***Item 12. Revised 2003 Forecast.***

On February 11, 2004 Granite Construction Incorporated (NYSE:GVA) announced that earnings per share for the fiscal year ended December 31, 2003 will be higher than previously expected. The Company's net income is anticipated to be \$1.48 per diluted share, exceeding the \$1.28 to \$1.36 per diluted share guidance issued previously. All earnings per share amounts include \$18.4 million of other income (pre-tax) recorded in the first quarter related to the sale of the State Route 91 tollroad franchise by the California Private Transportation Corporation, of which Granite is a 22.2% limited partner. The increase in net income over the previous guidance is primarily the result of stronger than expected operating performance by the Branch Division reflecting higher revenues from both construction and aggregate materials sales.

The Company will announce its fourth quarter and fiscal year 2003 results on Wednesday, February 18, 2004 after the market closes. Granite will host a conference call at 8:00 A.M. Pacific Time on Thursday, February 19, 2004 which will be live on the internet, and can be accessed at [www.graniteconstruction.com](http://www.graniteconstruction.com) or by calling (913) 981-5543. A playback of the call can be accessed on the Company's website or by calling (888) 203-1112 for domestic U.S. and Canada or (719) 457-0820 for international callers, passcode 709385.
