights under the Investor Rights Agreement (described below) (the "Stockholder Action"). The Stockholder Action will not be effective until 20 days after the Issuer mails to all of its Stockholders an information statement on Schedule 14C under the Securities Exchange Act of 1934 (the "Information Statement") regarding the Stockholder Action. Pursuant to the Note Conversion and Securities Purchase Agreement, the Issuer has agreed to prepare, file with the Securities and Exchange Commission (the "SEC") and mail to its Stockholders the Information Statement. If the Issuer does not obtain all required Approvals within 120 days of the date of the Note Conversion and Securities Purchase Agreement, thereafter and until the Issuer receives all required Approvals, a fee will accrue at a rate of 2.00% per annum on the aggregate liquidation preference in respect of the Series A Preferred Stock then held directly or beneficially by Dr. Adelson, Mr. Adelson, or any related party of Mr. Adelson's (provided, that in the event that any such holder only holds Warrants (or Common Stock for which the Warrants have been exercised) at the time of such default, the applicable fee shall be determined as described above as though such holder then holds such amount of Series A Preferred Stock as was originally issued to Dr. Adelson in proportion to the amount of Warrants (or the amount of Warrants the exercise of which yielded the Common Stock) then actually held by such holder).

The Note Conversion and Securities Purchase Agreement contains customary representations, warranties and covenants for investments of this type. In addition, the Issuer agreed to reimburse Dr. Adelson for certain expenses, including, among others, those incurred in connection with the preparation, negotiation, execution and delivery of the Note Conversion and Securities Purchase Agreement and related transaction documentation and to indemnify Dr. Adelson, Mr. Adelson and their related parties for liabilities and expenses arising as a result of their failure to make any required filings under the Hart-Scott-Rodino Act. Finally, Mr. Adelson, Dr. Adelson and certain entities related thereto waived their

preemptive rights under the Investor Rights Agreement (described below) in connection with the offerings of the Series A Preferred Stock, Warrants and Common Stock described herein.

**Second Amended and Restated Registration Rights Agreement.** On November 14, 2008, in connection with the Note Conversion and Securities Purchase Agreement, Dr. Adelson and certain other stockholders party thereto entered into a Second Amended and Restated Registration Rights Agreement (the "Second Amended and Restated Registration Rights Agreement"). Pursuant to the Second Amended and Restated Registration Rights Agreement, Dr. Adelson has been granted the same registration rights with respect to the Series A Preferred Stock, the Warrants, the Common Stock issuable upon exercise of the Warrants and the Common Stock issued upon conversion of the Notes as the registration rights previously granted under the agreement (such stockholders, together with Dr. Adelson, the "Adelson Holders").

Under the Second Amended and Restated Registration Rights Agreement, subject to certain conditions, the Adelson Holders have demand and Form S-3 registration rights with respect to sales of the Series A Preferred Stock and Warrants, as well as with respect to the Common Stock (collectively, the "Registrable Securities"). The Adelson Holders and the other parties to the Second Amended and Restated Registration Rights Agreement also have certain piggyback registration rights with respect to sales of Common Stock. In addition to the grant of registration rights, if the Issuer fails to comply with its obligations to file a registration statement in respect of the Registrable Securities within 90 days of a registration request by the Adelson Holders, fails to cause such registration statement to be declared effective by the SEC within 120 days of a registration request, or such a registration statement ceases to be effective or otherwise usable for a specified period of time (each, a "Registration Default"), then the Issuer will pay liquidated damages to the Adelson Holders holding the Registrable Securities equal to (i) one-half of one percent (50 basis points) per annum on the aggregate liquidation preference in respect of the Series A Preferred Stock constituting Transfer Restricted Securities (as defined in the Second Amended and Restated Registration Rights Agreement) then held directly or beneficially by the Adelson Holder for the period up to and including the 90th day during which such Registration Default has occurred and is continuing; and (ii) one percent (100 basis points) per annum on the liquidation preference with respect to the Series A Preferred Stock constituting Transfer Restricted Securities then held directly or beneficially by the Adelson Holder for the period including and subsequent to the 91st day during which such Registration Default has occurred and is continuing; provided, however, that in the event that any such holder only holds Warrants (or Common Stock for which the Warrants have been exercised) at the time of such Registration Default, liquidated damages shall be determined in accordance with the foregoing clauses (i) or (ii), as the case may be, as though such holder then holds such amount of Series A Preferred Stock constituting Transfer Restricted Securities as was issued pursuant to the Note Conversion and Securities Purchase Agreement in proportion to the amount of Warrants (or the amount of Warrants the exercise of which yielded the Common Stock) then actually held by such holder.

---

**Investor Rights Agreement.** On September 30, 2008, in connection with the purchase of the Notes, the Issuer and Dr. Adelson entered into an Investor Rights Agreement (the "Investor Rights Agreement"). Pursuant to the Investor Rights Agreement, subject to certain exceptions, Dr. Adelson, Mr. Adelson and certain trusts for the benefit of the Adelson family (the "Adelson Rights Holders") were granted pre-emptive rights with respect to any future proposed issuance or sale by the Issuer of equity interests (including convertible or exchangeable securities), pursuant to which they will be able to purchase a portion of the offered equity interests based on their fully diluted Common Stock ownership interests in the Issuer. Pursuant to the Investor Rights Agreement, the Issuer agreed to indemnify the Adelson Rights Holders for certain liabilities.

On November 10, 2008, pursuant to the Note Conversion and Securities Purchase Agreement, Dr. Adelson waived any and all preemptive rights granted under the Investor Rights Agreement with respect to the sale by the Issuer of the Series A Preferred Stock and Warrants pursuant to the Note Conversion and Securities Purchase Agreement, the issuance of Common Stock upon exercise of the Warrants, and the concurrent underwritten public offering of Common Stock, Series A Preferred Stock and Warrants.

**Lockup Agreement.** On November 10, 2008, in connection with the underwriting agreement relating to the underwritten public offering of Common Stock, Series A Preferred Stock and Warrants, Dr. Adelson entered into a lockup agreement (the "Lockup Agreement"). Pursuant to the Lockup Agreement, Dr. Adelson has agreed, subject to certain exceptions, not to sell, contract to sell, pledge, grant any option to purchase, make any short sale or otherwise dispose of any shares of Series A Preferred Stock for 365 days, including hedging or other transactions reasonably expected to result in a sale or disposition of shares of Series A Preferred Stock, even if such shares would be disposed of by someone other than Dr. Adelson. Dr. Adelson also consented to the entry of stop transfer instructions with the Issuer's transfer agent and registrar against the transfer of such Series A Preferred Stock in violation of the foregoing restrictions.
